DEATH OF HAMPDEN S. SMITH, Esq.—We are pained to have to announce the death of another of our best citizens. Hampden Sidney Smith, a native of Raleigh, and long known as the Secretary of the North Carolina Fire Insurance Company, expired at his residence on Sunday morning last after an illness of several weeks. His health had been feeble and precarious for years.

The deceased, though he never aspired to public place, was nevertheless qualified by his learning and eloquence for any position that might have been assigned him. But he was singularly amiable, modest and unobtrusive, and had no taste for the rough. hard contest of the bar or of public life. -He was the only son of that good man, Benjamin B.
