### Read Some English Testimonials.

Poplar Street, London, England. I take this method of making known the perfect cure I have obtained from the use of your valuable medicine, the PAIN KILLER. I was urged by a friend to try it, and procured

a bottle of Dr. Kernot, Apothecary. I had been afflicted three years with Neural gia and violent spasms of the stomach, which caused a constant rejection of food. The doctors at Westminster Hospital gave up my case in despair. Then I tried your PAIN KILLERwhich gave me immediate relief from pain and sickness; and I regained my strength, and am now able to follow my usual occupation of sailor. One bottle cured me. Yours respectfully,

CHARLES POWELL, SIR-I desire to bear willing testimony to

the wonderful efficacy of that American rem-\*\*, N. C. papers copying this advertisement | edy called Pain Killer, which I believe has no equal in this country. I have been afflicted | ces and the regulation of the elective franchise with heart disease, and could find no relief in the States by their citizens. till I got the Pain Killer, which soon made a cure. I am quite willing to answer any inquiries about my case: Yours, etc.,

FANNY SILVERS, Dudley, (Worcestershire,) England. GENTLEMEN-I can with confidence recommend. your excellent medicine, the Pain Kill er, for Rheumatism, Indigestion, and also Toothache, having proved its efficacy in the above complaints. Yours, &c.,

REUBEN MITCHELL, Bridgeman's Place, Bolton. GENTLEMEN-I have very great pleasure in recommending your medicine, the Pain Killer. I was suffering severely a few weeks since with Bronchitis, and could scarcely swallow any food, so inflamed was my throat. I was advised by a friend to try your Pain Killer, and, after taking a few doses of it, was completely cured. Yours, respectfully,

T. WILKINSON, Bolton, Eng. P. S .- I have recommended the medicine to several of my friends, and, in every instance, it has had the desired effect. je25-233-1m

We party appeal to every patriot, including all the conservative element and all who desire to invite our friends to an inspection, and they can judge for themselves.

#### The Democratic Platform.

The Democratic Party, in National Convention assembled, reposing its trust in the intel-ligence, patriotism and discriminating justice of the people, standing upon the constitution as the foundation and limitation of the powers of the Government, and the guarantee of the liberties of the citizens, and recognizing the questions of slavery and secession as having been settled for all time to come by the war. or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace demand: First. Immediate restoration of all the States

to their rights in the Union, under the constitution, and of civil government to the American people. Second. Amnesty for all past political offen

Third. Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as in requisite for the necessi-ties of the Government, economically admin-istered, being honestly applied for such payment; and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States. Fourth. Equal taxation of every species of

property according to its real value, including bands and other public securities. Fifth. One currency for the government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder. Sixth, Economy in the administration of the

government; the reduction of the standing

ests of the country. Seventh. Reform of abuses in the administration, expulsion of corrupt men from office; abrogation of useless offices; the restoration of rightful authority to, and the independence of, the executive and judicial departments of the Government; the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of

the sword may cease.

Eighth. Equal rights and protection for naturalized and native-born citizens at home and abroad, the assertion of American nationality which shall command the respect of foreign powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights, and the maintenance of the rights of naturalized citizens against the absointe doctrine of immutable allegiance, and the claims of foreign powers to punish them for alleged crime committed beyond their juris-

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prose cute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer

army which carried our flag to victory. Instead of restoring the Union, it has so far as in its power dissolved it, and subjected ten States in time of profound peace to military despotism and negro supremacy. It has nullified there the right of trial by jury; it has abolished the habeas corpus, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; K has substituted arbitrary seizures and arrests and military trials and secret star chamber inquisitions for PAWAR The constitutional tribunals; it has disregardbe free from searches and seizures; it has enbe free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American Capital law; it has converted to the american the best spile of the Art.

And we do declare and resolve that ever since the people of the United States threw off all subjection to the British grown the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated and controlled exclusively by the political-power of each State respectively, and that any attempt by Congress, on any pretext what-

gratefully remembered, and all the guarantees given in their favor must be faithfully carried That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre-emption of homestead lands, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the government.
