ANNUAL MEETING—Ladies' Memorial Ass'n

Warren's Ice Cream Parlor open till 10 p. m.

The street cars were liberally patronized yesterday as were also the trains on the Seacoast Railroad.

Rubber Hose, Lawn Mowers and Rakes of the latest and most improved makes are sold by the N. Jacobi Hdw. Co.

Keep dry and you will keep healthy. Umbrellas, rubber coats, &c., at I. Shrier's, S. E. corner Front and Princess streets.

Ask for "Our Old Chief." This new and improved Wamsutter Shirt is now ready and for sale at our Shirt Factory only, at 75c. 122 Market St., J. Elsbaeh, prop.

With "Regal" Paint on your house and "Plastico" on your walls, your house will be beautiful and your family happy. Sold by the N. Jacobi Hdw. Co., factory agents.

The thermometer indicated 82 degrees in our office at 1 p. m. to day. It has been very warm, but a brisk breeze has mitigated to a considerable extent the intensity of the heat.

The ice dealers have begun operations for the season in earnest, and if there shall not be an abundance of the article in every household, it will not be in consequence of a lack of places where it can be bought.

We have received the Report of Centennial Celebration of the Alumni of the University of North Carolina, containing the act of incorporation, an account of the Alumni dinner, and the speeches made on that occasion.

To day has been the regular day for the colored people to make excursions, and the *Sylvan Grove* took quite a large party of that race, accompanied by a colored band from Kinston, to Carolina Beach this morning.

The Wilmington Light Infantry left for Charlotte this afternoon's train, to take part in the celebration of the 115th anniversary of the "Mecklenburg Declaration of Independence," which will take place in that city to-morrow.

New Push and Pull Blind Hinges. Locks the blind when opened or closed. Saves labor and cost of putting on inside fastenings, which are not needed with these hinges. Carpenters, it will pay you to examine and use same. N. Jacobi Hdw. Co.

As will be seen by advertisement to be found in another column of this issue, the annual meeting of the Ladies' Memorial Association will be held at 5 o'clock to-morrow afternoon in the hall of W. S. F. E. Co., corner of Fourth and Princess streets.

Many of our citizens have already taken their departure for the seashore, mountains or other fashionable Summer resorts, while many others are delaying their departure until the schools are closed for the Summer vacation, in order to take their children with them.

The police donned new Summer straw hats on Saturday last and some of the force we noticed were adorned with pretty and fragrant buttonhole bouquets. The hats were furnished by Mr. I. H. Weil, on Front street, but where the bouquets came from is a mystery.

The Hibernian Benevolent Association will make their annual excursion to-morrow, going to Carolina Beach. The steamer *Sylvan Grove* has been chartered for the occasion. There will be good music for dancing on the boat and at the Beach, and refreshments will be served at city prices.

A great many new buildings—mostly small and convenient dwellings—are in process of construction in the suburbs of the city, and that the population of Wilmington is continually on the increase is made evident by the fact that every house finds an occupant as soon as it is finished.

"A stitch in time saves nine," and if you take Hood's Sarsaparilla now it may save months of future possible sickness.

Ice cream, soda water, milk shakes and other cooling beverages have been in demand to day.

The dressmakers are having a busy time of it, most of them having orders from two to three weeks ahead.

Strawberries and blackberries are coming to market quite freely. Ten cents per quart is the price asked for them at the stores.

Rev. Mr. Croom, pastor of the Baptist Church at Masonboro, married a couple at 9 o'clock and baptized a lady at 10 o'clock yesterday morning.

We fear that base ball will not be played much here this season. At least, we have heard but little talk looking to a revival of the game in Wilmington.

A very diminutive donkey was quite an attraction at the corner of Front and Market streets this afternoon. He was good naturedly obstinate as all donkeys are bound to be.

The Postoffice will be closed to-morrow, (Tuesday, May 20th,) from 10 a. m. to 5 p. m. The carriers will make two deliveries—one at 6 a. m. and one at 9.30 a. m., and a collection at 4 p. m.

Quite a number of ladies and gentlemen made a pilgrimage of love to Oakdale yesterday to pay tributes of loving tears and fragrant flowers to the memory of the loved ones who now sleep in that beautiful "city of the dead."

As the afternoon's sun declined to-day toward the Western horizon and the heat became less oppressive, the ladies, babies and pretty young misses turned out in force and gave a cheerful aspect to the sidewalks on our principal thoroughfares.

Rev. R. E. Peele, pastor of Brooklyn Baptist Church, will preach at the Baptist Chapel, corner of Fifth and Wooster streets, to-morrow night at 8 o'clock. Arrangements have been made for him to preach in that church once each week during the year.

Rev. Thomas Dixon, Jr., pastor of the Twenty-third Street Baptist Church, New York City, and one of the finest pulpit orators in that denomination, will lecture in this city on the 18th proximo for the benefit of Brooklyn Baptist Church. He is a North Carolinian by birth.

