THE CITY.

The STAR is delivered to Subscribers in all parts of the City at FIFTEEN CENTS per week, payable only to Mr. JAS. H. FOYLES. Orders may be left either with him or at this office.

TO PRINTERS AND PUBLISHERS.

We have just received a general assortment of Black Printing Inks, manufactured at C. E. Robinson's Gray's Ferry Printing Ink Works. We have now on hand Book, News, Job and Card Inks, at prices varying from 25 cents to $2 per pound. Book, Job and Card Inks in packages of one, two, five and ten pounds News Inks in packages of ten, twenty-five and fifty pounds. We sell these superior Inks at manufacturers' net cash prices, charging nothing for freight from Philadelphia to Wilmington. Printers and publishers in this section will thus see that they can buy them from us cheaper than they can buy them at the manufactory. Give us an order. Terms, cash.

We can also furnish, on short notice, News Inks, in packages of not less than 100 pounds, at 16, 18 and 20 cents; and, in packages of not ess than 300 lbs., at 14 cents. Except for daily newspapers, however, we never advise the use of ink costing less than 25 cents.

THE CIRCULATION OF THE MORNING STAR IS LARGER THAN THAT OF ANY OTHER DAILY NEWSPAPER PUBLISHED IN NORTH CAROLINA.

AUCTION SALES THIS DAY.

This morning at 10 o'clock, at the building, Messrs. James & Meares, Auctioneers, will sell the materials constituting the wooden portion of the Edmundson Hotel. See advertisement.

—— We notice on our streets "him of the ninety inch stride."

—— To-morrow ushers forth September, and Autumn commences her reign of three months.

SLOOP NEVADA.—This sloop arrived from Jacksonville, Fla., on Sunday; and is now lying at Smithville.

PROBATE COURT.—Three deeds were yesterday admitted to probate in this court.

—— Several additions were yesterday made to the list of Guard House prisoners.

—— The Courts of Justice in this city have been blessed with much "patronage" during the last few weeks.

COMMENCED.—The Railway hands commenced work yesterday on the turnout to be arranged between Front and Second streets.

—— The crops along the line of the Railroads leading into our city are reported as greatly improved within the last few weeks.

—— The city Marshal is indefatigably attending to his duties in the way of putting the various streets in order.

—— At 12 o'clock yesterday the thermometer in the STAR counting-room indicated a temperature of ninety-two degrees.

—— Our business men are anxiously awating the arrival of the commercial activity which the Fall ever introduces.

THE REGATTA.—We learn that Thursday has been chosen as the day on which the regatta will come off in the old race course at Wrightsville Sound.

OUR SUCCESSOR.—Mr. J. H. Muse, long connected with the newspaper business, and well versed in every department, will assume our vacant place on the STAR; and will on to-morrow enter upon his career as Local. We trust those friends, who have extended to us so much kindness, will continue their favors to our successor.

THE MORNING STAR.

Vol. IV—No. 139. WILMINGTON, N. C., TUESDAY MORNING, AUGUST 31, 1869. Whole No. 604.

MT. OLIVET COUNCIL.—It is with pleasure that we refer to the prosperous condition of this society, and we are happy to state its number are steadily increasing.

—— We direct attention to the advertisement of E. McBryde & R. Waters in this issue. McBryde & Waters are worthy colored men, and promise to perform their work in the best style.

SENT TO THE POOR HOUSE.—On yesterday Harriet Hardey together with her two children were sent to the Poor House, they being deemed by the authorities fit inmates for this Institution,

SENT TO THE HOSPITAL.—Joseph E. Eyed was sent to the Hospital, Sunday; and yesterday Kitty Curtis was also forwarded to this retreat for the sick and indigent.

—— The police appear to have done well their duty for the last few days. The Special Court has recently had sufficent material upon which to manufacture law.

A GOOD SHAVE.—A good, easy, clean shave is one of the nicest luxuries of life; and parties wishing to enjoy this luxury can be accommodated by calling at Carraway's well fitted up saloon, at No 9. South Front street.

—— River and marine news amounts to so little to-day, that we will simply state the Brig *Surprise* and one other Brig (name unknown) are reported below bound out, and beyond this we could acquire no other information, save the coast is clear below.

COMMITTED SUNDAY.—On Sunday Willis T. Morton and Timothy Pigott, two colored rogues tried for larceny before Justice G. W. Corbett, of Caswell township, were sent to this city and imprisoned in jail to await trial before the next term of the Superior Court.

Martin is a Justice of the Peace for Columbia township.

VICISSITUDE.—The vicissitudes of life are many, and as a "logical" evidence of "philosophic" assertion, we will mention that in one portion of our columns we chronicle the commitment to jail of Wilson S. Morton; and in another place we record his release.

"Such is life" in the nineteenth century.

SACRILEGIOUS.—Some sacrilegious person entered a few days since the sabbath school room of the First Baptist Church and carried away the contribution box containing about ten dollars.

As the public is aware, the above sabbath school room is the apartment adjoining the City Hall, and we must express our surprise that a scamp could successfully practice his rascality in that quarter.

