There is at least one lucky resi-
dent of Wilmington. He yesterday
celebrated his little boy's first birth-
day anniversary and this morning
he woke to find that his cow had a
calf and that one of his hens had
left the nest with nine little chicks.

A white woman, apparently about
middle aged, fell on the street on the
corner of Market and Second this
afternoon and cut her face. She
was badly drunk and there was
nothing to do but to haul her off to
the guard house on a dray. It was
a disgusting sight.

We hear that Mr. W. P. Clyde is
having built two more large iron
steamships, with first class passen-
ger accommodations, which are ex-
pected to be ready for service in
August. It is hoped, that one, if
not both of these, will be placed on
the line between this city and New
York.

City Court.

Lizzie Lamb, charged with disor-
derly conduct and resisting a police
officer, was fined \$25.

Richard Thomas, colored, the man
who was charged with shooting at
his wife and who is also supposed to
be the party who fired into a street
car last Saturday night was arraign-
ed but the case was continued until
Thursday to await the appearance
of witnesses and in the meantime he
was held in custody in default of a
bond of \$300 for his appearance then.

Dr. Pierce's Pellets cure constipa-
tion, biliousness, sick headache, bil-
ious headache, and all derange-
ments of the stomach, liver and
bowels.

Commendable.

All claims not consistent with the
high character of Syrup of Figs are
purposely avoided by the California
Fig Syrup Company. It acts gently
on the kidneys, liver and bowels,
cleansing the system effectually, but
it is not a cure-all and makes no
pretensions that every bottle will
not substantiate.

North Carolina Granite.

A very handsome monument has
been erected in the Hebrew enclo-
sure at Oakdale to the memory of
the late Mr. G. Rosenthal. It was
erected by the family of the decas-
ed and is from North Carolina gra-
nite. The work was done by Mr. H.
A. Tucker, proprietor of the marble
yards on North Front street, be-
tween Mulberry and Walnut. It is
12 feet high.

All Aboard.

The indications are for a large
audience at the Opera House to-
night to embark on the grand tour
around the world that will be pre-
sented there for their entertainment.
It will be an opportunity that has
heretofore never been enjoyed by a
Wilmington audience and we trust
that it will be made the most of.
The scenes are beautiful and they
will be drawn out clearly and dis-
tinctly. Capt. Bixby, who is a good
reader, will furnish the descriptive
parts, selected from Rev. Mr. Treat's
famous lecture. The proceeds are
to be applied to the benefit of the
Wilmington Library Association.

A Good Day's Work.

Weakness of itself is not a disease.
It is, however, a most distressful
symptom. Alas! how many wearily
drag themselves about, every effort
giving them distress, existing with-
out any of the pleasurable sensa-
tions of robust health. Are you in
this condition? Why? There is no
excuse for feeling mean and miser-
able. Remove the cause of your
distress, which undoubtedly is a
state of blood impurity and a disor-
dered system. How? Why by doing
as others have done.

G. W. Chandler, Red Fork, Ark.,
writes: "I was so weak that it was
only with great effort that I could
do anything. I used several bottles
of Botanic Blood Balm, and can
now do a good day's work."

"Able to do a good day's work!" Is
there not something sweet and re-
freshing in that expression? Strength
to vigorously do this or that. Strength
that is only overcome by
natural fatigue. Strength that when
expended, is by rest and nature
fully renewed. Such will be your
reward if you give B. B. a trial.

H. B. Randolph, Brunswick, Ga.,
writes: "I was under the care of
nine different doctors, but not one
did me the good that Botanic Blood
Balm has done me."

The Merchants' Excursion.

There was an important meeting
of the Invitation Committee in re-
gard to the merchants' excursion on
the C. F. & Y. V. R. R. last night,
at the house of Col. F. W. Kercher,
the chairman.

The Committee was met by Major
John McLaughlin, who represented
the C. F. & Y. V. R. R., and a
thorough canvass of all the names
of merchants between Wilmington
and Mount Airy and between Fayette-
ville and Bennettsville was
made. It was found that nearly
five hundred business men were on
the lists. The committee had a very
important meeting, and Mr. C. H.
Robinson, Chairman of the Commit-
tee of Entertainment, was also pres-
ent, and after much deliberation it
was decided to ask the secretary of
the general committee, Mr. Geo. R.
French, to send out postal cards in-
viting the whole committee to meet
at the Produce Exchange at 12
o'clock noon on Wednesday and to
have a general discussion in regard
to the celebration. It was decided
to recommend that the celebration
be held on the 19th, 20th and 21st. of
this month.

Citizens are much interest in this
celebration, and it is useless to say
that every preparation will be made
to make the time pass pleasantly
for all. Wilmington intends to do
her best on this occasion, and her
whole soul citizens will undoubtedly
give all in their power to further
an object which will long be remem-
bered with pride by our people, and
it is to be hoped with pleasure by
our friends along the line of the
Cape Fear and Yadkin Valley Rail-
road.

The athletic wave seems to flourish
and continue to roll, under the man-
agement of Oscar Wilde; and under
the management of every person Dr.
Ball's Cough Syrup will have the
same success.

Little Lord Fauntleroy (Suit) Can be Seen

I. Shrier, who is always ahead in

the lowest price for cash only. I.

Audit and Finance.

The Board of Audit and Finance
met yesterday afternoon. Present
—R. J. Jones, Esq., Chairman, Wm.
Calder, W. R. Kenan and John W.
Hewett.

Bills were audited and approved
as follows: Current expenses, \$3,
560.00; note, \$5,000; interest, \$300.

