Terry has resigned his position on  
the police force, at the request of  
the police committee.

The streets were deserted this af-

that Mrs. Matthewman will sue the  
city of Wilmington for \$50,000 dam-  
ages for the death of her husband.

The Florence people had a nice  
time yesterday catching fish at the  
Hammocks. The skipjack did bite,  
and no mistake, and it was fun to  
see our country cousins haul them  
in.

At the first indication of disorder  
the deranged or enfeebled condition  
of the stomach, liver, or bowels,  
should be promptly rectified by  
Ayer's Cathartic Pills. These Pills  
do not gripe, are perfectly safe to  
take, and remove all tendency to  
liver and bowel complaints.

An enormous crowd went to the  
Hammocks and Wrightsville Beach  
to-day to attend the policemen's  
excursion. The estimate is that  
2,000 people went out from the city  
up to 4 o'clock to-day. Capt. Nolan  
and his people have had their hands  
full.

day a letter from the Secretary of  
the Board of Medical Examiners, at

ing passed the best examination.

Mrs. Laura Hart, Beaufort, S. C.,  
writes: "A loathsome form of blood  
poison was killing me. My appetite  
was lost, my bones ached, and parts  
of my flesh seemed as if it would  
come off my bones. A friend brought  
me a bottle of B. B. B. The sores  
began healing at once, and when I  
had taken two bottles I surprised  
my friends at my rapid recovery."

**The Old Third.**  
The annual reunion of Co. K,  
Third N. C. Infantry, was held yester-  
day at Dr. R. T. Sanders' resi-  
dence, a few miles east of Burgaw.  
Co. K was Capt. Williams' company.  
It was formed in the Helly Shelter  
section in 1861 and did splendid ser-  
vice with its historical regiment.  
There are not many survivors left  
to-day but those who are alive form  
the nucleus for a reunion every sum-  
mer. Mr. Bruce Williams delivered  
the address yesterday. The attend-  
ance was very large and a delightful  
repast was spread by the ladies.

**Reported Newspaper Deal.**  
It is reported that Maj. P. F. Duf-  
fy, who has done the editorial work  
on the *Wilmington Star* for two  
years past, is to take charge of the  
*Progressive Farmer*, the Alliance or-  
gan at Raleigh, about the first of  
July. If that is the case, the *Star*  
will lose a tireless worker and an  
able, pungent and witty writer,  
while the *Progressive Farmer* will  
gain an editor such as it never be-  
fore knew. The report has gained  
a great deal of currency and as it  
has not been denied we presume  
that it must be true. We shall  
greatly regret to see Maj. Duffy  
leave Wilmington.

**Important to All.**  
The most general complaint that  
seems to spare neither class nor  
condition of person, is seated in the  
liver. Many with woe-begone coun-  
tenances, despondent spirits and  
depressed feelings, exaggerate every  
event until even suicide has been  
known to result from this morbid  
condition of body and mind, yet  
Simmons' Liver Regulator is known  
to be a specific for affections of the  
Liver, Spleen and Kidneys. Unlike  
most preparations it fully meets the  
wants of the patient whose liver or  
stomach is disorganized and soon  
restores the enfeebled and spiritless  
dyspeptic sufferer, to a more hope-  
ful condition of life than he could  
otherwise hope to attain.

**How's Your Liver?**  
Is the Oriental salutation,  
knowing that good health  
cannot exist without a  
healthy Liver. When the  
Liver is torpid the Bow-  
els are sluggish and con-  
stipated, the food lies  
in the stomach undig-  
ested, poisoning the  
blood; frequent headache  
ensues; a feeling of lassi-  
tude, despondency and  
nervousness indicate how  
the whole system is de-  
ranged. Simmons' Liver  
Regulator has been the  
means of restoring more  
people to health and  
happiness by giving them  
a healthy Liver than any  
agency known on earth.  
It acts with extraor-  
dinary power and efficiency.  
NEVER BEEN DISAPPOINTED.

As a general remedy for dyspepsia,  
Torpid Liver, Constipation, etc., I have never  
used anything else, and have never been  
disappointed in the result. It is  
almost a perfect cure for all diseases of  
the Stomach and Bowels.  
W. J. McLELLAN, Druggist.

showers and slightly warmer weath-  
er.

**To Dispel Colds.**  
Headaches and Fevers, to cleanse  
the system effectually, get gently  
when costive or bilious, or when the  
blood is impure or sluggish, to per-  
manently cure habitual constipa-  
tion, to awaken the kidneys and  
liver to a healthy activity, without  
irritating or weakening them, use  
Syrup of Figs.