THE BOAT DISPENSED WITH.—The completion of the bridges accross the Northwest and Northeast branches of the Cape Fear has enabled the Charlotte Railroad Company to dispense with the use of a steamer between "River Side" and the city. Yesterday the train proudly bore the passengers across the new bridges and landed them, at the usual depot in the city. This is the first time the Charlotte train has passed over the bridges enroute to the city.

HYMENIAL.—During the present Summer sixty six marriage licenses have been issued from the Register's office, and the proportion between the white and colored is as follows:

June, whites 9, colored 17; July, whites 00, colored 16; August, whites 11, colored 13. Total, 66.

Majority in favor of the blacks, 26.

It is scarcely necessary to state the number for the present month, which may yet be increased one or two; but the above exhibit is correct up to the 30th August.

The colored population appear to have evinced a much higher appreciation for the blessings of married life than the whites have.

BOARD OF TRUSTEES.—J. C. Hill, the Constable elect for this "township" anxious to be "at peace and good will with all men," yesterday waited upon Justices Conoley and McQuigg, whom the County Commissioners have declared the legal Board of Trustees for Wilmington, Joes motive in calling on this Board was to request it to hold a meeting, and accept his bond, thus obtaining for himself the sanction of that Board which has assumed authority, and the sanction of the one to which authority has been delegated. The last named Trustees held no meeting and the constable's bond remains *in statu quo*.

A HARD CASE.—Sunday morning, Kitty Curtis, a drunken white woman, was arrested and placed in the Guard House. Monday, she was tried before the Special Court and consigned to eighteen days' labor at the Hospital, and after the expiration of this time she will be committed to jail, in default of giving bail in the sum of $100; and at the next term of the Special Court, she will be tried for vagrancy.

A MISTAKE.—Mr. Samuel Blossom of this city made quite a serious mistake, Saturday afternoon, in the "doing" of two sick animals—a mule and a colt. He intended to give them "ox-vomit," but administered to each arsenic. The effect was not instantaneous; but on the next day the colt died, and yesterday the mule breathed its last. The two were valued at three hundred and fifty dollars.

TO MAKE THEIR RETURNS.—During the present week every inspector of naval stores is required to render to the Board of County Commissioners a full return of the sales which he has made since entering upon the duties of his office. The duties of his office.

The Commissioners will meet on next Monday for the purpose of examining the returns and attending to other official business.

EXCELSIOR.—"Gee Zee", the happy owner of "Excelsior" plantation, informs us that he had hauled, in one day, three hundred and sixty-five loads of muck from the cypress pond located on the "Excelsior" land. He further informs us that any quantity of marl abounds in that region, and these facts are good evidences that the land of New Hanover county can be made equal to any in the State, if its natural resources be used to advantage.

WRIT OF HABEAS CORPUS ISSUED.—A few days since W. T. Morton, a colored J. P. for Columbia township, was tried for larceny before Magistrate G. W. Corbett, of Caswell township. The evidence was deemed tolerably conclusive, and the accused man was sent to this city for imprisonment in the jail, till the Fall term of the Superior Court.

Yesterday Judge Cantwell issued a writ of *Habeas Corpus*, and had the prisoner carried before his court, and then admitted him to bail in the sum of one hundred dollars.

LOSSES BY FIRE.—During the present year the losses by fire are computed—and we think accurately computed—at $53,000. Of this sum much was covered by insurance.

Of the many fires that have occurred in the city during the last eight Months, about sixty six per cent of them took place after midnight; and this significant fact explains much that it is unnecessary to mention, in order to arouse suspicion in the minds of those, not disposed to be too credulous.

REV. MR. BURR.—In the absence of Rev. H. L. Singleton, Rev. Henry B Burr, of Baltimore, Maryland, filled the pulpit of the Presbyterian Church Sunday last. Mr. Burr is a pleasant speaker, and his discourses, both morning and evening, were so admirably conceived, as to at once enlist the full appreciation and favor of the audience. Mr. Burr will supply the pulpit of this church until the return of its regular pastor, and it is with pleasure that we congratulate the congregation on securing the services of a gentleman so well suited to their tastes. His pleasing address has already won for him hosts of friends in our midst.

RATHER MALICIOUS.—The prosecution of Hannah Miller (col) before Justice McQuigg appears to us rather malicious on the part of the plaintiff, as the decision of the Squire intimates in strong language. A few days ago Anna Priscall (col) went to the office of Justice McQuigg and on her affidavit a warrant was issued for the arrest of Hannah Miller, accused with larceny. The case was yesterday tried; and it was proved that the virtuous Anna Priscall had *sold* the stolen articles, which she affirmed had been purchased from a colored man. This exculpated the first accused party, Hannah Miller, and the case was dismissed at the prosecutor's cost.

The aspect of affairs bear rather a inauspicious import in reference to Anna Priscall.

VALEDICTORY.—In saying adieu to the readers of our paper, to the well appreciated friends of ourself, and to the generous citizens of Wilmington, it is our intention to be brief. We shall not dwell on the reasons that have actuated us in yielding our position on the STAR, between whose proprietor and ourself the friendliest relations exist. Weeks ago our decision was formed, but till the present, it it has been inconvenient to carry our purpose into execution.

