Don't!—If a dealer offers you a bottle of Dr. Bull's Cough Syrup without wrapper or labels, or in a mutilated condition, don't touch it—don't buy it at any price, there is something wrong—it may be a dangerous or worthless counterfeit. Insist upon getting a perfect, unbroken, genuine package.

**Given Us the Go-By.**  
The storm which was central in the lower Mississippi valley on Sunday has passed us and gone up into the lake regions, to which it has moved with increased energy. This morning it was central off the coast of Maine. The remarkable rapidity with which it moved was due to a high pressure on each side. This storm was slightly felt here last night when the maximum velocity of the wind was 24 miles an hour.

**Demorest's for December.**  
"A Merry Christmas" is the cheering greeting shining from every page of that ideal monthly, Demorest's Family Magazine, the December number of which—a real, genuine holiday number—is just at hand. "Lighting the Way for Santa Claus" is the very appropriate introductory watercolor and the page engravings that follow "Raphael Painting the Virgin and Child," is from a noted painting. Besides these, there are some two hundred and fifty other handsome illustrations, for this representative Family Magazine is noted for the quantity and quality of its pictures.

"In the Streets of Paris" is a profusely illustrated article, in reading which one is in fancy transported to that charming city; and if one prefers to visit nearer home, the description and exquisite pictures of the Washington residence of Senator Sawyer, of Wisconsin, affords a revelation of beauty. There are splendid stories and poems, and every department is brimful of good things. "Sanitarium" treats of that sad affliction "Obesity," and the common-sense treatment recommended is bound to be efficacious; and "Our Girls" will be delighted with the comedieta in their special department. This splendid magazine is only \$2 a year. It is published by W. Jennings Demorest, 15 East 14th street, New York.

**How's Your Liver?**  
Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmonds Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy. NEVER BEEN DISAPPOINTED.

As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the stomach and bowels.  
W. J. McLENNON, Mason, Ga.