City bonds amounting to \$4,500,
from the sinking fund, which had
matured, were burned in the pres-
ence of the Board.

Little Lord Fauntleroy.

A more delightful entertainment
than that of Little Lord Fauntleroy,
at the Opera House last night
has never yet been presented to a
Wilmington public. The drama is
a faithful reproduction of the book
and in the hands of such a company
as that of Mr. French it cannot fail
to please the most exacting taste.
It was all good. There wasn't a
cast that was not faithfully delineated
and there was no hitch any-
where. Mr. Haswin, as the Earl of
Dorincourt, gave a faithful portrai-
ture of "the fine old English gentle-
man," the aristocrat of the first
water, proud of his name, proud of
a long line of distinguished ances-
tors, haughty and reserved, yet with
a good heart, if a proud one, and
with noble qualities which only
needed the right touch to awaken
them to active life. "And a little
child shall lead them," and a little
child did lead him back to his older
and nobler and better self. Little
Flossie Ethel was the ideal little
lord, Miss Minnie Radcliff, as "Dear-
est" (Mrs. Errol) was simply charm-
ing, while Mr. Peaves as the stately
and dignified, yet kindly English
solicitor presented the character to
the life. But—as a little lady of our
acquaintance says: "It was all, all,
all good" and everybody was de-
lighted, and "mildred" will be wel-
comed with effusion if he ever stops
over in Wilmington again.

County Commissioners.

The Board met yesterday after-
noon in regular session. Present,
H. A. Bagg, Esq., chairman; Com-
missioners Roger Moore, E. L.
Pearce, B. G. Worth, Jas. A. Mont-
gomery.

E. Hewlett, county treasurer, sub-
mitted his report, showing a balance
of \$28,253.37 on hand to the credit of
the general fund, and \$16,611.67 to
the credit of the school fund.

J. E. Sampson, Register of Deeds,
submitted his monthly report of fees
received from marriage licenses
during the month of February—
amounting to \$22.80, and exhibited
the treasurer's receipt therefor.

Licenses to retail spirituous liquors
were granted to J. H. Otterway, No.
113 South Front street, and Charles
F. Browne, corner of North Water
and Mulberry streets.

It was ordered that the Chairman
of the Board procure eight addition-
al index books, at a cost of \$25 for
each volume, less 5 per cent. dis-
count.

Ordered, also, that the tax charged
against the Wilmington Light In-
fantry on lots in the southern part
of the city be remitted.

A vote of thanks was extended to
Capt. W. H. Bixby, Engineer U. S.
A., for a map of the survey of North-
east river.

Superior Court were drawn as fol-

ing held last night, with the ex-
ception of Aldermen Smith and
Pearsall, who are absent from the
city.

The Committee on Finance re-
ported the collection of the insurance
on the Fish Market, amounting to
\$1,849.44.

The Police Committee, in the mat-
ter of officers Howland and Moore,
reported, exonerating these officers

of an abandoned woman where a

ed last month.

The Committee on Lights report-
ed three additional electric lights
placed in position, and the Commit-
tee on Public Buildings reported the
completion of necessary work on the
city prison.

The Committee on Markets re-
ported that it was decided not to re-
build the Fish Market, but to use the

mended that repairs to the west end
of the Front Street Market be made
with brick instead of wood. The
committee was authorized to adver-
tise for bids for the work.

The Fire Department Committee

ing Fourth street.

The petition of Wilmington Light
Infantry for remission of tax on lots

ferred to the Committee on Fire De-
partment.

Proposition of T. E. Wallace to
build macadamized roadways was
referred to the Committee on Streets
and Wharves.

Petition of Banker Fire Company
for the use of the horse "Harry
Brook" was referred to the Fire De-
partment Committee.

Petition of A. Deumelandt and J.
H. Bornemann for release from
rental of stalls in Front street mar-
ket, on the ground that the stalls
were rented under a misapprehen-
sion, was referred to the Market
Committee.

Petition from the Wilmington Cot-
ton Oil Company and Messrs. Pars-
ley & Wiggins to open up a new
street, to be called Cape Fear street,
from the oil mill to the northeast
branch of the Cape Fear river, hav-
ing been approved by the commit-
tee, was on motion granted.

Petition of the Atlantic Coast
Line for permission to change track
north of the Carolina Central Rail-
road from the east to the west side
of Nutt street, between Bladen and
Harnett, was granted.

Proposition of Mrs. V. E. Bunting
to sell to the city a house obstruct-
ing Red Cross and Eighth streets
for \$400 was read, and on motion of
Alderman Craft it was directed that
the city proceed to have the dam-
ages assessed and the property con-
demned according to law.

The special committee on the propo-
sition to put the electric wires un-
der ground, stated [through Alder-
man Craft that progress had been
made.

Alderman Post, of the special com-
mittee appointed to revise the ordi-
nances governing the Fire Depart-
ment, reported progress and that
the committee would make final re-
port at the next meeting, the begin-
ning of the fiscal year.

The report of the Chief of the
Fire Department was read, as re-
gards recommendations concerning
the fencing in of grass plots on the
streets and stove pipes projecting
from buildings.

On motion of Alderman Hicks, it
was ordered that the Chief of Police
be instructed to remove all obstruc-
tions around fire hydrants.

The report of the City Physician
was read, and it was moved by Alder-
man Post that \$50 be appro-
priated to clean out Jacob's Run
sewer.

by making the appropriation \$3,000,
to put the sewer in good order.
Adopted.

Alderman Post nominated Alder-
man Morton as Mayor pro tem. for
the next three months, the time of
the former Mayor pro tem. having
