DRY GOODS FIRMS—Close Friday afternoons

Warren's Ice Cream Parlor open till 10 p. m.

The city has received 1,100 feet of new hose for the use of the Fire Department.

Rubber Hose, Lawn Mowers and Rakes of the latest and most improved makes are sold by the N. Jacobi Hdw. Co.

St. Andrew's Presbyterian Sunday School made an excursion to Lake Waccamaw to day which was largely attended.

WANTED!—50 good and experienced hands, to work on shirts. Apply at the Wilmington Shirt Factory, 122 Market street.

Rev. J. W. Primrose, of St. Andrew's Presbyterian Church, has had the degree of Doctor of Divinity conferred upon him.

Keep dry, and you will keep healthy. Umbrellas, rubber coats, &c., at I. Shrier's, S. E. corner Front and Princess streets.

There will be a meeting at Pythian Castle Hall to night, to consider the Uniform Rank question. A full attendance is desirable.

I am Manufacturer's Agent for Barbed and all kinds of Wire, Combination Wire and Iron Fences. Orders solicited. James I. Metts.

This has been a good day for milk shakes, soda water, ice cream and other cool and refreshing delicacies for heated, parched and thirsty humanity.

The thermometer in our office indicated 86 degrees at 3 o'clock this afternoon—two degrees hotter than it was yesterday at the corresponding period.

The mutilated appearance of the box sheet at Mr. C. W. Yates' bookstore, indicates a large audience to listen to Rev. Thomas Dixon's lecture to-morrow night.

With "Regal" Paint on your house and "Plastico" on your walls, your house will be beautiful and your family happy. Sold by the N. Jacobi Hdw. Co., factory agents.

The excursion of Wilmington Steam Fire Engine Co. No. 1, which by a typographical error was announced to take place on the 20th inst., will be on Friday, the 27th inst.

Workmen are engaged in building a staging around the New Hanover Bank building for the accommodation of the painters, who will soon put a good coat of paint on that structure.

There will be an ice cream festival to night at the residence of Rev. W. S. Creasy, corner Second and Walnut streets, for the benefit of the building fund of Grace M. E. Church. Admission 5 cents.

New Push and Pull Blind Hinges. Locks the blind when opened or closed. Saves labor and cost of putting on inside fastenings, which are not needed with these hinges. Carpenters, it will pay you to examine and use same. N. Jacobi Hdw. Co.

Persons desiring to secure reserved seats for Rev. Thomas Dixon's lecture at the Opera House to-morrow night should select them before one o'clock to-morrow afternoon, as the stores will be closed at that hour for the regular half-holiday to clerks and employees.

Capt. W. E. Younts, of Pineville, Mecklenburg county, Quartermaster of the Fourth Regiment, N. C. S. G., is in the city to make necessary arrangements for the new encampment. He says that the Fourth will come down with full ranks and will make a fine appearance.

The excursion to Ocean View and the Hammocks of Brooklyn Sunday School yesterday, was well attended and the party had an enjoyable time. The pastor of the church, Rev. E. E. Peela, was with the party. He is deservedly much beloved by his congregation and yesterday, we learn, he had rather embarrassing testimony of the love of some outside of his church.

Hood's Sarsaparilla possesses curative powers exclusively its own, and which make it "popular to itself." Be sure to get Hood's.

Pedestrians were not seen much on the streets this afternoon. It was too hot for out-door exercise and all who could remain at home did so.

Representative Bankhead, of Alabama, has reported a bill from the committee on public buildings and grounds, increasing to \$350,000 the limit of the cost of the public building in this city.

The First Baptist Church, of this city, are making arrangements to establish a Mission Church at North West, Columbus county, a small station on the Carolina Central R. R., about twelve miles from this city.

This will prove what might fairly be called an "excursion week," as there has been one every day thus far this week, and on some days—to-day, for instance—there have been two. Others are announced to make up the remainder of the week.

The Germania Cornet Band will leave here on the *Sylvan Grove* at 5 o'clock to-morrow afternoon, for Carolina Beach, where they will give their first concert for this season to-morrow night. It is expected that quite a crowd of our musically inclined people will accompany the band.

