### What is Butterworth?

should be one of the grave questions to en-  
gage the attention of the tariff tink-  
ers.  
Germany's army is still inferior to  
that of France by 40,000 men. Ger-  
many possesses 2,184 field guns,  
whereas France has 2,880.

The national debt of Germany,  
which is much smaller than that of  
any other great country in the  
world, is in round figures \$192,000,000.

Out of five gold medals offered to  
the graduating class in arts at the  
McGill University, Montreal, the  
girls won three and did not compete  
for the other two.

Gilbert, the librettist, and Sulli-  
van, the composer, have quarrelled,  
and now who will furnish the fun  
and music with which they have re-  
galed the public and coined the  
duets for the past twenty years?

Senator Evarts has three houses  
which he keeps open all the time—  
one in New York, one at Washing-  
ton, and one at Windsor, Vt. It is  
estimated that it costs him \$100,000  
a year for his living expenses. He  
lives under the same old hat all the  
time, though.

The city of Lowell, Massachusetts,  
voted "dry" at the last December  
election, while the neighboring town  
of Dracont issued a license—only one  
—to sell liquors. One day last week,  
says the New York Commercial Ad-  
vertiser, the drinking portion of the  
population of Lowell turned out to  
slake their thirst at the solitary sal-  
oon that was available, and the re-  
sult was "Saturnalia never before,  
perhaps, witnessed in this country,"  
and "unparalleled scenes of riot and  
debauchery." Which we rise to in-  
quire whether these scenes are to be  
regarded as a faithful reflex of the  
civilization of the State of Daniel  
Webster and G. Frisbie Hoar?

We are glad to learn that there  
has been such improvement in the  
health of Col. E. D. Hall, Chief of  
Police, that he was able to be at the  
City Hall for a short time yesterday.  
Mr. Henry Gieschen has received a

L. Gieschen, stating that the latter  
reached Southampton, Eng., last  
Friday morning, and arrived at

The thermometer in our office reg-  
istered 81 degrees at 3 o'clock this  
afternoon.

This is a legal holiday, in conse-  
quence of which we have no market  
reports in this issue.

During the absence of Mayor Fow-  
ler from the city, Alderman Morton  
will act as Mayor *pro tem*.

We have our fish story in to-day's  
issue, but we have not had a snake  
story yet this season. What can be  
the matter?

There is a slight change in the  
schedule of trains on the Seacoast  
Railroad, which our readers are in-  
vited to notice. See the advertise-  
ment in this issue of THE REVIEW.

Mrs. Alice Adkins, on the corner  
of Second and Dock streets, adver-  
tises in this issue for a few respect-  
able table boarders, to whom she will  
furnish good meals at reasonable  
rates.

A little boy fell in the river at  
Market dock this afternoon, but for-  
tunately he managed to get out  
without getting wet all over, al-  
though he was seared all over and  
clear through.

To-day is a legal holiday in this  
State, in consequence of which the  
public offices have been closed for  
the transaction of business, and  
there have been no Criminal Court  
proceedings to report.

The recent rains must have caused  
quite a rise in the Cape Fear and  
Black rivers and their tributaries,  
so that rafts of timber and naval  
stores will have less difficulty and  
delay in reaching the city.

The rainfall last night amounted  
to .72 of an inch, and the maximum  
velocity of wind was at the rate of  
22 miles per hour at 3.30 this morn-  
ing. The rain was general through-  
out this section of the State.

ting on inside fastenings, which are

There has been a rumor afloat for  
some time that Col. W. P. Canaday  
would soon resign his position as  
Sergeant-at-Arms of the U. S. Senate,  
and a report reached here last  
night that his resignation would be  
made to-day, to take effect July 1st.

Notwithstanding the rather threat-  
ening aspect of the weather this  
morning, the excursion to Carolina  
Beach on the Sylvan Grove this  
morning was well attended, quite a  
large party taking the occasion for  
a trip to the sea shore and a day's  
recreation.

Wilmington Hook and Ladder Co.  
No. 1 will celebrate their forty-third  
anniversary with a banquet at the  
City Hall to-night. Active and hon-  
orary members of the company, offi-  
cers of other companies and of the  
Fire Department and invited guests  
will attend.

The regular business meeting of  
the Y. M. C. A. will be held at their  
rooms at 8 o'clock to-night. The  
presence of every member of the As-  
sociation is desired, as delegates will  
be elected to the District Conven-  
tion, which will be held in Fayette-  
ville from May 29th to June 1st.

