**Bald Head Channel.**  
Capt. W. H. Bixby, the U. S. En-  
gineer in charge of the government  
works on the river and bar, says  
that "a recent survey of the Bald  
Head Channel at the mouth of the  
Cape Fear River, shows a clear  
channel way of at least 200 feet  
width and at least 16 3-10 feet depth  
at mean low water all the way from  
Southport to the ocean across the  
bars through the new channel. With  
the exception of three short sections,  
the survey shows a depth of 20 feet  
along this new route over the bar.  
This is 24 feet more depth than ex-  
isted in 1884; and the indications  
are that there will be another 2 feet  
additional depth inside of the next  
3 or 4 years."

Measurer—D. MacRae, Jr.  
Marshal—H. McL. Green.  
Regatta Committee—R. N. Sweet,  
M. S. Willard, H. N. Parsley.  
Club House Committee—J. F.  
Gause, Owen Fennell, Jr., and S. P.  
Cowan.

**Hot Springs.**  
Have you ever visited Hot Springs?  
Alas! You meet while there so  
many instances of terrible blood  
poison, evidenced by disfigurement  
of face and form. Hither, rush suf-  
ferers from scrofula, syphilis, ecze-  
ma, salt rheum, ulcers, blemished  
skin, twisted and aching joints, limbs  
made crooked by rheumatism, etc.,  
etc. Some find relief, some do not  
and some a way poor in purse and  
grievously disappointed. It costs  
money to visit and sojourn at Hot  
Springs. The experiment of going  
there cannot be indulged in without  
considerable expense. How thank-  
ful then should every one be to  
know there is a remedy even more  
beneficial in cases of blood poison  
than Hot Springs. We refer to Bot-  
anic Blood Balm (B B B) as to its  
merits thousands will testify.  
Z. T. Hallerion, Macon, Ga., writes:  
"I contracted blood poison. I first  
tried physicians, and then went to  
Hot Springs. I returned home a  
ruined man physically. Nothing  
seemed to do me any good. My  
mother persuaded me to try B B B.  
To my utter astonishment every ul-  
cer quickly healed."  
Jas. L. Bosworth, Atlanta, Ga.,  
says: "Some years ago I contract-  
ed blood poison. I had no appetite,  
my digestion was ruined, rheuma-  
tism drew up my limbs, so I could  
hardly walk, my throat was cauter-  
ized five times. Hot Springs gave  
me no benefit and my life was one  
of torture until I gave B B B a trial,  
and surprising as it may seem, the  
use of five bottles cured me."

**Topsail Township Primary.**  
The primary meeting in Topsail  
township, Pender county, was held  
on Saturday, June 28th. The meet-  
ing was called to order by the chair-  
man of the Township Executive  
Committee, Mr. J. C. Nixon.

On motion of Mr. J. A. King, Mr.  
L. W. Howard was made permanent  
chairman and Dr. L. L. Alexander  
was unanimously elected secretary  
of the meeting.

The following resolutions, offered  
by Mr. R. K. Bryan, Jr., were unani-  
mously adopted:

We, the Democrats of Topsail  
Sound in Convention assembled, be-  
lieving in the freedom of man and  
equality of law, and the great doc-  
trine of special privileges to none;  
recognizing with grave concern for  
the future safety of our free institu-  
tions how far we have departed  
from the just and equal laws of our  
fathers, by the enormous wealth of  
a few millionaires and the wretched  
poverty of the millions of toilers;  
devoted as we are to the maintain-  
ence of those ancient principles;  
sensible as we are to the increasing  
necessity for true and honest and  
capable leaders to carry forward the  
stainless banner of our faith, and  
knowing that we have in our midst  
a leader, true and tried and cap-  
able, who was true to his country  
when war wasted and laid it deso-  
late; to his party when defeat alone  
awaited it; to the people in the dark  
days as well as the bright, and who  
is still true and more than ever deserv-  
ing of our confidence and support,  
be it therefore

Resolved, That we, the people of  
his township, his life time associa-  
tes and friends, have watched the  
Congressional career of Chas. W.  
McClammy with delight and pride;  
that his able opposition to the tax-  
ing of agricultural products and the  
best of millionaire manufacturers,  
as set forth in the minority report  
upon the pure leaf land bill; his stern  
resistance to the newly attempted  
demonetization of silver by the  
despot Reed, and his followers, both  
by vote and speech; his skillful  
speech upon the McKinley Tariff  
Bill with which a continent rang;  
his tribute to the gifted Cox, in  
which he showed himself to be the  
peer of the most eloquent orators  
who laid upon the immortal grave  
their wreathes of immortality; his  
bill to loan money to our toil-  
ing people at the lowest rate of inter-  
est and thus admit them to the exclu-  
sive privileges so long enjoyed by  
the banks and moneyed classes, at  
the same time providing a fund for  
the education of the rising genera-  
tion and furnishing a volume of  
legal tender currency sufficient for  
our business needs, thus giving  
higher values for our products so  
long below the cost of production,  
enabling us to pay our indebtedness  
in money of a value like that in  
which it was created, a measure in  
our judgment unapproached and  
unapproachable by any yet propos-  
ed for our relief; and in fine, whose  
every act consistent with his past  
devotion to the people's welfare and  
power have forever enshrined him  
in our hearts, and we humbly pledge  
him our most grateful support, and  
instruct our delegates from the  
township in both county and Con-  
gressional conventions to vote al-  
ways for Chas. W. McClammy as  
our only choice for Congressman  
from the Third North Carolina Dis-  
trict.

On motion, the following dele-  
gates to the County Convention  
were unanimously elected: R. K.  
Bryan, Jr., J. C. Nixon, W. C. John-  
ston, Andrew Garrison, Jos. W.  
Salisbury, L. H. McClammy and Dr.  
L. L. Alexander.

A motion to instruct delegates to  
vote for E. T. Boykin for Judge was  
unanimously adopted.

A motion to elect a township exe-  
cutive committee was adopted and  
the following gentlemen were elect-  
ed: J. C. Nixon, Peter Batson, An-  
drew Garrison, Newton Salisbury  
Dr. L. L. Alexander.

A motion to have these proceed-  
ings and resolutions published in the  
Wilmington papers and Burgaw  
Herald was unanimously adopted.  
The meeting then adjourned.