**Double Quick Time.**  
A gentleman of our acquaintance  
who wanted to go to Carolina Beach  
yesterday afternoon entered the  
Purcell dining room and told the  
waiter that he had but very little  
time to spare and to bring him his  
dinner as quick as he could. He  
then took an orange to eat while  
waiting and had made but three  
cuts in it when his dinner was be-  
fore him. He stuffed the orange in  
his pocket, ate his dinner and was  
on the boat in 12 minutes from the  
time he took his seat at the table.  
Pretty quick time all around.

**The Police Brotherhood.**  
The Police Brotherhood of North  
Carolina met in annual session last  
night in Temperance Hall.  
In the absence of the President,  
J. W. Bradford, of Winston, Sheriff  
Markham, of Durham, was request-  
ed to take the chair.  
The secretary, Mr. J. A. Woodall,  
Chief of Police of Durham, submitted  
his report.  
Considerable business was trans-  
acted and several changes were  
made in the Constitution.  
Officers for the ensuing year were  
elected as follows:  
President—G. W. Gafford.  
Secretary and Treasurer—Jas. M.  
McGowan.  
Executive Committee—E. D. Hall,  
F. T. Skipper, S. J. Bryan.  
Investigating Committee—R. M.  
Capps, H. M. Howell, J. R. Sneeden.  
The name of the Association was  
changed from "Police Brother-  
hood" to "The Officers Mutual Ben-  
efit and Aid Association of North  
Carolina."  
The association adjourned to meet  
in Durham, May 2nd, 1892.

**The Mythological Fates.**  
"Somewhere upon the unknown  
shore,  
Where the streams of life their wa-  
ters pour,  
Thers sit three sisters, evermore  
Weaving a silken thread."  
Lovers of classic paintings are fa-  
miliar with that famous group, call-  
ed the "Three Fates." Fate seems  
cruel when it deprives women and  
girls of health. But in Dr. Pierce's  
Favorite Prescription they find a  
cure of untold value for nervous  
prostration, sick headache, bearing-  
down pains, beating, weak stom-  
ach, anæmia, retroversion, and  
all those excruciating complaints  
that make their lives miserable. All  
who use it praise it. It contains no  
hurtful ingredients, and is guaranteed  
to give satisfaction in every case, or  
its price (\$1.00) will be refunded.

**County Commissioners.**  
At the meeting of the Board of  
County Commissioners at the Court  
House yesterday, designs were re-  
ceived for the new Court House, to  
be erected on the corner of Third  
and Princess streets. The total cost  
is estimated at about \$50,000.  
After considering the plans the  
one offered by Mr. A. S. Eichberg,  
of Savannah, was accepted, and he  
was authorized to prepare the plans  
and specifications and to submit  
them to the Board of Magistrates of  
this county for approval.  
The building is to be two stories  
high, built of pressed brick and  
stone trimmings, and fronting on  
Third street. In the middle of the  
Third street front will be a tower  
110 feet high through which will be  
the main entrance of the building,  
and the side entrance will be through  
a smaller tower on Princess street.  
There will also be other towers at  
other parts of the building. There  
will be a slate roof and galvanized  
cornices, the corridors will be floored  
with marble, and the walls cov-  
ered with marble slabs, and as little  
wood as necessary will be used so  
that the whole building will be prac-  
tically fire proof.  
On the first floor corridors will  
cross the building. It will contain  
the office of the Superior Court  
Clerk, with large fire proof vaults  
adjoining office of Register of Deeds,  
with fire proof vault; a general office  
and private office for the Sheriff, a  
large room or office for the County  
Commissioners, and an equally  
large one for the grand jury—located  
in a cool and retired part of  
the building. There will be also on this  
floor an office for the Clerk of the  
Criminal Court, and an office for the  
Standard Keeper. The corridors  
will be floored with marble tiles and  
the walls wainscotted with polished  
marble slabs.  
The stairway on the second floor  
will be very imposing; they will start  
with a double flight on each side of  
the main corridor.  
On the second floor will be the  
Court room, with high pitch, well  
lighted and ventilated, and with  
ample accommodation for the mem-  
bers of the Bar and for spectators.  
There will be two large petit jury  
rooms, cut off from all the rest of  
the building and accessible only  
from the Court room.  
On this floor, also, will be the  
Judge's office, Solicitor's office, and  
a room for lady witnesses. There  
will be a private passage way to the  
jail, and a separate stairway for  
prisoners to be conveyed to and  
from the Court room.  
The whole interior of the build-  
ing will be elaborately finished and  
decorated. It will be amply lighted  
with large wide windows, each story  
very high, and ample provision  
in the way of toilet rooms and lava-  
toirs.  
There will be a roomy veranda on  
the first floor on the south side.  
**LEAURELLE OIL.**  
Prevents tendency to wrinkles or  
ageing of the skin. Prevents with-  
ering of the skin or drying up of the  
flesh. Nature's wonder for preserv-  
ing youth and freshness. \$1.00, large  
bottles, at druggists.