### There's the Dinner Bell!

What a clattering and a chattering  
as the children answer the din-  
ner bell and rush into the dining  
room. Oh! the gratification a good  
appetite affords as our noon day's  
meal is set before us. But this vac-  
ant chair, what does it mean? "Oh,  
that is Uncle Charley's seat. Guess  
he don't feel like eating, he's got  
dyspepsia, you know." Dyspepsia,  
horrors! Deliver us from dyspepsia.  
What's the use of being plagued  
with such an ailment anyway?  
What's the use having a stomach so  
irritated and sore that even one bite  
of food gives it distress? Why not  
heal the soreness and allay the irri-  
tation and strengthen its muscular  
processes, by using Botanic Blood  
Balm. Will it cure? It certainly  
will. Many, many a former dyspep-  
tic owes his enjoyment of life to B.  
B. R. Give it a trial.  
S. J. Chandler, Richmond, Va.,  
writes: "No one can afford to be  
without B. B. B. who wishes an ap-  
petite. I could scarcely eat a single  
bite of breakfast, but since tak-  
ing B. B. B. I clean the whole table,  
so to speak."

### Some Trout.

A colored man, whose name we  
failed to obtain, was in the city this  
afternoon with a string of four of  
the finest fresh water trout we ever  
saw. They were caught in Black  
River and weighed twenty pounds,  
or an average of five pounds each.

### Personal.

We had a very pleasant call this  
afternoon from Mr. A. D. Ward, a  
prominent attorney at Kenansville,  
Duplin county. He is in the city on  
professional business.

Mr. J. G. W. Tienken, one of our  
young German friends, will leave  
the city to-morrow morning on the  
steamship *Delaware*, for New York,  
where he contemplates engaging in  
business. We regret to have him  
leave us, but hope that he will have  
the best of luck in his new home and  
new venture.

### Last Night's Fire.

The alarm of fire at about half-  
past 8 o'clock last night was occa-  
sioned by the discovery of flames in  
a bedroom of Messrs. S. and B. Sol-  
mon's dwelling on Market, between  
Sixth and Seventh streets. The fire  
was caused by a window curtain  
being ignited from the flame of a gas  
jet, and was extinguished by the  
neighbors with a few buckets of  
water. Little damage was done, and  
that was confined to some of the fur-  
niture of the room. The firemen were  
promptly at the scene, but their  
services were not called into requisition.  
A little child was in the room  
at the time, but fortunately was re-  
scued before the fire reached the bed  
upon which it was lying.

### Serious Accident.

Henry Jones, colored, who has  
been the driver of Mr. A. G. Hank-  
ins' delivery wagon, in attempting  
to get on the midnight Northbound  
train on the Wilmington & Weldon  
Railroad, at Sixth street last night,  
had the misfortune to miss his foot  
hold, and the train ran over and  
crushed his left foot and ankle, nec-  
essitating amputation. It seems  
that Jones had intended to go out  
on that train, and had been to some  
kind of a party in the vicinity of the  
accident, where he remained so long  
he doubted if he would be able to  
reach Front Street Depot in season,  
and would risk catching it at Sixth  
street. After having his injuries  
temporarily attended to, he was  
removed to the City Hospital by the  
railroad authorities for treatment.

### Important Information for Many of You

for business and pleasure travel  
from this city to the Catskill Moun-  
tains, Saratoga and other New York  
State resorts, is by the West Shore

ania Railroad passengers will make  
direct connection with the West  
Shore in Union Depot at Jersey  
City, and commencing about June  
15th drawing room cars are run  
through without change.

### Audit and Finance.

The regular semi-monthly meeting  
of the Board of Audit and Finance  
was held at the City Hall yesterday  
afternoon. Present: R. J. Jones,  
Chairman; J. F. Maunder, W. R.  
Kenan.  
A communication was received  
from the Board of Aldermen, stating  
that the Board at its last meeting  
had appropriated \$750 for the State  
Guard Encampment, at Wrights-  
ville, upon which Mr. Jones offered  
a resolution, which was adopted,  
that the matter be referred to the  
city attorney, asking his written  
opinion as to the legality of the city  
making such an appropriation.  
Bond of Wilmington Gas Light  
Company in the sum of \$1,100, with  
E. S. Martin and Richard J. Jones as  
sureties, for fulfillment of contract  
with the city, was approved.  
Bills for current expenses amount-  
ing to \$41.25, were audited and ap-  
proved.
