Judge Farrar had a fine large house last night and met with a most hearty reception. He delighted and charmed everybody. He will talk about "Johnny Reb" to-night, a subject with which he is thoroughly conversant, as he "was there" himself and the W. L. I. will attend in full uniform.

The report referred to by us yesterday relative to the grand jury of the U. S. Circuit Court at Raleigh having found a true bill against our county board of canvassers was true, after all. It was a contemptible piece of business and it will not amount to anything. It may prove a powerful boomerang, however.

The first official act of Mr. John Haar, the new Democratic Register of Deeds, was to issue a marriage license this morning. It was made out to Mr. R. A. Biddle, a solid young Democrat, who has been waiting for its issue by a Democratic Register before going into the matrimonial business.

Death Loves a Shining Mark.
Very sad indeed was the news this morning of the death of Mr. John E. Grant, one of the most courteous, popular and esteemed young men resident in this city. He died at his residence on Seventh, between Princess and Chestnut streets, between 4 and 5 o'clock this morning, of a congestive chill. He had been sick and confined to the house for about ten days but no one had an idea that death was so dangerously near. Mr. Grant was only 28 years of age. He leaves a wife and a child to mourn their irreparable loss.
Mr. Grant was a member of Cape Fear Lodge No. 2, I. O. O. F., of Clarendon Lodge No. 3, K. of P., and of Wilmington Steam Fire Engine Co. N. 1 and will be escorted to the grave by the members of these orders. He was also one of the officers of Fifth Street M. E. Church, of which he was a member, and leader of the choir in that Church.

Another Old Confederate Gone.
Another old Confederate soldier has crossed over the river to rest under the green trees on its further bank. Mr. Thomas Edens, a well known and prosperous farmer of this section, died yesterday afternoon and will be interred this afternoon at Greenville Sound. He was a gallant Confederate soldier, a member of Co. D. of the brave old Third N. C. Infantry.

"Johnnie Reb."
Judge F. K. Farrar, the well known lecturer, has been induced to stay over a day longer and give his "Johnnie Reb" lecture entire to-night for the benefit of the "Happy Band of the Kings Daughters." They are very liberal in their terms, putting prices down to the bottom, and making special provision for their Sister Bands of the "King's Daughters," besides securing for our people the most famous of all Judge Farrar's lectures, and their efforts ought certainly to be appreciated, and doubtless will be.

Prohibition, Preaching and Politics.
A correspondent at Burgaw writes to tell us of the prohibition movement lately inaugurated in that live and progressive town. The movement is preliminary to an appeal to the legislature to prohibit the sale of liquor there. A public prohibition meeting was held at the Court House on Thanksgiving night, which was organized by calling Mr. Jas. H. Moore to the chair and Mr. J. T. Collins as secretary. Strong resolutions were adopted at this meeting and petitions are now in the hands of the ladies who propose that everybody shall sign them.
On Sunday last Rev. B. F. Marable preached at the Presbyterian church and he preached a powerful, eloquent and argumentative sermon from Job 21-7.

Yesterday was "County Commissioners' Day." The new Board, Messrs. J. T. Foy, chairman, H. A. Bland and Casper Moore dropped in just as the old Board, Messrs. J. T. Foy, chairman, H. A. Bland and Casper Moore dropped out.
The new county officers presented themselves and bonds as follows:
E. M. Johnston, sheriff, bond with Daniel L. Russell, S. H. Manning, Jas. H. Chadbourn, D. J. Corbett, George Corbett and Frank P. Flynn as sureties, which was accepted. Sureties on the bonds of John B. Moore, Clerk of the Superior Court, and J. P. Stringfield, Register of Deeds, were approved and bonds accepted.

Board of Aldermen.
The Board of Aldermen met last night in regular monthly session, Mayor pro tem. Post presiding.

Alderman Smith called the attention of the Board to the question whether there was a quorum present at the last meeting and whether the action of that meeting would be valid.

The chair suggested that in the matter of the adoption of the sewer ordinance at the last meeting that some member move to ratify the action of the Board at the meeting.

Alderman Hicks moved that the action of the Board be ratified, and the motion was adopted.

Mr. A. L. Scott was, on motion of Alderman Craft, elected Alderman from the First Ward, to succeed Alderman Morton, resigned.

The Board then ratified the previous action of the special meeting in electing Mr. Jas. F. Post, Jr., Mayor pro tem.

Dr. Potter's report for the month of November, showing the actual number of deaths during the month to be 38, was read and ordered on file.

The report of the Chief of the Fire Department, Mr. Martin Newman, was read, showing three fires during the month with an aggregate loss of \$1,000, covered by insurance.

The ordinance regulating the street railway was brought up and after discussion again postponed to the next meeting.

A communication was received from the Board of Audit and Finance, giving notification that they concurred in the appropriation of \$1,500 for making plans, etc., for a general sewerage system.

Sundry merchants petitioned for the suppression of drumming of strangers arriving in the city. Referred to Committee on Ordinances.

A petition was presented from persons owning property on the west side of the river, setting forth that there was \$200,000 worth of property there without adequate protection from fire, and asking that 150 feet of hose be furnished the steam tug Marie, and that the city provide a lighter to be stationed at the foot of Market street from 7 p. m. to 7 a. m. every day, to be used for the transfer of a fire engine to the west side of the river in case of fire; also, asking that a fire alarm box be placed on that side of the river.

After discussion, on motion of Alderman Smith, an appropriation of \$150 was made for the purchase of hose, and the other matters were deferred until the next meeting.

A communication from John C. Chase, city engineer, in regard to fences and walls encroaching on the streets, was referred to the Street and Wharves Committee.

D. L. Russell, Jr., and Capt. Doane, of the revenue cutter Colfax, and others, asked relief from the nuisance of rafts obstructing wharves from Market street dock to Princess street dock. Referred to Street and Wharves Committee.

Alderman Hicks called attention to the fact that a horse was accidentally killed at the foot of Princess street and was turned adrift in the river a few days since, and asked that the matter be investigated. It was referred to the Sanitary Committee.

The sewerage matter was again brought up by Alderman Smith, on the petition of Mr. R. J. Jones, representing the Wilmington Sewer Co., asking that the Board grant subscribers, to the number of 28 or 30, the privilege of making connection with the sewer on Princess street.

After discussion the privilege was granted; and the same privilege was extended to Mr. Henry Savage to complete a sewer running from his residence on Third street to the river.

The Board then adjourned to meet Friday afternoon at 4 o'clock.
