The state of opinion and of conduct in the non-slaveholding States, finds no justification or apology in any general or special direction of federal legislation to their injury. On the contrary, such legislation has been great-ly to their advantage and prosperity. The benefits that have been conferred upon them in the shape of tariff laws, navigation laws, fishing bounties, land laws and North Carolina and Alabama have been true and internal improvement laws, have been important aids to given until January next. The Lands might be turned to some small settlements. I will sell in smaller quantity and have two other tracts I would sell. These Lands are well

each of the States composing the Confederacy. They are bound together by a common duty, a common interest, a common danger and a common honor. North least, in the repeal of the act of 1820, known as the Carolina has largely contributed to the population of Missouri Compromise, which in other words is a comour State, and her sons have brought along with them those principles of integrity, honor, obedience to law, which the Supreme Court of the United States have deand love of well-regulated liberty, for which she is known clared to be unconstitutional. But the well-remembered and admired, and which have imparted so much of worth history of recent events teaches us, that it was the South and prosperity to the States in which her children have who but a few years since endeavored in a spirit of consettled. It is therefore fit, that now, in this their hour cession, to extend the line of thirty six degrees thirty

our native State, "to consult and advise with his Excellen- creasing rancor for more than twenty years, until every cy, the Governor, and with the members of the Legis- question of government furnishes a theme for its dislature, as to what is best to be done to protect the rights, cussion. 'The halls of Congress have ceased to be places report the result of such consultation." We feel com-plimented in accepting the invitation of this General see no good in prolonging the quarrel, and no way to and greater aggressions, until Alabama would become a We believe that the exhibitions of public opinion in despised and degraded province. Our people see little Alabama are so marked and distinct as to justify us in decaring that her approaching Convention will withdraw her from the Federal Union. A result, so sad driven so wide apart, and discern in the present temper and so pregnant with consequences to herself and to her and conduct of the non-slaveholding States, no spirit of sister States requires that she should have grave and atonement for their wrongs which could offer peace to conclusive reasons for the step; light and transient the country. Indeed, when the plain letter of the law
