The Faculties, for intellectual abilities, moral worth and professional acquirements, will compare favorably with the most distinguished in our country. The medical faculty constitutes an anomaly in this or any other country-all of them are able lecturers and the best of teachers.

Those who will contemplate our geographical position, and the extent of our population, can have no doubt as to the eli-

ibility of our situation for an enterprise of the kind. As to

ealth, including all seasons of the year, we deny that ANY THER CITY HAS MORE. The first class of the Law and Medical Departments of this Institute were small, but the gentlemen composing them are talented and in the highest degree respectable—a favorable men for the future prosperity of the Institute.

That the public may be satisfied of the permanency of this

school, we feel it our duty to state, that the Trustees and Faculty form a UNIT in action, which augurs well for its future success; and that the peculiar internal organization which connects them, cannot be interrupted.

G. J. MOORE.

New Hanover county, Feb'y 22, 1850 Fellow, Citizens of New-Hanover County:

Gentlemen-At the approaching August election, it is your province to select an officer to act in the capacity of Sheriff. This is an early period, as I conceive, to agitate this election, although there is quite a number of candidates in the field, and more expected. The county is notified that a Conven-Hats.—Fur, Panama, Leghorn, Wool, and Palm Leaf.

I am, perhaps, as anxious to be possessed of the Sheriff's office as any candidate aunounced, but think it unadvisable to make the announcement at the present. If I should think it advisable to announce myself to you after the meeting of the Convention, and the result of the election should go in my favor, my motto shall be, to do justice to the office and to the people, and will ever feel grateful for the confidence reposed, and willing to reciprocate the favor as far as may be honorable.

I conceive it incumbent on every voter, before the election, to obtain information from reliable authority, who of the candidates is most deserving and capable and best qualified, in every respect, to take charge of the office. These are enquiries, as I conceive, that every voter should make, before going to the polls of election, and then let his influence and suffrage be governed accordingly.

Cientlemen, I conceive it unnecessary to say more to you; there is nothing that I could say, as I know of, that would insinuate me in your favour. All, or the most of you, are intimately acquainted with me. It is for you to say whether I am capable and well qualified to fill the office, or not-whether I am tiranical and oppressive, or lenient and accommodating in business transactions. That portion of the electors that may not be acquainted with me, or know but little about me, I would respectfully request that they would call on my friends in Wilmington, and on gentlemen from my own district of the county.

Very respectfully, your fellow-citizen, JAMES HARRELL May 9th, 1850.

WILMINGTON, N. C., MAY 8, 1850. GENTLEMEN-Through the solicitations of a number of my friends, I again appear before you as a candidate for the office of Sheriff of your County; and in doing so, I deem it proper to make a few remarks relative to the position I now occupy before you. Some time ago, I told a number of my friends that I would not again be a candidate for the office. But since making those declarations, I have been placed in different circumstances, through the interposition of an all-wise and unerring Providence. I believe by my making those declarations, it induced a majority, if not all of those whose

names are before you to become candidates for the office In appearing before you again as a candidate, I have no the preparation of Syrups, to render this article what it is pledges to make, only that I will endeavor to discharge the duties of the office to the best of my abilities, should a majorhave the following Syrups at the Fountain: Lemon, Sar- ity of my fellow-citizens think it proper to give me their