The body of the late Mr. Fred Metts, who was drowned in Black River last Friday was found late last Saturday night, and was brought to this city for interment. The obsequies were held at St. James' church at 10 o'clock yesterday morning, and the remains were interred in Oakdale Cemetery.

Oh, how happy the school children are at the prospect of the approaching Summer vacation, and how anxious they are looking forward to that time. Who can blame them? After eight months of constant attendance on school hours and school duties, the prospect of a season of rest and recreation to their young bodies and minds must be a desirable relief and benefit to them.

There's the Dinner Bell!

What a clattering and a chattering as the children answer the dinner bell and rush into the dining room. Oh! the gratification a good appetite affords as our noon day's meal is set before us. But this vacant chair, what does it mean? "Oh, that is Uncle Charley's seat. Guess he don't feel like eating, he's got dyspepsia, you know." Dyspepsia! horrors! Deliver us from dyspepsia! What's the use of being plagued with such an ailment anyway? What's the use having a stomach so irritated and sore that even one bite of food gives it distress? Why not heal the soreness and allay the irritation and strengthen its muscular processes, by using Botanic Blood Balm. Will it cure? It certainly will. Many, many a former dyspeptic owes his enjoyment of life to B. B. B. Give it a trial.

S. J. Chandler, Richmond, Va., writes: "No one can afford to be without B. B. B. who wishes an appetite. I could scarcely eat a single biscuit for breakfast, but since taking B. B. B. I clean the whole table, so to speak."

Refreshing and Invigorating

Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

Forecasts.

For North Carolina, slightly warmer with light rains. For Wilmington and vicinity, fair, followed by rains.

Entitled to the Best.

All are entitled to the best that their money will buy, so every family should have, at once, a bottle of the best family remedy, Syrup of Figs, to cleanse the system when costive or bilious. For sale in 50c and \$1.00 bottles by all leading druggists.

A Curiosity.

Capt. J. W. Harper, of the steamer *Sylvan Grove*, has captured an alligator that is about five feet in length, which he has placed in a secure and strong box on the steamer so that our friends from the country can indulge in this branch of the study of natural history while they are travelling on his boat.

Children's Day.

Yesterday being "Children's Day," the services at Grace M. E. Church were devoted to the young folks. Appropriate and extensive preparations had been made for the occasion, and as a result the exercises were interesting and were listened to by a large and delighted congregation. Some of the vocal music was very fine and would have reflected credit upon much older and more experienced singers.

A Thought.

The young man who persists in entering church after the sermon has begun and every one is listening intently to the discourse, will certainly make some noise and attract some attention in the world, especially if he should happen to have on a pair of new and squeaky boots and stumps as if he wished to try the strength of every plank in the floor of the building. Why will young men be so inconsiderate or careless in their conduct?

Important Information for Many of You
The proper and picturesque route for business and pleasure travel from this city to the Catskill Mountains, Saratoga and other New York State resorts, is by the West Shore Railroad. By taking the Pennsylvania Railroad passengers will make direct connection with the West Shore in Union Depot at Jersey City, and commencing about June 15th drawing room cars are run through without change.

For tourist books, time tables and information regarding the West Shore Railroad, call on or address H. B. Jagoe, General Eastern Passenger Agent, 363 Broadway, or C. E. Lambert, General Passenger Agent, 5 Vanderbilt Avenue, New York City.

"Summer Excursions," a handsomely illustrated book giving description of the Hudson River and New York State resorts will be mailed on receipt of five cents postage.

Personal.

Miss Minnie Schwarz, one of our most popular young lady vocalists, will soon go to New York where she will take advanced lessons in vocal culture under the instruction of one of the most eminent teachers of the metropolitan city.

Mayor Fowler, Alderman Craft and Chief of the Fire Department Newman, left for Charlotte this afternoon to attend the celebration of the 115th anniversary of the "Mecklenburg Declaration of Independence," which will occur to-morrow.

Rev. E. S. Alderman, son of our esteemed fellow citizen, Mr. Alfred Alderman, arrived here with his wife and two children Saturday night on a visit to his parents and other relatives and friends here in the city of his birth. He is now located as pastor of a Baptist Church near Frankfort, Ky., where he is very popular. He will remain in North Carolina about four weeks.

Criminal Court.

The May term of the New Hanover Criminal Court convened at the Court House in this city at 10 o'clock this forenoon, Judge O. P. Meares presiding, and Solicitor B. R. Moore, appearing as the prosecuting officer. The morning hour was principally devoted to drawing the grand jury and delivering the customary charge to the same. The following constitute the grand jury:

A. J. Grady, Foreman, W. F. Furplus, Jas. W. King, S. M. Moody, R. M. McIntire, R. M. Fowler, D. C. Davis, W. M. Hays, Jr., F. C. Saigwar, Elijah Hardison, J. W. Fletcher, B. F. Keith, Jr.
The only case which had been

heard at the time of closing our report was,

State vs. David Moore, rapid driving, which was continued to the July Term in consequence of the absence of Mr. M. Bellamy, the defendant's counsel.
