LIPPITT'S SPECIFIC. For the Cure of Dysentery, Diarrhaa, and Summer Com-

plaints. In presenting this justly celebrated Medicine to the public. we make no rash assertions of its efficacy, nor is any hope held out to the afflicted which facts do not warrant. This remedy having been, for years, used in this place, for the cure of the above diseases and those appertaining to the same class, the proprietor has been induced to offer it on a human suffering. I have never known it to fail when the directions have been strictly adhered to. . Many uscless nostrums have been palmed upon the public, and I hesitated for some time, until thoroughly convinced of its efficacy.