The music festival at Charlotte will begin to-morrow and continue until Saturday night. Why it was fixed for such a late day in the week is beyond our ken, but it certainly has made it impossible for many to attend, who had it been earlier in the week would gladly have been present.

The Census Enumerators are busy seeking information for the next census report, and, so far as we have heard, they have no decided difficulty in prosecuting their work in this city. At least no arrests have been made for refusing to answer the questions they are obliged to propound. It is better here than in New York, where such arrests are of daily occurrence.

Messrs. M. M. Katz & Son, Huske & Draper, John J. Hedrick, Brown & Roddick and R. M. McIntire, dry goods merchants of this city, will close their places of business at one o'clock to-morrow afternoon, in order to allow their clerks and employees a half-holiday for rest and recreation, and many of the other merchants will adopt the same liberal policy.

Superintendents of Public Instruction. The annual meeting of County Superintendents of Public Instruction will be held in the Assembly Hall, Morehead City, June 23rd, at 3:30 p. m. The meeting will be an interesting one, as matters of vital importance will be discussed. A large attendance is expected. It is desired that every county be represented in this meeting. Let every superintendent arrange his business so that he can attend.

N. C. State Guard. General Order No. 9, issued by Adjutant General James D. Glenn, June 10th, announces the following changes in the N. C. State Guard, viz: The Sampson Light Infantry, Co. F, Second Regiment, will hereafter be lettered and designated as Company A, Second Regiment, and the Wilson Light Infantry, Company G, Second Regiment, will hereafter be lettered and designated as Company F, Second Regiment.

The Manual of Guard Duty, prepared by Lieut. L. W. V. Kennon, Sixth U. S. Infantry, having been approved by the War Department "for the government of all United States troops in the performance of Guard Duty," the same is hereby prescribed for the use of the North Carolina State Guard.

Paragraphs 74, 89, 105, 145, 122, 125, 133, 143, 163, 177, 183, 190, 199 of the Manual, which contain provisions for the new drill regulations, will be executed in accordance with the tactics in use at present until the former are officially prescribed.

From and after July 1st, 1890, all companies of the State Guard will be required to parade for duty, under orders from the State, in the State Regulation uniform, as prescribed in General Orders No. 2, C. S., and any company parading under such orders in any other than the prescribed dress will not be recognized.

This requirement does not in the least affect the right of the troops to wear a corps dress of their own selection on occasions of parade or ceremony not ordered by the State.

Refreshing and Invigorating
Delicious Soda Water as drawn from Munds Brothers' magnificent new soda fountain at a temperature of 34°. Purest Fruit Syrup, Milk Shakes and Natural Mineral Water.

Tourists.
Whether on pleasure bent or business, should take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches and other forms of sickness. For sale in 50c and \$1.00 bottles by all leading druggists.

Another Car.
A new passenger car, recently ordered for use on the Ocean View Railroad was shipped from the manufacturing on the 6th inst., and its arrival here is now daily expected. It was built at Newburyport, Mass., where the writer of this notice passed many of his younger years "long befo' de wah."

A Large Party.
The excursion of the Sunday School of St. James' Home to Carolina Beach to day, on the *Sylvan Grove*, was so largely attended that the large and commodious steamer was literally packed with old and young of both sexes who were bound for a day of health-giving recreation and innocent amusement. They have had a fine day, although it has been rather hot here in the city, and we trust that they have all enjoyed real pleasure, unalloyed by accident or untoward event.

Death of Mr. Geo. A. Ramsey.
We regret very much to learn of the death of Mr. Geo. A. Ramsey, which occurred yesterday afternoon at his residence in Burgaw. We have no particulars, other than that he had been sick for about two weeks.

Mr. Ramsey was originally from Statesville and removed to Burgaw soon after the incorporation of the town. He was a lawyer by profession, a genial, whole-souled gentleman and a man of fine parts. He was the original projector of the Burgaw & Onslow R. R. and had been an attorney of the W. & W. R. R. Many of the officials and employees of that road will attend the funeral, which takes place this afternoon.

