## ROSADALIS.

The Best Blood Purifier in the World!

Dr. Lawrence's Celebrated "ROSADALIS."

Read the Following Home Certificates From Physicians:

We hereby certify that the Rosadalis is prepared by a Physician, who is an experienced and successful practitioner, and whose remedy is an efficient and valuable one in Scrofula, Syphilis, &c., it having performed some remarkable cures in this vicinity.

E. BARNES, M. D.  
E. W. KING, M. D.

We hereby certify that we regard Dr. Lawrence's Compound of Rosadalis as a Reliable Alternative, &c.

A. D. MOORE, M. D.  
WILMINGTON, N. C., May 10th, 1866.

Dr. J. J. Lawrence, Dear Sir: Please send me immediately per Express, to Tarboro, two dozen more bottles of your Rosadalis. I have carefully examined its Formula, and have used it in my practice in a number of cases. I am well pleased with its effects, beyond doubt, the best Alternative I ever used. I have tried it in several cases of Scrofula, and Scrofulous affections, &c., with much satisfaction to myself and patients. I have used it in Secondary and Tertiary Syphilis (one terrible case of eight years standing), in which it acted with surprising and satisfactory effect—making a quick and thorough cure. I have, therefore, no hesitation in recommending it to Physicians and others, as the most reliable Alternative now known.

Respectfully Yours, &c.,  
A. B. NOBLES, M. D.

A Wonderful Cure of Scrofulous White Swelling.

HOME CERTIFICATE.

I hereby certify that on the 1st of September I was attacked with White Swelling of the left knee—and also with an enlargement of the glands of the neck—one tumor reached a large size, and the swelling of the knee was enormous, and was attended with the most excruciating pains. I was so reduced that I was confined to my room over three months. My leg was so completely swollen that I could not bend it at all. I tried various remedies, but they failed to give me any relief. I was in this condition when I commenced taking Dr. Lawrence's Rosadalis. I took one bottle in both knee and neck began to subside before I took all of the first bottle. By the time I took the second bottle the swelling of the neck entirely disappeared, and that of the knee nearly so. After taking three bottles I found myself completely well—able to walk as well as ever.

LATIMER WILLIAMS,  
Wilson, May 12, 1867.

Rosadalis will Cure the Worst Cases of Chronic Rheumatism.

HOME CERTIFICATE.

I hereby certify that I was cured of long standing Chronic Rheumatism, by taking four bottles of Dr. Lawrence's Rosadalis.

JAMES WILLES,

Rosadalis Cures Carbuncles, Boils, Pimples, &c.

Certificate from an old and much respected citizen of Greene County, now a resident of Wilmington, N. C.

I hereby certify that during the Summer and Fall of 1866, I was severely afflicted with Carbuncles, having as many as 14 large Carbuncles, and 12 ordinary Boils. I suffered so much from them that I could not get out of the house half the time for several months. Being induced to try Dr. Lawrence's Rosadalis, I was entirely cured by the use of one bottle of that truly valuable medicine.

W. A. DARDEN, Sr.  
Wilson, May 11, 1867.

Portsmouth, Va., Aug. 28, 1867.

Capt. J. H. Baker writes: For the last year or eight years, I have been severely afflicted with a very troublesome form of SALT RHEUM, from which I have never been able to obtain the slightest perceptible relief from any of the many remedies which I have at various times applied, until I changed to try Dr. Lawrence's Rosadalis. I had been more than one month I found myself almost entirely cured of my troublesome eruption.

Other members of my family have used it as a blood purifier, with the most gratifying results.

Truly I can say of all the medicines I have ever used, none has done me so much beneficial in effects as the Rosadalis, and I would most cheerfully recommend it to the public and to all suffering humanity.

Very Respectfully,  
MRS. E. N. BOGGS,  
Opposite the Crawford House.

Consumption in its Early Stages, can be Cured.

Baltimore, Md., March 4th, 1867.