After ten months spent as Local Editor of the MORNING STAR, we retire from the position, and in our retirement we carry many pleasant reminiscences of Wilmington; of the courtesy of her high toned citizens; of the consideration shown us, as a Local, by her obliging officials.

In future years we shall glance back at our life as a Local and the review will vividly remind us of the prized friends whom we leave, and the name of Wilmington will stand as a golden lear in the pages of memory—as an oasis in the desert of life.

To those whom we may have unconsciously injured, we offer a heartfelt apology; to those to whom we may have been of the least benefit, we say "you are welcome;" and to the public at large we speak a farewell.

DEATHS DURING THE SUMMER.—As of interest to our readers, we have compiled the following mortuary statistics for the present summer:

INTERMENTS IN OAKDALE CEMETERY.

During the month of June there were 14 interments; in July, twenty; and in August (so far), only eight. Total, forty-two.

PINE FOREST CEMETERY (COLORED.)

June.—Nineteen colored persons were interred in this Cemetery during the month of June.

July—In the month of July there were eighteen deaths, as furnished by the Secretary.

August—So far there have been seventeen interments during the present month. Total, fifty-four.

By comparing the two reports of Oakdale and Pine Forest Cemeteries, it will be seen that during the space of three months the mortality among the colored people has been greater than among the whites.

CAPTURE OF THE KING MURDERERS.—It is with peculiar satisfaction that we record the capture of three of the gang that murdered, in cold blood, ex-Sheriff Reuben King, of Robeson county. The particulars of that sad tragedy are too well known to require any special allusion in this article.

HENRY BERRY LOWREY.

This outlaw, the leader of the highway robbers, who have long and cruelly reminded the good people of Robeson that they existed in large numbers, is not, as is generally supposed, a negro: but a half bred Indian.

On Saturday night last he was chased for hours through "Black Swamp," but through his fleetness escaped.

THE THREE CAPTURED.

On the same night (Saturday) Dr. W. J. Gilbert and a party of followers succeeded, after a weary pursuit, in capturing Stephen Lowrey, brother of the notorious Henry Berry Lowrey; George Applewhite, and Galvin Oxyendine, all three colored, and all three participators in the murder of the late Sheriff King.

John Dial, (col.) another of the gang, was taken prisoner by another party, and has confessed the whole transaction.

The inhuman devils will be securely imprisoned; and we hope, that we may add, will be punished as they deserve.

RAIN.—A heavy rain fell in this city yesterday afternoon, and from the darkened appearance of the clouds, we presume the wet weather will continue for another day.

TO BUSINESS MEN.—Parties wishing to advertise in any newspaper published in either of the Carolinas may save much unnecessary time and trouble by making their contracts with the MORNING STAR Advertising Agency, which is fully authorized to receive advertisements at publishers' lowest rates. All necessary information given, and advertisements mailed direct to publishers as soon as handed in. Business men will consult their interests by patronizing this Agency. Advertiser pays no commissions. tf

—— Merchants wishing to communicate with the rural sections cannot do better than to avail themselves of the advertising columns of the Morning STAR, which is extensively circulated throughout the two Carolinas, and in other States.

North Carolina in a Nutshell

—The fall term of Wayne county Superior Court will open in Goldsboro next Monday.

—During the last few nights in Goldsboro blankets and heavy counterpanes have been in demand.

—Col. George F. Whitfield lies dangerously ill at his home at La Grange, (late Moseley Hall), and is not expected to recover.

—The Central Agricultural Society, whose fair, to take place at Henderson October 12th, 13th, 14th and 15th, we have previously noticed, offers premiums to the amount of nearly $1,200.

—Rev. A. D. Cohen has resigned the pastorate of the Baptist Church in Newbern, to take effect on the 1st of January next. Mr. Cohen's resignation was on account of the inability of the church to afford him an adequate salary without dividing his valuable services with a day school, in which he has also been engaged for several years.

—Thieves entered the house of a Mr. Latham, in Newbern, last Friday night, and stole therefrom a trunk containing money, valuables, papers, &c.—They carried their prize to a locksmith, who, on opening it, discovered that the property belonged to Mr. Latham and immediately notified the police, who arrested a negro that was sent for, the trunk, but the real thief escaped.

—The *Sentinel* publishes the following reasons why the drawing of the N. C. R. & P. Estate agency did not come off on the 28th of August: Many of the Agents for the sale of tickets had not reported their sales nor returns, so the management could not arrange for the drawing on the day set, and do justice to ticket holders. They further found it necessary to reduce the proportions of the scheme, and also to make a change in the arrangement of the articles included in the prize list, to conform the same to the sales of tickets. Both gentlemen give us assurance that there is no ground for the unfavorable rumors concerning the drawing, or the operations of the Company, and that a full and satisfactory explanation will be given the public, in a day or two, in relation to the whole matter. We were assured that all who are not satisfied with the explanation when given, will have their money refunded on application.
