Capt. Everett's Patent.
 Capt. Butts Everett kindly ex-
 hibited to us to-day the model he
 has made of his patent "Air-brake
 Safety Guard for Car Trucks", and
 explained its workings. It is prob-
 able that the invention will be
 taken up by some prominent rail-
 road men and that a strong com-
 pany will be formed for its intro-
 duction and use.

The Fire This Morning.
 The alarm of fire this morning at
 1:15 o'clock, sent in from box 41, was
 caused by the burning of a one story
 frame building on the corner of
 Seventh and Ann streets, owned
 and occupied by H. B. Walker.
 There was insurance on the house
 for \$100 and \$50 on the furniture, in
 the Northern Insurance Co., of Lon-
 don, represented here by Mr. M. S.
 Willard. The house is a total loss
 but the furniture was saved.

Look Out for Snow!
 The cautionary Northwest storm
 signal was raised here this morning
 at 11:15 o'clock, in accordance with
 instructions from Washington City.
 It was also ordered for Morehead.
 The prediction is for snow and
 much colder Northwest winds. It
 is hard to take stock in this, yet we
 don't like to venture a prediction
 to the contrary. If snow comes now
 it will be like a rain of ice water in
 August—and not half so welcome.

How are the Folks?
 "Oh, they're all well except Mother,
 she's about the same. Poor
 Mother, worn out by household
 cares, exposure and overwork. No
 wonder she gives up at last and
 takes to her bed. But oh! how much
 brighter the family fireside would
 be if Mother's chair was not vacant.
 The doctors don't seem to be doing
 her any good. She says their medi-
 cines don't seem to go to the spot.
 She feels so weak and longs for
 strength. "Oh! give me strength,"
 she murmurs. Why not give her
 the remedy her system craves? Her
 impoverished blood and shattered
 nerves are starving for just such in-
 gredients as are contained in B. B.
 (Botanic Blood Balm). Then try a
 bottle of this excellent remedy. It
 is truly woman's best friend. It
 quickly relieves pain and restores
 health, strength and functional regu-
 larity.

James W. Lancaster, Hawkins-
 ville, Ga., writes: "My wife was in
 bad health for eight years. Five
 doctors and as many more different
 patent medicines had done her no
 good. Six bottles of B. B. has
 cured her."

Forecasts.
 For North Carolina, light rain or
 snow, much colder weather and a
 cold wave. For Wilmington and
 vicinity, rains to day followed by
 fair weather to-morrow.

Presbyterian Joint Service.
 The Synodical Evangelist, Rev.
 W. D. Morton, will meet the two
 churches of this city in St. Andrew's
 Church to-morrow night at 7:30. An
 interesting account of his labors
 and of the field is expected. A large
 attendance is anticipated. The pub-
 lic is cordially invited.

**Little Lord Fauntleroy (Suit) Can be Seen
 at J. Shrier's.**
 I. Shrier, who is always ahead in
 introducing new novelties, will sell
 this week the Lord Fauntleroy and
 Alfonso (King of Spain) suit. Also
 a full line of children's Kilt Suits at
 the lowest price for cash only. I.
 Shrier, corner Front and Princess
 streets. tf

Commendable.
 All claims not consistent with the
 high character of Syrup of Figs are
 purposely avoided by the California
 Fig Syrup Company. It acts gently
 on the kidneys, liver and bowels,
 cleansing the system effectually, but
 it is not a cure-all and makes no
 pretensions that every bottle will
 not substantiate.

Yard Master Lashlie Hurt.
 Mr. C. B. Lashlie, night yard master
 of the Atlantic Coast Line at the
 old Union Depot yards, was severely
 hurt yesterday evening, about 5
 o'clock, while a freight train was
 running under the bridge at Front
 street station. He was standing on
 top of a box car, and while the train
 was passing beneath the bridge it
 struck him on the head above the
 right ear, inflicting an ugly gash
 and felling him from the top of the
 car. We are glad to know that his
 hurts are not dangerous and that he
 may get out again in a few days.

