WEDLOCK AND INSAMPLY. In a case of bigamy in New Haven. Ct., the much married man pleaded insanity, but without avail. He proved that he had been in an insane asylum, but it happened that such a catastrophe occurred before either of his two marriages. Recurring to this matter and its consequences, the Cincinnati Gazette sava: The case leaves perclexing questions. If, because of insauity, he was not respons ble for taking the second wife, was be for the first? Does not the verdict make him incompetent for either, and therefore dissolve both? A singular government. fact is that neither of these young women thought him insane, or, at any rate, too issane to marry. Probably bis insurity was only a mania for marrying, which is an act in which all men are insane more or less. Bat, if a man may plead irresponsibility for the act of marriage because of insanity, what marriages can be regarded as secure ? bor there are many husbands and wives who think, in the sober second thought, they would never have done it if they had not been out of their