Capt. J. H. Baker writes: My daughter, having been cured of a deeply seated disease of the lungs by your "Rosadalis," I feel it my duty to make the fact known to you for the benefit of others. She has now been cured of a hard cough, which troubled her day and night; at last the emaciated form, glassy eye, night sweats, together with the cough, which she had for several years, has been entirely cured. I was so much gratified by this, that I immediately ordered a supply of your Rosadalis, and commenced giving it to her. The effect was magical. In less than a month, to my great astonishment, she was entirely well. I am, Sir,  
Yours, with respect and gratitude,  
W. W. BURNETT.

Rosadalis will Cure the Worst Cases of Scrofula. Read the Statement Below, and Despair not.

Wilson County, Sept. 10, 1867.

Dr. J. J. Lawrence, Dear Sir: My youngest daughter, aged five years, has been dreadfully afflicted with Scrofula nearly all her life. It first appeared in the form of a small, red, itching eruption on her face, which gradually increased, and in fact most of them said there was no hope of cure. During the last Spring she was worse than ever, her body and limbs being covered with sores and swellings—with face and eyes very much swollen.

Whilst in this condition, I was advised by Dr. L. A. Smith to try your ROSADALIS. I procured three bottles, and commenced giving it to her. The effect was magical. In less than a month, to my great astonishment, she was entirely well. I am, Sir,  
Yours, with respect and gratitude,  
W. W. BURNETT.

Rosadalis is a Potent Remedy in all Chronic Diseases.

Certificate from G. W. Blount, Esq., Attorney at Law, Wilson, N. C.

This is to certify that I was afflicted with Chronic Inflammation of the Ear, from 1858 until this Summer, when it assumed such a troublesome form as to give great pain. I was, at times, partially deaf, and the suppuration and exudation formed a crust of matter, which kept the outside of the ear badly inflamed. I was induced to try Dr. Lawrence's Rosadalis, and now think I am entirely cured. The suppuration has ceased, I can hear as well as ever, and there is not that itching sensation in the ear which before so much annoyed me.

My general health has also been greatly improved, and I have been entirely freed from my usual bilious system, &c., at this season of the year. I can not express my appreciation of the Rosadalis as an extraordinary blood purifier, &c.

GEO. W. BLOUNT,  
Wilson, Sept. 12th, 1867.

Chronic Liver Complaint Cured.

This is to certify that I was cured of Chronic Liver Complaint by Dr. Lawrence's Rosadalis,

after having been confined to my bed and house for a long time, and trying various medicines without benefit.

I know several others in this County, who have been cured through the use of the Rosadalis, and it can be found in nearly every house in my neighborhood, and they all praise it as a great medicine.

THOMAS THORN,  
Greene County, August 14, 1867.

Rosadalis cures all Skin Diseases. SALT RHEUM CURED!—REMARKABLE CURE!

MONTECALAN, CANADA, April 4th, 1867.

Dr. Lawrence, Wilson, N. C.

My Dear Sir:—For the last ten years (until recently) I suffered with an inveterate eruption of the skin—called by Physicians "Salt Rheum," with which I suffered terribly; the pain and itching was almost intolerable. I tried several of the best Physicians in Europe and this country, but they all failed to cure me. I spent thousands of dollars—and failed to get better. In December, 1866, being in Charleston, S. C., I was told by a gentleman at the hotel, that he had been cured of a bad letter by a medicine called "Rosadalis." I resolved to try it, without any hope, though, of its doing me any good. I procured a bottle of Messrs. King & Cassidy, and commenced taking it. Finding, to my surprise, that it was improving, I bought four other bottles; but before commencing on the last two, I found I was completely well.

Enclosed find "One Hundred Dollars," which please accept as a token of my gratitude. Why do you not make your invaluable Rosadalis widely known.

Your Sincere Friend,  
W. T. SELTZER.

## FROM WASHINGTON.

(Special Dispatch to the Baltimore Sun.) Congress and the Tennessee Delegation—General Legislation—Cotton Tax, &c.

