Hot Bed Sash and Glass for sale by the N. Jacobi Hdw. Co.

Col. John J. Hedrick returned to the city last night from a visit to the Northern markets.

Beginning with Sunday, Oct. 19th, there will be services in St. James' Home every Sunday night at 7.30 o'clock.

Mr. Harry C. James, of Biloxi, Miss., is here on a short business trip, the guest of his uncle, Mr. Jno. S. James.

Visitors to our city should certainly not fail to call on the N. Jacobi Hdw. Co. for anything wanting in their line.

Use Regal Ready-mixed Paint, and have no other, if you want a good, durable article; for sale by the N. Jacobi Hdw. Co.

I am Manufacturer's Agent for Barbed and all kinds of Wire, Combination Wire and Iron Fences. Orders solicited. James I. Metts.

Steamship Pawnee arrived here from New York yesterday morning, discharged, took on cargo and sailed at 2 o'clock to-day. Quick work.

"Oh speak, ye ghosts of the dead, and say what killed you?" The answer came, borne on the fierce east wind: "Cold! cold! cold!" Then let us be thankful that since then we have Dr. Bull's Cough Syrup.

We have in stock an immense variety of Cook Stoves, all styles and sizes. Prices away down and Stoves guaranteed to give satisfaction. N. Jacobi Hdw. Co.

Schr. Timothy Field, Stratton, cleared to-day for Cape Hayti, with 172,504 ft lumber and 20,000 shingles, valued at \$3,113.79, shipped by Mr. E. Kidder's Son.

A large line of Breech and Muzzle-loading Shot Guns, Air Rifles and Pistols; all grades at lowest prices. Wood Powder and sportsmen's supplies just received. N. Jacobi Hdw. Co.

Mr. Thos. H. Johnson, so well known here to all our people, has leased stall No. 6 in Front Street Market and will hereafter keep on hand there the best native and imported meats. See ad. in this issue.

You can pull the blankets up about your ears to night and thank God that you have got them (the blankets) to pull, despite the McKinley steal clad bill. There will be frost in the West to-night and it will be cold enough for hot whiskeys.

Capt. Edgar Williams' steam pump did some very effective work on the Easton. Only the deck houses were burned and the hull and machinery seem uninjured. A large part of the wheel house is still standing and is visible from this side of the river.

"Into all lives some rain must fall" and the rainiest day a newspaper reporter can ever encounter is that on which he can't find any news, although he scours the city with a search light. It has been wet weather to-day for the new gatherers.

There is a gentleman now living in this city who says that with the exception of twelve or thirteen, every house in Wilmington has been built since his recollection. And yet Wilmington was settled in the year 1730. The gentleman alluded to was born in New Hanover county.

Capt. W. H. Bixby, U. S. Engineer officer in charge of this department, has returned to the city. Capt. Bixby has not yet entirely recovered from the effects of his recent severe sickness but has considered himself well enough advanced on the road to recovery to return to his office here.

Prevents tendency to wrinkles or ageing of the skin. Prevents withering of the skin or drying up of the flesh. Nature's wonder for preserving youth and freshness. \$1.00, 1/2 doz bottles, at druggists.

Physicians' prescriptions have failed to reach many cases of rheumatism known to have been subsequently cured by Salvation Oil. That is the reason why the popular voice is practically unanimous in its favor. One bottle is usually sufficient.

For North Carolina, colder and fair weather and frost in the western portion to-night.

Local forecasts from 8 a. m. to-day, for Wilmington and vicinity, fair weather and colder to-night.

Confirmation and Communion. In St. Paul's Evangelical Lutheran Church there will be special services on next Sunday. The Holy Communion will be administered in English at 11 a. m.; in Danish at 1.30 p. m.; in German at 8 p. m. Confirmation will also take place in the English and German services.

Syrup of Figs. Produced from the laxative and nutritious juice of California figs, combined with the medicinal virtues of plants known to be most beneficial to the human system, acts gently, on the kidneys, liver and bowels, effectually cleansing the system, dispelling colds and headaches, and curing habitual constipation.

Married at Southport. Mr. C. G. Hewlett was married at Southport yesterday, by Rev. Mr. Ashby, to Miss Ida Brinkman, one of the most beautiful and charming young ladies of the "Bay City." Mr. Hewlett went down on the Passport in the morning and returned with his bride in the afternoon. The young couple have gone quietly to housekeeping here. It might be said that the Passport left this port, for Southport, to import a charming young lady into the State of Matrimony. At least this is the report.

Fish Market Demoralized. The fish market has been completely demoralized of late. Dealers complain that not near enough are received here to fill their orders. They cannot get the fish and their inability to do so is injuring Wilmington as a market. They looked for relief this Fall through the W. O. & E. C. R. R. but somehow the Ouslow people have not yet utilized the advantages offered by that road, probably because it has not yet penetrated far enough. But whatever may be the cause the fact remains that fish are scarce and orders cannot be filled. And it is the same way in regard to oysters. The demand is already heavy for the season and the supply thus far has been lighter than for years past. Good crops on land seem to have rendered the people on the coast indifferent to the crops which await gathering in the water. Fish and oysters are both needed. Bring them along and get good prices for both.

Something of a Sighlone. A cyclone passed through Robeson county late yesterday afternoon going from South to North. It originated in South Carolina and crossed the Carolina Central Railroad, four miles West of Maxton. It seemed to make a jump entirely over that road, rising in the air as it approached and coming down to the woods again, near Floral College, after it had passed. It seems to have passed just west of Maxton about 4 o'clock in the afternoon; its direction was nearly north. Fortunately its track was not wide. At Floral College, the belfry of the Presbyterian Church was demolished, the beautiful grove was ruined, a house occupied by colored people was blown down and three colored children were injured—one seriously, if not fatally. McKinnon's saw mill was demolished; and one man there was seriously injured.

At Hasty, a small town on the Cape Fear & Yadkin Railroad, about eight miles from Maxton and twelve miles from Bennettsville, S. C., four tenement houses occupied by colored people were blown down and one colored man is reported killed and several persons injured. Trees and fences in the track of the storm were levelled with the ground.

Bucklen's Arnica Salve. The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per tin.

Robt. R. Bellamy, Wholesale and Retail Druggist.

## The G. C. & N.

Capt. John A. Dobson, Supt. of the G. C. & N. road, was in Charlotte on Tuesday and was seen by a News reporter. Capt. Dobson says that fine progress is being made towards Atlanta and that the G. C. & N. will be running trains there by contract time, if not before. A big railroad celebration is to be held at Abbeville, S. C., on November 6th, and a big party of merchants and business men will be there.

## My Friends—A Word With You.

Do you know that every man who desires to vote at this election must register anew? Even if you have registered and voted before, you must register again under the new election law to vote this year.

Do you want the Republicans to carry the election and have your neighbors arrested and put in jail as in 1868-69? If not, register and vote the Democratic ticket.

Do you wish the negro to get control of your country and State? If not, register and vote for the Democratic nominees.

Do you not know that every negro in the State will register and vote? Then so must every white man.

Do you want negro Yankee soldiers with drawn bayonets to meet you at the polls and dictate to you how to vote? If not, be sure your name is on the registration books, and do not fail to vote the straight Democratic ticket.

You can't register after Oct. 24th—so register at once. Don't say you have not time—take time—your happiness depends upon it; the good name and prosperity of your State depend on it; honest government and white man's control depend on it. Don't wait. Delay may cost the defeat of the party.

Ed. Chambers Smith, Chm'n. Dem. State Ex. Com.
