REVIEW OF THE WILMINGTON MARKETS For the week ending Thursday, Aug. 30, 1866

TURPENTINE .- Since our last review the market for this article has ruled quite active, and the price of yellow dip has advanced 20 cents on previous quotation-the sales for the week being at \$3 30 for virgin, and \$3 25 for yealow dip. The quantity coming in is very light, owing main. ly to the low stage of the water courses, and parcels are readily taken on arrival by distillers at above figures. We

Spirits Turpentine.—The market during the past week has ruled steady for this article, and in some instances a shade advance has been obtained over highest quotation of Friday last. The transactions for the week have been light, however, owing to the small receipts and the limited shipping facilities. At the time of closing our report there is a firmer feeling on the part of sellers, and t is generally held above the views of buyers. We quote

Rosin.—We have no change of importance to report in the market for either grade during the week just ended. There was some little enquiry in the earlier part of the week for the finer grades, but the demand appears to be checked, and the market closes quiet at low figures. For the lower grades the demand has also been limited, the scarcity of shipping facilities having tended to prevent transactions. We quote sales for the week as follows:—
68 bbls. Pale at \$5 75@\$6; 2,550 do. No. 1 at \$3, \$8 25, \$4, \$4 50@\$5-latter figure for extra-and \$2 25@\$3 for Opaque, & bbl. of 280 hs. Sales also of 1,575 bbls. at

BEESWAY.—Is in moderate enquiry, and sells at 30@33 ents # 1b. Corron-Since our last report the market for this artile has ruled inactive in consequence of the unfavorable advices received, which report a declining tendency in both the European and home markets, and we have nothng to report in the way of sales during the week; there is, however, very little on market, and it is generally held above the views or buyers. At the time of closing our enquiries, 28 cents for middling is the highest offer made,