A Righteous Move.
 Hon. C. W. McClammy has made
 another move in the right direction.
 He has introduced a bill into the
 house to compel star route contrac-
 tors to be residents of the section
 along which the route runs. This
 is right and proper. The mails on
 these routes are rarely carried by
 the contractors, who generally gob-
 ble them up at good prices and then
 sublet them to somebody else at a
 mere pittance. We doubt if the
 bill will pass, for it will probably
 have the lobby against it, but it
 is a righteous measure and ought
 to become a law. "Star routes", by
 the way, are "horse routes."

Stedman Station.
 The Fayetteville *Observer* says
 that the first station out from Fay-
 etteville on the Wilmington exten-
 sion of the C. F. & Y. V. R. R.—and,
 in fact, the only one in Cumberland
 county east of the river bridge—is at
 the point known as Blockerville,
 and promises to be one of the thriving
 places on the line of road. It
 receives its name in honor of the
 valuable and lamented Nathan
 Stedman, father of ex-Lieutenant
 Governor Stedman, and for many years
 Treasurer of the Western Railroad
 and afterwards Cape Fear and Yad-
 kin Valley Railway.

The *Observer* also says: "In the
 opening of the Wilmington exten-
 sion we are glad to know that the
 Cape Fear and Yadkin Valley Rail-
 way, in its rapid progress in the de-
 velopment of one of the most im-
 portant works of internal improve-
 ment in the South, has been reward-
 ed by a very gratifying outcome of
 business. Timber, naval stores,
 merchandise and country produce
 await its freight trains at every sta-
 tion; material enterprise has received
 marked stimulus in every coun-
 try traversed by the line; travel is
 good and daily increasing; and the
 experience of this admirable "North
 Carolina system," characterizing it
 since its important movement for-
 ward in 1869, following nature's
 great highway of commerce, is to-
 day repeated in the business found
 ready to hand."

In the treatment of all nervous
 and muscular diseases, such as rheu-
 matism, neuralgia, sciatica, tic dou-
 loureux, semicrania, &c., the value
 of Salvation Oil cannot be over-esti-
 mated. It kills pain. Price 25 cents
 a bottle.

Refreshing and invigorating
 Delicious Soda Water as drawn from
 Munds Brothers' magnificent new
 soda fountain at a temperature of
 34°. Purest Fruit Syrup, Milk Shakes
 and Natural Mineral Water.

At the Opera House.
 Another good house greeted Miss
 Frost and her excellent company at
 the Opera House last night. The
 play was *Pygmalion* and *Galatea*.
 In the main the performance was a
 good one, but not equal to that of
 the night previous, which was truly
 excellent. Neither Miss Frost nor
 Mr. Collier seemed to rise to the full
 and complete conception of some of
 the scenes and passages. This was
 the case, notably, in the statue
 scene, which, properly rendered, is
 the most exquisite in the piece. But
 in other parts both showed an excel-
 lent and a close conception of the
 characters.

The company close their engage-
 ment to-night, on which occasion
 they will play the *Marble Heart* and
 we trust to a full house. They must
 come and see us again. They have
 made many friends here and we
 think we can promise them a hearty
 welcome on their next visit.

Meteorological Summary.
 Mr. F. P. Chaffee, Signal Service
 observer in charge of the Wilming-
 ton station, furnishes a summary of
 the weather for February, from
 which the following is taken:
 The mean barometer was 30.15
 inches; highest 30.41, on the 16th
 inst.; lowest 29.86, on the 14th.
 The mean temperature was 58°;
 highest 80°, on the 27th; lowest 32°,
 on the 22d. Total excess in tempera-
 ture during the month, 249°.

 was southwest, and the highest ve-
 locity was on the 14th—36 miles per
 hour.

The total rainfall was 1.15 inches;
 total deficiency in precipitation dur-
 ing the month 2.03 inches.

There were eight cloudless days,
 eleven partly cloudy, and nine
 cloudy.

It was the warmest February for
 which there is any record here.

There is danger in impure blood.
 There is safety in taking Hood's
 Sarsaparilla, the great blood puri-
 fier. 100 doses one dollar.
