I hereby certify that last September I was attacked with White Swelling of the left knee—and also with an enlargement of the glands of the neck—(one tumor reached a large size). The swelling of the knee was enormous, and was attended with the most excruciating pains. I was so reduced that I was confined to my room over three months. My leg was so completely drawn up that I My leg was so completely drawn up that I could not bend it at all. I tried various remedies, and they failed to give me any relief. I was in this condition when I commenced taking Dr. Lawrence's Rosadalis. The swelling in both knee and neck began to subside be-fore I took all of the first bottle. By the time I took the second bottle the swelling of the neck entirely disappeared, and that of the knee nearly so. After taking three bottles I found myself completely well-able to walk as well as ever, &c.

Pimples, &c. Certificate from an old and much respected citizen of Greene County, now a resident of Wilson, N. C.

I hereby certify that during the Summer and Fall of 1866, I was severely afflicted with Curbuncles, having as many as 14 large Curbuncles and 12 ordinary Boils. I suffered so much from them that I could not get out of the house half the time for several months. Being induced to try Dr. Leavence's Rosadalis, I was entirely cured by the use of one bottle of that truly valuable medicine.

Wilson, May 11, 1867. Portsmouth, Va., Aug. 28, 1867. Capt. J. H. Baker—Sir: For the last seven or eight years, I have been severely afflicted

with a very troublesome form of SALT RHEUM, from which I have never been able to obtain the slightest perceptible relief from any of the many remedies which I have at various times applied, until I chanced to tising terms are so low as to be an induce try DR. LAWRENCE'S ROSADALIS. In less ment. than one month I found myself almost enirely cured of my troublesome eruption. Other memebrs of my family have used it as a blood purifier, with the most gratifying results.
Truly I can say of all the medicines I have

ever used before, none have been so happily beneficial in effects as the Rosadalis, and I would most cheerfully recommend it to the public and to all suffering humanity.

Very Respectfully, Yours, &c.,

MRS. E. N. BOGGS,

Opposite the Crawford House. Consumption in its Farly Stages, can

be Cured. Dear Dr. Lawrence :- My daughter having been cured of a deeply seated disease of the lungs by your "Rosadalis," I feel it my duty to make the fact known to you for the benefit of others. She suffered nearly two years with a hard cough, which troubled her day and night; at last the emaciated form, glassy eye, night sweats, together with the cough, told too plainly that it was Consumption, beyond question, eating at her vitals. Our Physicians brought no relief. She was advised to try your Rosadalis, as a tonic-which she did-imagine my surprise and gratification when I found her appetite returning. Slowly she regained her strength, her cough and night-sweats gradually ceased, and she is now, after taking five bottles of your medi-cine, apparently as well as ever. Yours Respectfully, MRS. E. ANN SMITH.

Major John W. Dunham, one of the editors of the Wilson North Carolinian, says in the issue of the 20th of April, 1867: "I believe, from personal experience, that the Bosadalis is the finest tonic ever prepared."

Wilson, N. C., Sept. 15, 1867. Dr. Lawrence—Sir:—In 1862, my son, now aged five years, was vaccinated with what proved to be impure matter, which completely destroyed his health. He has been afflicted with an inveterate and extremely troublesome eruption of the skin, sometimes breaking out in sores, &c. ROSADALIS was prescribed by my family physician, Dr. A. D. Moore. After taking it a few weeks my son became and remains entirely well. Yours Truly, J. B. DANIEL.

I tried a great many physicians but with services. 1 25 for 3 Months. I tried a great many physicians, but without relieving her much; in fact most of the last there was no hope of cure. During the last there was no hope of cure. During the last Spring she was worse than ever, her body and limbs being covered with sores and blotches—with face and eyes very much swollen.—Whilst in this condition, I was advised by Dr. L. A. Smith to try your ROSADALIS. I at once procured three bottles, and commenced giving it to her. The effect was magical. In less than a month, to my great astonishment, she was entirely well. I am, sir,

Yours, with respect and gratitude,

Rosadalis is a Potent Remedy in all Chronic Diseases. Certificate from G. W. Blount, Esq., Attorney at Law, Wilson, N. C.

This is to certify that I was afflicted with Chronic Inflammation of the Ear, from 858 until this Summer, when it assumed such a troublesome form as to give great pain. I was, at times, partially deaf, and the suppuration and almost continual flow of matter kept the outside of the ear badly inflamed. I was induced to try Dr. Lawrence's Rosadalis, and now think I am entirely cured. The suppuration has ceased; I can hear as well as ever, and there is not that itching sensation in the ear which before so much annoyed

My general health has also been greatly improved, and I have been entirly free from my usual billous symtoms, &c., at this season of the year. I can confidently recommend the Bosadalis as an extraordinary blood purifyer, &c.

SALT RHEUM CURED !- REMARKABLE CURE !! MONTREAL, CANADA, April 4th, 1867. Dr. Lawrence, Wilson, N. C.,

My Dear Sir .—For the last ten years (until recently), I suffered with an inveterate errortion of the skin—called by physicians Salt Rheum," with which I suffered terribly; the Rheum," with which I suffered terribly; the pain and itching was almost intolerable. I tried several of the best physicians in Europe and this country—have visited several celebrated springs—spent thousands of dollars—and failed to get better. In December, 1866, being in Charleston, S. C., I was told by a gentleman at the hotel, that he had been cured of a bad tetter by a medicine called "Rosadalis." I resolved to try it, without any hope, though, of its doing me any good. I procured a bottle of Messrs. King & Cassidy, and commenced taking it. Finding, to my surprise, that I was improving. I bought my surprise, that I was improving, I bought

four other bottles; but before commencing on the last two. I found I was completely well— the disease having entirely disappeared. Enclosed find "One Hundred Dollars," which please accept as a token of my gratitude.-Why do you not make your invaluable Rosadalis widely known? Your Sincere Friend, W. T. SELTZER.
