A. D. MOORE, M. D. L. A. STITH, M. D. Wilson, N. C., May 10th, 1866. Dr. J. Lawrence,—Dear Sir: Please send me immediately, per Express, to Tarboro', two dozen more bottles of your Rosadalis. I have carefully examined its Formula, and have used it in my practice in a number of cases. I am well pleased with it. I think it, beyond doubt, the best Alterative I ever used. I have tried it in several cases of Scrofula, and Scrofulous affections, &c., with much satisfac-

tion to myself and patients. I have also used it in Secondary and Tertiary Syphilis [one terrible case of eight years standing], in which it acted with surprising and satisfactory effect -making a quick and thorough cure. Thave, therefore, no hesitation in recommending it to Physicians and others, as the most reliable Alterative now known.

Respectfully Yours, &c., A. B. NOBLES, M. D. A Wonderful Cure of Scrofulous White Swelling. HOME CERTIFICATE.

I hereby certify that last September I was attacked with White Swelling of the left knee-and also with an enlargement of the glands of the neck-(one tumor reached a large size). The swelling of the knee was enormous, and was attended with the most excruciating pains. I was so reduced that I was confined to my room over three months. My leg was so completely drawn up that I could not bend it at all. I tried various remedies, and they failed to give me any relief. I was in this condition when I commenced taking Dr. Lawrence's Rosadalis. The swelling in both knee and neck began to subside before I took all of the first bottle. By the time took the second bottle the swelling of the neck entirely disappeared, and that of the knee nearly so. After taking three bottles I found myself completely well-able to wall as well as ever, &c. LATIMER WILLIAMS.

JAMES WILLS.

Rosadalis Cures Carbuncles, Boils, Pimples, &c. Certificate from an old and much respected citizen

of Greene County, now a resident of Wilson, N. C. I hereby certify that during the Summer and Fall of 1866, I was severely afflicted with Carbinacles, having as many as 14 large Car-bunctes and 12 ordinary Boils. I suffered so much from them that I could not get out of the house half the time for several months. Being induced to try Dr. Lawrence's Rosadalis, I was entirely cured by the use of one bottle of that truly valuable medicine.

W. A. DARDEN, Sr.

Wilson, May 11, 1867.

Capt. J. H. Baker-Sir: For the last seven or eight years, I have been severely afflicted very troublesome form of SALT RHEUM, from which I have never been able to obtain the slightest perceptible relief from any of the many remedies which I have at various times applied, until 1 chanced to try DR, LAWRENCE'S ROSADALIS. In less than one month I found myself almost entirely cured of my troublesome eruption. Other memebrs of my family have used it as a blood purifier, with the most gratifying

results. Truly I can say of all the medicines I have ever used before, none have been so happily beneficial in effects as the Rosadalis, and would most cheerfully recommend it to the public and to all suffering humanity. Very Respectfully, Yours, &c., MRS. E. N. BOGGS,

Opposite the Crawford House. Consumption in its Early Stages, can be Cured.

Baltimore, Md., March 4th, 1867. Dear Dr. Lawrence .- My daughter having been cured of a deeply seated disease of the lungs by your "Rosadalis," I feel it my duty to make the fact known to you for the benefit of others. She suffered nearly two years with a hard cough, which troubled her day and night; at last the emaciated form, glassy eve, night sweats, together with the cough, told too plainly that it was Consumption, beyond question, eating at her vitals. Our Physicians brought no relief. She was advised to try your Rosadalis, as a tonic-which she did-imagine my surprise and gratification when I found her appetite returning. Slowly she regained her strength, her cough and night-sweats gradually ceased, and she is now, after taking five bottles of your medi-

cine, apparently as well as ever.
Yours Respectfully,
MRS. E. ANN SMITH. Major John W. Dunham, one of the editors of the Wilson North Carolinian, says in the issue of the 20th of April, 1867: "Ibelieve, from personal experience, that the Rosadalis is the

finest tonic ever prepared." Wilson, N. C., Sept. 15, 1837. Dr. Lawrence-Sir:-In 1862, my son, now aged five years, was vaccinated with what proved to be impure matter, which completely destroyed his health. He has been afflicted with an inveterate and extremely troublesome eruption of the skin, sometimes breaking out in sores, &c. ROSADALIS was prescribed by my family physician, Dr. A. D. Moore. After taking it a few weeks my son became and remains entirely well.
Yours Truly,
J. B. DANIEL.

Dr. J. J. Lawrence—Dear Sir:—My youngest daughter, aged five years, has been dreadfully afficted with Scrotula nearly all her life. I tried a great many physicians, but without

relieving her much; in fact most of them said there was no hope of cure. During the last Spring she was worse than ever, her body and limbs being covered with sores and blotches—with face and eyes very much swollen.—Whilst in this condition, I was advised by Dr. Whilst in this condition, I was advised by Dr.
L. A. Smith to try your ROSADALIS. I at once
procured three bottles, and commenced giving it to her. The effect was magical. In less
than a month, to my great astonishment, she
was entirely well. I am, sir,

MONTREAL, CANADA, April 4th, 1837.

Dr. Lawrence, Wilson, N. C.,

My Dear Sir.—For the last ten years (until recently), I suffered with an inveterate emption of the skin—called by physicians "Salt Rheum," with which I suffered terribly; the main and itahing was alwest intellered. pain and itching was almost intolerable. I tried several of the best physicians in Europe and this country-have visited several celebrated springs-spent thousands of dollars—and failed to get better. In December, 1863, being in Charleston, S. C., I was told by a gentleman at the hotel, that he had been cured of a bad tetter by a medicine called "Rosedatis." I resolved to try it, without any hope, though, of its doing me any good. I procured a bottle of Messrs. King & Cassidy, and commenced taking it. Finding, to sidy, and commenced taking it. Finding, to my surprise, that I was improving, I bought four other bottles; but before commencing on the last two, I found I was completely wellthe disease having entirely disappeared. Enclosed and "One Hundred Dollars," which lease accept as a token of my gratitude .-

Why do you not make your invaluable Rosadalis widely known ?
