## Gen. Canby's Election Order.

Major's SECOND MILITARY DISTRICT, CHARLESTON, S. C., March 23, 1868. GENERAL ORDERS.

The Constitutional Convention of the State of North Carolina, in conformity with the Act of Congress of March 23, 1867, supplementary to the Act of March 2, 1867, "to provide for the more efficient government of the rebel States," having framed a constitution and civil government according to the provisions of the aforesaid laws, and having by an ordinance adopted on the 17th day of March, 1868, provided that the said constitution shall be submitted for ratification to the persons registered under the provisions of this Act (March 23, 1867) Sections 4 and 5, to be conducted by the officers appointed or to be appointed by the Commanding General as hereinafter provided, and to be held after the expiration of thirty days after the notice thereof to be given by the said convention; and having further provided, by the aforesaid ordinance, that the election on an election shall be held for Senators and Representatives to the General Assembly, and for all State and County officers who are to be elected by the people under this constitution, and further that in each Congressional District of the State an election shall be held for a member of the House of Representatives of the United States Congress. It is ordered:

First. That an election be held in the State of North Carolina, commencing on Tuesday, the 28th day of April, and ending on Thursday, the 30th day of April, 1868, at which all registered voters of said State shall vote "For Constitution" or "Against Constitution," and also on the same ballot for the State and County officers and for members of the United States House of Representatives, as specified in the before cited ordinance.

Second. It shall be the duty of the Boards of Registration in North Carolina, commencing fourteen days prior to the election herein ordered, and giving reasonable public notice of the time and place thereof, to revise for a period of five days the registration lists; and upon being satisfied that any person not entitled thereto had been registered, to strike the name of such person from the lists, and such persons shall not be entitled to vote. The Boards of Registration shall also, during the same period, add to such lists the names of all persons who at that time possess the qualifications required by said Acts, who have not already been registered.

Third. In deciding who are to be stricken from or added to the registration lists, the Boards will be guided by the law of March 2, 1867, and the laws supplementary thereto, and their attention is specially directed to the supplementary Act of July 13, 1867.

Fourth. Any duly registered voter of this State who may have removed from the county in which he was registered, shall be entitled to vote in the county to which he has removed and resided for the ten days next preceding this election, upon presentation of a certificate of registration from the county in which he was originally registered, or upon his affidavit or other satisfactory evidence that he was so registered, and that he has not voted at this election. It shall be the duty of Registrars, upon the application of any duly registered voter who has removed or is about to remove from the precinct in which he was originally registered, to furnish him a certificate that he was so registered, and to note the fact in the registration books of the precinct. In default of the certificate the affidavit of the voter must set forth the county and precinct in which he was originally registered, and the length of time he has resided in the county in which he desires to vote. In doubtful cases, the Registrars or Inspectors of election shall require such additional evidence as may be necessary to satisfy them that the applicant is legally entitled to vote. Blank forms for the certificates and for the affidavits herein required, will be furnished the Registrars and the Inspectors of election, and when used will be attached to the certificate by the Registrars, and will be transmitted to District Headquarters with the returns required by law.

Fifth. The said election will be held in each county at such places as may hereafter be designated, under the superintendence of the Boards of Registration as provided by law, and in accordance with instructions hereinafter to be given to said boards in conformity with the Acts of Congress and as far as may be with the laws of North Carolina.

Sixth. The polls shall be opened at such voting places at six o'clock in the morning, and closed at six o'clock in the afternoon of the day, and shall be kept open during these hours without interruption or adjournment.

Seventh. All judges and clerks employed in conducting said election shall, before commencing to hold the same, be sworn to the faithful performance of their duties, and shall also take and subscribe the oath of office prescribed by law for officers of the United States.

Eighth. No member of the Board of Registration, who is a candidate for election to any office to be filled at this election, shall serve as a judge or inspector of election in any precinct which he seeks to represent.

Ninth. The Sheriff and other peace officers of each county are required to be present during the whole time that the polls are kept open, and until the election is completed; and will be made responsible that there shall be no disturbance or trial of the officers by any means to prevent any person from registering or exercising his right of voting, is positively prohibited; and any such attempts will be reported by the Registrars or Judges of Elections to the Post-Commander, and will cause the arrest and trial of the offenders by military authority. The exhibition or carrying of deadly weapons in violation of General Orders No. 10, of 1867, at or in the vicinity of any polling places during the election herein ordered, will be regarded and treated as an additional offence.

Tenth. All bar-rooms, saloons, and other places for the sale of liquors by retail, will be closed from six o'clock of the evening of the 20th of April, until six o'clock of the morning of the 24th of April, 1868, and during this time the sale of all intoxicating liquors at or near any polling place is prohibited. The police officers of cities and towns, and the Sheriffs and other peace officers of counties, will be held responsible for the strict enforcement of this prohibition, and will promptly arrest and hold for trial all persons who may transgress it.

Eleventh. Military interference with elections, unless it shall be necessary to repel the armed enemies of the United States, or to keep the peace at the polls, is prohibited by the Act of Congress approved February 25, 1865, and no soldier or other military force shall be allowed to appear at any polling place, unless as citizens of the State they are qualified and are registered as voters, and then only for the purpose of voting; but the commanders of posts will keep their troops well in hand on the days of election, and will be prepared to act promptly if the civil authorities are unable to preserve the peace.

Twelfth. The returns required by law to be made to the Commander of the District of the results of this election, will be rendered by the Boards of Registration of the several military posts in which their precincts are situated, and in accordance with the detailed instructions hereafter to be given.
