His First Visit in 38 Years. Cicero M. He finds but few left whom he knows yet some of our older citizens have recognized him at once. He is a hale, hearty-looking man and is said to be very wealthy. He leaves on his return to Cleveland in a few days.

The score is reported in our neighbor, the *Messenger*, as follows:

Blow Your Nose.

Alas, too often an admonition of a mother to her child. The poor innocent has probably inherited catarrh and is not responsible for its sore and filthy nostrils. Did you know that tender, soft, thin skin lining the nostrils, called the mucous membrane, extends all over the body. Every organ in the system and every orifice at the surface has this thin delicate lining as a protector. So you see what a fix the body is thrown into when the mucous membrane becomes irritated and inflamed by constant friction with poisonous matter in the blood. Catarrh, leucorrhoea and piles result frequently from this condition of affairs. These diseases are mere symptoms of impoverished blood. Now B B B or Botanic Blood Balm, will be enriching the blood cause all such symptoms to disappear. Give it a trial.

Henry Reeves, Shellman, Ga., writes: "Any man or woman who is suffering from piles and will not use Botanic Blood Balm is a fool, and it takes me to tell them so, for I suffered two years with bleeding piles, and B B B relieved me at once."

J. J. Hardy, Toccoa, Ga., writes: "B B B is a quick cure for catarrh. Three bottles cured me. I had been troubled several years."

James W. Lancaster, Hawkinsville, Ga., writes: "My wife was in bad health for eight years. Five doctors and as many or more different patent medicines had done her no good. Six bottles of B B B cured her."

DIED. LOW.—On Wednesday night, 4th inst., in New Orleans, JAS. H. LOW, aged 72 years. His remains will be brought here for interment and notice of funeral will be given.
