The excursionists from Winston left for their homes this morning.

An excursion party will arrive here at 6 o'clock to-night from Raleigh, not to return until to-morrow night.

The peculiar enervating effect of summer weather is driven off by Hood's Sarsaparilla, which "makes the weak strong."

Brig. Mary E. Pennell, Willey, cleared to-day for Greytown, C. A., with 188,652 feet of creosoted lumber, valued at \$4,102.64, shipped by the Carolina Oil & Creosote Co.

Our streets have had a lively appearance to-day, partly in consequence of the arrival of so many excursionists, and partly because our people of the fair sex have been out in unusual force.

Grapes begin to come in plentifully and the hulls are thrown upon the sidewalk with a recklessness entirely regardless of the sad consequences that may result or the direct violation of the city ordinances in relation thereto.

Joseph Ramsden, who died early yesterday morning at the City Hospital, from the alleged consequences resulting from a fight with John Koch, was buried last night by the Knights of Pythias, of which organization he was a member.

The members of the new musical organization met at the City Hall last night, but the business for the present will be kept from the public eye and ear. It was decided, however, that the name of the organization should be the "North State Cornet Band." It will consist of twenty pieces.

A few of the large number of our citizens who have spent the hot months at the different fashionable watering places and mountain resorts, have returned, and others will soon do the same, so that by the first of October we may expect to see their familiar faces on our streets and in the different churches as of old.

The Excursionists.
An excursion party—one of the largest of the season—arrived here this forenoon from Goldsboro and intermediate points. It took twelve passenger coaches to accommodate the large number, all of whom were white people. During the day a large part of the excursionists remained in the city, calling upon friends and acquaintances, while not a few took the occasion to visit Ocean View and enjoy the fun of bathing in the surf. They will leave for home at half-past 8 o'clock to-night.

An Important Meeting.
At the late meeting of the Board of Missions of the M. E. Church, South, it was agreed to hold their next annual meeting, which will be in May next, in this city. This action resulted from the efforts of Rev. F. D. Swindell, Presiding Elder of Wilmington District, who is a member of the Board. There are forty-one members constituting the Board, including the officers and bishops. It is expected that the occasion will cause ten of the bishops besides a large number of clergy of the M. E. Church South, to come here and participate in the proceedings.

A Safe Remedy.
When a person is sick they wish more than aught else a restoration of health. They are willing to take even nauseous medicine in order to get well. With many, however, a first consideration is whether the medicine is perfectly safe. Will it or will it not leave any evil after-effects? Now, there is one remedy known to be certainly safe. It is a botanical discovery, and it is called Botanic Blood Balm, or B B B. It will not harm the most delicate constitution, nor will a discontinuance cause a craving for its further use. It is a sure antidote for poison in the blood. The blood becomes poisoned in various ways. Constipation, urinary difficulties and other causes of effete matter remaining in the system will cause blood impurity, or blood poison, as many call it. Symptoms of blood poison should not be neglected. B B B should be taken at once. It will cure promptly, and is not bad to take, nor will it leave any evil after-effects.

For Contempt of Court.
Upon the announcement, yesterday morning, of the death of Mr. Joseph Ramsden, Mr. Stacey VanAmringe, Clerk of the Superior Court, delegated Mr. J. E. Lippitt as a special agent to go to Wrightsville and take charge of the effects of the deceased until an administrator could be appointed. On his arrival at Wrightsville, Mr. Lippitt found two white men—Ben. Watson and John Sheehan—in possession; that they had locked the doors and taken Ramsden's trunk to the depot and refused absolutely to turn over the property. Mr. Lippitt immediately returned to the city and reported the condition of things, when Mr. VanAmringe appointed Mr. Sol Bear administrator and the later went at once to the Sound, whence he telegraphed Clerk VanAmringe that Watson and Sheehan were still in possession of Ramsden's

Personal.
Hon. James Wilson will leave on to-morrow morning's Northern bound train for New York and Saratoga Springs. He will pass the winter in New York city.

Forecasts.
For North Carolina, local showers and cooler.
Local forecasts from 8 a. m. to day, for Wilmington and vicinity, fair, followed by local showers and slightly cooler.

To Dispel Colds,
Headaches and Fevers, to cleanse the system effectually, yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, use Syrup of Figs.

Nothing But the Truth.
In the last *Biblical Recorder*, Rev. Dr. Hufham, of Scotland Neck, pays the following just tribute to Rev. R. E. Peele, of Brooklyn Baptist church in this city:

"Rev. R. E. Peele has been with me and preached two Sundays to the great joy of the pastor and the people. If there is a more striking and attractive preacher among our younger men I have not heard him."

The Habeas Corpus Case.
The Criminal Court met again at the appointed hour this morning to hear arguments in the habeas corpus case of John Koch, but was continued until 10 o'clock to-morrow morning to await the finding of the jury of inquest, which had not concluded its investigation at the time of the recess taken by the court.

The jury of inquest was held this forenoon, and after an exhaustive investigation of the matter, returned as their verdict, that the deceased, Joseph Ramsden, came to his death in consequence of a blow upon the head inflicted by John Koch.

The jury consisted of L. G. Cherry, R. B. Register, S. A. Craig, T. M. Simmons, David Bryan and Stephen Williams.

As Good as New.
The well known steam tug Blanche, which was burned several months since, so far as her wood work was concerned, has been thoroughly overhauled, repaired, repainted and in many respects greatly improved, and came up to the city to-day, preparatory to being again placed on the line for towing vessels to and from the ocean. As she has an iron hull that part of her structure was not injured materially by the fire. All her upper works, however, which were of wood, have been made new from the best of material and in the most workman-like manner under the immediate supervision of Capt. T. Harper, her owner. All the work is completed with what is known as "car finish," and she is painted red with black trimmings. The wheelhouse is of pine, oak and juniper, and she has been supplied with "Snelling's" patent steering apparatus." All her iron steam pipes have been removed and pipes of brass and copper substituted. The work has all been done by Wilmington artisans and she is a beauty from stem to stern. The following are the officers of the Blanche:
Captain—T. Jacobs, of Southport.
Mate—Jesse Price, of Southport.
Engineer—J. S. Room, of Baltimore.
Fireman—Jos. Swain, of Southport.

Mr. VanAmringe was at Wrightsville last night, and seeing the parties, told them what the consequences would be if they persisted in their refusal to obey the law, to which Watson and Sheehan claim to have a written note from Ramsden to take charge of his effects at Wrightsville, and it is also stated that he had other property and a short time ago had several hundred dollars in money.

This morning a warrant for the arrest of Watson was served on him and he was brought to the city in custody of an officer. At the hearing he was adjudged guilty, and fined \$250 and sentenced to imprisonment in the county jail for contempt of court.
