[From the Richmond Dispatch 1 A Negro Highway Robber Killed.

SUFFOLK, VAL, Jan. 9. A daring attempt at highway robbery in this section has just been reported to us. It seems that a white man named Brooks has been through this country, with a wagon selling tobacco to the country stores A few days ago he was followed by a negro armed with a double-bar-relled gun, and when he stopped to feed his team he was accosted by the negro, who proposed to pirchase tobacco. Mr. Brooks climbed into his wagon to get the tobac-co, when the negro presented his gun, demanding at the same time the tobacco-peddler's pocket-book. Brooks asked, "Do you want all my money?" To which the black rascal replied: "Every cent." Mr. Brooks said, "I will not hand you the money, but I'll throw it no you;" and accordingly threw it upon the ground. The negro thinking himself secure, carelessly stooped to pick up the pocket book when Brooks drew a pistol and fired upon him with fatal effect. A passing traveller saw the dead negro with the pocket-book still grasped in his cold hand.
