WILMINGTON AND FAYETTEVILLE.—The Raleigh Standard, alluding to the comments of the Wilmington press on the lowness of the river and the inconvenience occasioned thereby to our business men, says: "Fayetteville, and the country on the upper Cape Fear, suffers much for the want of railroad facilities; and we hope the day is not distant when the river will not be its only outlet."

RECAPTURED.—Anthony McElhenny, a half-witted colored man, who was arrested some time since, for disorderly conduct, and escaped from the custody of the guard house janitor, was recaptured, yesterday, and returned to his old quarters.

SENT TO THE HOSPITAL.—Applications still continue to flow in for admission to the City Hospital. Late Tuesday evening the Marshal granted permission to Geo. Daniels (col.) to enter that institution, and yesterday Christopher Dudley and four children were sent to the same place.

ARRESTED ON A BAIL WARRANT.—A bail warrant having been placed in the hands of officer Sellers, for the apprehension of one Edward Garthia, a German, at the instance of Mrs. P. Railroad; new wharves are being built, &c., &c.

DIRECTORS' MEETING.—The Directors of the Cape Fear Building Association met last night, when, on motion, Geo. Chadbourne, Esq., was called to the chair and W. A. Cumming, Esq., requested to act as Secretary.

Female Diseases. Large numbers of women—in fact almost nine-tenths of the entire sex—suffer from some disease peculiar to females. Dr. LAWRENCE'S WOMAN'S FRIEND meets with wonderful success in curing them. This fact should be widely known. If every lady in the land were to take one or two bottles of the WOMAN'S FRIEND, they would be repaid by a renewed health and strength.

Latest by Telegraph. Thousands of men, women and children have been cured of Diarrhea, Dysentery, Cholera Morbus, Colic, &c., by Dr. H. W. Worthington's celebrated North Carolina Remedy, the only known specific for all painful bowel affections. Ask for Dr. Worthington's Diarrhea and Cholera Medicine—keep it in your house—never travel without it—it may save your life.

Cotton Ties. IN CONSEQUENCE of the unprecedented demand for "BUCKLE TIES," our stock is exhausted, and cannot be replenished under 30 days.

CONVICTION AND SENTENCE OF A NOTORIOUS HORSE-THIEF.—We learn that a notorious horse thief, by the name of Henry Edmundson [alias Henry Chase, formerly of Wayne county, was arrested sometime since in Columbus and upon his trial before the last Superior Court of that county, he was convicted and sentenced to ten years' confinement in the State Penitentiary. He is now in the county jail of

Columbus, awaiting the completion of the penitentiary, when he will be transferred to that institution. It will be remembered by our readers that this same scoundrel was some time since discovered in possession of a horse which he had stolen from some one in this vicinity, and a lively chase ensued between the two ferries on the opposite side of the river, which finally resulted in his escape into Brunswick county. Chase is one of the most notorious horse thieves in the country, and his capture and sentence to a rigorous and lengthy confinement will be a source of gratification to all law-abiding people. We learn that he is charged with having stolen, during his brief but most villainous career, at least fifty different horses, besides the many minor offences of which he has been guilty. Thus, one by one, the transgressors against law and order in our neighboring counties are brought to the bar of justice and made to suffer the penalty of their crimes; and we hope that, very soon, the last one of the infamous wretches who have so long been preying upon the people of Robeson, Columbus, and the adjacent counties, shall be in a condition to suffer for their misdeeds.

—Clem Faucete—an old negro of this place that has been employed as a railroad guard at the upper Endo bridge—was killed Thursday morning by the mail train. He was asleep on the track.—Hillsboro Recorder.

—Mrs. Rebecca Bledsoe Baxton contributes an occasional article to the Standard.

—From the Sentinel we extract the following paragraphs in relation to the Institute for the Deaf and Dumb and the Blind: The President, Willie J. Palmer, Esq., and the subordinate officers, are fitted by mental and moral qualifications for the positions they hold, to educate and care for those sent to the Institution, and it is a great kindness, a misdirected affection which influences parents to keep their deaf and dumb or blind children at home and thus deprive them of the advantages that will so much enhance their happiness in after life. It may be proper to state that provision is made for the colored of this class of unfortunates, as well as the whites. They are lodged and educated in a separate building, hired at present, for the purpose, in the Southwestern portion of the city, where they are, under the direction and supervision of the President.

—The Sheriff of Wake is "gobbling up" taxes to the tune of two thousand dollars per day.

Residuals! It is a source of satisfaction to the Proprietors of the Residuals, that this truly valuable medicine has so won the public favor by its intrinsic merit, that their productions of its success wherever introduced, are fully verified. Proceed from your Druggist to a Residuals Almanac for 1869. Incorporated in it will be found a few of the hundreds of Certificates in possession of the Proprietors, from persons who characterize their recovery as an unimpeachable. They are bona fide, and are in all respects the opinion of those by whom they are given, are not manufactured for the purpose of deceiving a credulous public, but are grateful acknowledgments of benefits derived from a medicine which in many respects, and for many diseases, is superior to any ever discovered.