WASHINGTON, Nov. 21.

The galleries of both houses of Congress were crowded to-day to their utmost capacity with spectators, generally strangers and lobbyists resting on their oars, because of the understanding which prevailed that there will probably be no legislation of importance during the November session.

An fore-shadowed in these dispatches last night, an effort was made in the House to prevent certain members of the Tennessee delegation from taking their seats, based upon the precedent of last session in the Kentucky cases. At first blush the democrats were opposed to the resolution, upon the same grounds that they opposed the action of the House in the matter of the Kentucky delegation; but most of them finally became reconciled to the inquiry as to the Tennessee delegation, in order to test the consistency of the republicans in the application of the same rule to both States; so also with some republicans who were in the first instance opposed to delay in giving seats to Messrs. Stokes, Butler and Mullins, but at length joined Mr. Dawes, who advocated delay and inquiry in the Tennessee cases, upon the rule applied last session to the Kentucky delegation, notwithstanding it was argued that the features of the controversy were not exactly analogous.

There is reason to believe that at the present session no general legislation of importance will take place, but from a comparison of views of the members, it is found they are almost unanimous in favor of a repeal of the cotton tax; that a majority are opposed to further contraction of the currency for the present, and that a moderation of the views of the extremists will be enforced by the counsels of the conservative members of the republican party in Congress.

It is also probable that during the December session a bill will be introduced, with a strong probability of its passage, providing for a postal telegraphic system, embracing substantially the features of ex-Senator Brown's bill, introduced in the Senate some two years ago, and more recently advocated by Mr. Washburne, of Illinois, in the House.

Accompanied by a Lady—Carried His Point by a Laidious Piece of Strategy.

A clean, well dressed man attempted to enter the rear car of the train on a Wisconsin railroad, but was stopped by the brakeman and told to go to the next car forward, as the rear one was reserved for ladies. A merry twinkle in the young man's eye as he stepped from the car to the platform. He walked straight to a robust and somewhat remarkable female representative from the land of shamrock, and very courteously offered to assist her in transporting her bundles, which were neither few nor slight, to the train. The words, "May the good Lord bless your honor," were the only ones overheard; but it was evident that his kind offices were accepted.

Then, after some conversation in an undertone, the pair who had so recently, and in plain view of Mr. Brakeman, become traveling companions, approached the forbidden car. When about to enter, the brakeman interposed his person, and directed them to go to the next car. The man insisted that his lady and himself had, under the rule laid down, a right to enter. The brakeman replied: "It is not your lady." The traveler, turning confidently to his now found appendage, asked in the most winning way, "Am I your dear?" (The woman had cheeks like cheese-rind, and a nose like a piece of decayed beefsteak.) Clearly and to the point came the answer, "Sure I am, darlint." There was no resisting such proofs, and the pair marched in triumph to a seat, amidst roars of laughter from the passengers, who had been attentive spectators of the scene.

## Education of Southern Girls.

A meeting to promote the liberal education of children of the South was held at St. Paul's church yesterday, at which the Rev. Dr. Haight, of New York, the Rev. Dr. Rudder, of Philadelphia, and other gentlemen from the North and the South, were present. The fact was brought out that the society established for this purpose in Baltimore is now educating about thirty girls at schools of the first class, but have more than one hundred and twenty applicants, whom, for want of funds, it is unable to receive. It was resolved that the meeting sympathize cordially with the object of the Society for the Education of Southern girls, approve of its constitution, and cordially commend it to public confidence; that affiliated societies for the same object be established in the Northern cities; that similar societies be recommended for the care of Southern boys; that a provisional committee, consisting of Rev. Dr. Mahan, of Baltimore, Rev. Dr. Rudder, of Philadelphia, and Rev. Dr. Haight, of New York, be authorized and instructed to carry the views of the meeting into effect. After an animated discussion, showing the great need of such organizations, the meeting adjourned.
