OBTAINING MONEY UNDER FALSE

PRETENSES.—The "confidence man" was

around again yesterday afternoon in the

person of a colored boy, apparently about

20 or 21 years old, by the name of Robert

Graham. He, the said Graham, it seems,

met with an intesely verdant country

darkey, bailing from somewhere in Bladen

county, whom he had ascertained had a

sum of money in his possession, and he

laid his plans to relieve him of it.

Going up to "greeny" he proposed to

sell him some meat, stating that he had

three good sized pieces in his bag which

he would let him have for three dollars,

"as long as it was him." Bladen swallow-

ed the bait without a moment's hesitation

and produced a five dollar bill. This

Graham said he was not able to change;

but, saying he would fix it in a minute.

he snatched the five dollar bill and made

off with it. The victim pursued the thief,

but he eluded his grasp. The po-

lice were put on his track, however,

and in a short time they came up with

him, on Front, between Market and Dock

streets, and took him into custody. In

the short time that had intervened-only

about a half an hour-between his flight

and arrest, he had changed his clothes and

come out in an entirely new suit, which

shows that he is an adept in the business.

When taken to the Guard House he was

searched and the five dollar bill was tound

held at the "Clifford House" on Wed-

with the intention of reviving the above

named Club. There is no single city in

the country of the size of Wilmington,

that we are aware of, that cannot boast of

at least two or three base ball clubs, and

we are unable to see why the young men

of Wilmington should be behind those of

other cities in such rational and healthy

amusements. Cold weather is coming on

now, and base-balling will soon be a pleas-

MAIL FROM FAYETTEVILLE TO SHOE HEEL.-We learn from the Fayetteville Presbyterian that in answer to an application, forwarded through Hon. O. H. Dockery, asking the re-establishment of mail service on the old route from Fayetteville to Cheraw, S. C., Gen. Smith, the Second Assistant P. M. General, agrees to give our Fayetteville friends a weekly mail from that point to Shoe Heel-provided a suitable bid is received. This does not meet the demands of the people, but is better than no mail at all, as mail facilities are very much needed in the region of country that the above route would supply. Col. Dockery will secure, if possible, increased service as soon as it. can be made to appear to the Department that the amount of business justifies it.

- The store now occupied by Mr. A. T. Robinson, which has just undergone thorough repairs and has been enlarged and otherwise improved, is now one of the handsomest stores in the city.