"The Fools."
Rev. Thomas Dixon, Jr., who will lecture on "Backbone" at the Opera House to-morrow night, spoke on "Fools" at Metropolitan Hall, Raleigh, last Tuesday night. He was introduced to the audience by Gov. Fowle. Of his lecture the *State Chronicle* says:

He could not, in the compass of speech, discuss all the fools, and he therefore divided them into the following classes: 1—Original, all Round Fools. 2—Wooden-headed Fools. 3—One-eyed Fools. 4—Crossed-eyed Fools (those who have distorted visions). 5—Fooling Fools—The Fools en masse. 6—Fools for the Fun of It. 7—Mule-Headed Fools. 8—Fools we Love (those who are in love). It was a bright, witty and entertaining lecture. He is a good story teller and illustrated his points with laugh-provoking jokes.

The Power of Money.
What an influence for good or evil is exerted by the proper or improper use of money. It seems to be the first essential of modern life. Sad indeed is the lot of that man or that woman without money and without friends. Especially in cases of sickness is the need of money felt most pressing, and yet even the rich with all their money fall into a state of poor health and die, whereas if their money was rightly expended and the proper remedies applied they might regain health and strength.

Z. A. Clark, Atlanta, Ga., says: "I spent four hundred and eighty dollars in gold to cure me of terrible blood poison that affected my limbs and nose and body, with running ulcers. One month's treatment of B B B healed the ulcers, restored my appetite, strengthened my kidneys and added 21 pounds to my weight."

Still, in spite of this and much other testimony there are many who refuse to try the remedy, seeming to prefer to pay large fees to physicians, or visit distant springs in vain hopes of recovery. The great truth however, ever shines brightly and that is, that no one who ever gave B B B (Potanic Blood Balm) a trial ever found disappointment therein.

O. H. Rudolph, Talladega, Fla., writes: "I had blood disease for six years, but nothing benefited me, although I paid two hundred and fifty dollars for treatment. At last I tried B B B and found it a quick and cheap blood purifier."

Female Weakness Positively Cured.
TO THE EDITOR:
Please inform your readers that I have a positive remedy for the thousand and one ills which arise from deranged female organs. I shall be glad to send two bottles if my remedy FREE to any lady if they will send their Express and P. O. address. Yours respectfully, Dr. J. B. MARCHESE, 183 Genesee St., Utica, N. Y.

A Good Move.
An arrangement is about being made for a telephone wire to connect this city with Switchback station, on the Ocean View Railroad, which will be a great accommodation, not only to the people here, but to those on the Beach in the vicinity of Switchback. The arrangement will probably be perfected and telephone communication with that point established in a short time.

Mass Meeting.
The mass meeting last night at Grace M. E. Church, to make arrangements for the coming meetings to be conducted by Rev. Sam Jones, was largely attended and much enthusiasm and perfect harmony in the deliberations prevailed. The proceedings were opened with religious exercises, conducted by the pastor, Rev. W. S. Creasy, at the conclusion of which Rev. E. D. Swindell was requested to preside, and the meeting was formally opened for the transaction of business. A cordial invitation was extended to members of other denominations to join in the work, and stirring speeches were made by Revs. F. D. Swindell, W. S. Creasy, R. C. Beaman and H. B. Anderson.

An executive committee was appointed to prepare plans and make arrangements for the coming of Sam Jones, as follows: Grace Church—Rev. W. S. Creasy, Roger Moore, Preston Cumming, R. H. Beery, E. P. Covington; Fifth Street Church—Rev. R. C. Beaman, John C. Davis, W. J. Toomer, B. F. King, J. C. Stout; Bladen Street Church—Rev. H. B. Anderson, W. F. Carpenter, John G. Darden, D. J. Joyner, David Sellars; At Large—J. M. Forshee. The chairman of the committee was empowered to appoint additional members from other denominations.

The executive committee met after the benediction had been pronounced by Rev. H. B. Anderson, and organized by electing Rev. F. D. Swindell chairman, and W. J. Toomer secretary, and then adjourned to meet next Monday at 3 p. m. at the rooms of the Y. M. C. A.

It has been determined to build a Tabernacle in which to hold Rev. Sam Jones' meetings, and the committee will proceed to select a site in the most available and convenient locality for its erection, and will also secure plans for the construction of the edifice, which should be large enough to furnish seating capacity for at least 5,000 people, besides having room for the speaker's rostrum and a large choir of singers.
