But few persons who view a passenger train as it goes thundering past have an idea that it represents a cash value of from \$75,000 to \$120, 000, but such is the case. The ordinary express train represents from \$83,000 to \$90,000. The engine and tender are valued at \$10,500; the baggage car, \$1,000; the postal car, \$2,000: the smoking ear, \$5,000: two ordinary passenger cars, \$10,000 each; three palace cars, \$15,000 each; total, \$\$3,000.

The leading Republicans of Geor gia seem to have settled on Gen. James Longstreet as the Republican Gubernatoral candidate in that State if he can be induced to accept. But the Atlanta Constitution says Gen. Longstreet has heard of the discus sion that has been quietly going on Lemon Elixir. among Republicans for some time about asking him to run for Governor, and has already expressed torpid or diseased liver, stomach, himself as being decidedly opposed to having his name mentioned in this connection.

Maine officers say that in spite of all the new ships that have been added to the navy within the past five years the active list is not likely to be enlarged, because for each new ship built an old ship goes out of Elixir and am now a well man. commission. There is some dissatisfaction, too, with the ward room space in most of the new ships. It is a tradition of the United States navy that the commanding officer shall have about as much space on shipboard as the whole ward room mess enjoys, and much to the disappointment of subordinates that tradition has been to a considerable extent preserved in the construction of new ships.

A dispatch from Albany to the New York Tribune says: "Late returns of the vote on the State flower indicate that the rose will receive the plurality of the votes cast. The golden rod ran ahead in the cities, and the reports therefrom were filed promptly. For a month past the country districts have forwarded their returns as it suited their convenience. There are yet quite a number to be heard from. These all give preference to the rose, with but few exceptions, and the exceptions are for a cultivated flower. The plurality for the golden rod, about 15,000, will probably be overcome by that for the rose in the country districts. There are over 100 of these and they will average 200 each for

As the Norwegian Government has requested the National Assem bly to add 280,000 francs to the private subscriptions in behalf of Dr. Nansan's proposed Artic expedition there is little doubt that next February will see him started by way of Behring Sea on his quest for the North Pole.
