The New York Journal of Commerce plainly outlines the meaning and intent of the proposed Federal election law when it says that "the entire manipulation of the election of members of Congress, and to a great extent of State officials, where these are voted for at the same time as they are in most communities, will be placed in the hands of extreme partisans owing allegiance only to one political organization. and having no connecction with the State or municipal authorities, and to a great extent independent of the people over whom they exercise this control. Their certificate can give to any man of their choice a seat in Congress and maintain him there for a whole term, unless after its organization there should be outside of the holders of these certifificient to expel him and install the

rightful candidate." The campaign in South Carolina is not an edifying one. Senator Wade Hampton was at Aiken last Saturday and was howled down by the Tillmanites. It was a shame and a disgrace to the people of the placky little Palmetto State. There is no more honorable, honest, man-loving and God-fearing soul in the whole State than Wade Hampton, the soldier, the patriot, the statesman. The people who could deride and insult such as he are unworthy the name of men. In war and in peace he has been the ardent, devoted, chivalrous South Carolinian and any howls of derision hurled at him can but rebound on the senseless sneerers. Wade Hampton needs no defense at our hands but we must raise a word in favor of one whom we have always delighted to honor and who deserves nothing less than love and reverence from the people of his own State. The Charleston News and Courier says that "Gen Hampton went to Aiken at the invitation of the Democratic authorities of the county. He is not a candidate for office. He is not running against Tillman-in his speech at Columbia he said distinctly that it would be improper for him to take sides in the present contest in South Carolina. He was in Aiken as the guest of the Democracy, to speak to his people, as he should speak to them, and to warn them of the dangers of division. There was nothing in his speech to offend even the most pronounced supporter of Tillman. Yet he was jeered at and rifliculed and howled down by Tillman's followers. Indeed, Tillman himself insulted Hampton by telling him that he had better get out of this family quarrel." Shame upon the Democratic party if the time has come or shall ever come when Wade Hampton can be ordered off the stump by the slanderer of the State! ## SCROFUL

It is that impurity in the blood, which, accumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, cates and their allies a majority suf- legs, or feet; which developes ulcers in the eves, ears, or pose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

# How Can

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla. "My daughter Mary was afflicted with scrof-

ulous sore neck from the time she was 22 months old till she became six years of age. Lumps formed in her neck, and one of them after growing to the size of a pigeon's egg, became a running sore for over three years. We gave her Hood's Sarsaparilla, when the lump and all indications of scrofula entirely disappeared, and now she seems to be a healthy child." J. S. CARLILE, Nauright, N. J. N. B.
