We, the Commissioners of the Flate, do again earnestly call upon all who would support the government of their own choice in this its life struggle for liberty, to come forward

at once, with all they can spare, to the support of their brave sons and brothers now in the field, and with all their aid and sympathy for the government of their own making, and which is now beset with many difficulties and dangetr. and to evade this war of extertion against their own country, which is disgraceful to its citizins, and threatening to R. V. BLACKST. CK, our success.
