## THE CITY The MORNING STAR is de-

FIFTEEN CENTS per week. Subscribers North of the centre of Market Street will be supplied by Mr. WM. L. MARLOW; and those South of that line by Mr. JOHN B. BURCH. Only these Agents are authorized, in their respective Divisions, to collect city subscriptions.

TO PRINTERS AND PUBLISHERS. We have just received a general assortment of Black Printing Inks, manufactured at C. E.

Robinson's Gray's Ferry Printing Ink Works. We have now on hand Book, News, Job and Card Inks, at prices varying from 25 cents to \$2 per pound. Book, Job and Card Iuks in packages of one, two, five and ten pounds News luks in packages of ten, twenty-five and lifty pounds. We sell these superior Inks at manufacturers' net cash prices, charging nothing for freight from Philadelphia to Wilmington. Printers and publishers in this section will thus see that they can buy them from us cheaper than they can buy them at the manufactory. Give us an order. Terms, cash.

We can also furnish, on short notice. News Inks, in packages of not less than 100 pounds, 20 cents. Except for daily newspapers, however, we never advise the use of ink costing less than 25 cents.

THE CIRCULATION OF THE MORN-ING STAR IS LARGER THAN THAT OF ANY OTHER DAILY NEWSPAPER PUB-LISHED IN NORTH CAROLINA.

Contractors will not be allowed, under their contract, to advertise any other than their legitimate business unless by paying specially for such advertisement.

## TO CITY SUBSCRIBERS.

Mr. James H. Foyles having deeided to remove from Wilmington, the Morning Star will be hereafter delivered to city subscribers by Mr. William L. Harlow and Mr. John B. Burch. Mr. Harlow's Division embraces all subscribers whose papers are delivered at points North of the centre of Market street, and Mr. Burch's Division all South of the centre of Market street. Each Agent acts independently of the other.

Our new Agents will deliver the paper in person; and each is fully authorized to collect subscription money from his own subscribers, from October 1st.

Orders may be left with either of the city Agents, or at this office. Subscribers are particularly requested to report to the proprietor all failures to receive their papers.

Gasy .- Mr. Darby, the Superintendent of the Gas Works, has had his force engaged in laying gas pipes, or substituting new for old, for several days past. The scene of operations so far has been confined to the locality in the neighborhood of the market. The smell of escading gas is not very pleasaut to the olfactories: but, as it is a necessary evil, "what can't be cured must be endured."

THE "CONTEMPT" CASE.-It seems that the "contempt" case, in which our city authorities figured to such an extent, has not yet been decided, as Mayor Neff, through his counsel, has taken an appeal to the Supreme Court. In the meantime he is required to give a bond of \$500 to secure the amount of his fine in the Special Court, pending the adjudication of the matter in a higher tribunal, he to remain in the custody of the Sheriff until the bond is given.

- The attaches of the Skiff & Gaylord Minstrell troupe marched through the streets with a band of music, yesterday, and attracted much attention. | Monday.

Vol. V-No. 20 WILMINGTON, N. C., FRIDAY MORNING, OCTOBER 15, 1869.

CHAMBER OF COMMERCE. - This body met in annual session yesterday. The report of the Committee on Bar and River was presented by Mr. H. Nutt, in writing. Report received and a copy ordered to be sent to each of our Senators and Representatives in Congress.

The Committee was continued, and the recommendation in regard to sending a delegation to. Washington deterred until a future meeting. J. H. Hinson was elected on the Arbi-

trary Committee in place of C. L. Jones, retired. The resignation of Northrop & Cum-

ming and Wallace & Southerland were deferred for future action. That of Mr. Lutterloh was accepted.

The Building Committee reported that they could not get the room which they were instructed to procure, unless they had \$425, or gave security for the payment of that amount; whereupon

Col. DeRosset moved an assessment of \$15 on each member, and that the Secretary collect that amount forthwith, pay the \$425 and get an order for the Building Committee for the occupation of the

The Chamber then went into an election of officers for the ensuing year, with the following result :

President. - Dr. W. W. Harriss. 1st Vice President,-Col. J. W. Atkin-

2d Vice President,-O. G. Parsley, Jr. Secretary and Treasurer .- Col. Roger

G. G. Barker was elected a member of he Chamber.

Col. DeRosset was appointed on the Committee of Appeal. The Chamber then adjourned.

How to PREVENT A PLACE FROM THRIVING,-"If you wish to keep a town from thriving," says an exchange, "don't put up any more buildings than you can conveniently occupy yourself If you should accidentally have am empty dwelling, and any one wants to rent it, ask him about three times the actual value of it .-Demand a Shylock price for every spot of ground God has given you stewardship over. Turn a cold shoulder to every mechanic or business man seeking a home among you. Look at every new comer with a scowl.

"Run down the work of every new workman. Go abroad for wares, rather than trade with those who seek to do business in your midst. Wrap yourselves up within yourselves, and cover yourselves up with a coat of impervious selfishness .-There is no more effectual way to retard the growth of a town than actions like these enumerated, and there are people in every town who are pursuing the above course every day of their lives, and to whom the above remarks are respectfully offered for their careful attention."

THE PENALTY OF WRONG DOING. -James Quinn, who got into a scrape on Wednesday, and tried to fight his way out of it, was taken before the City Court, yesterday, and fined \$100 and costs. Not being in a condition to "foot the bill," be was returned to his quarters in the Guard House, and was straightway initiated in the mysteries of the "chain gang."

CALL CARDS .- For the benefit of the mercantile community Mr. Janney, Agent of the Southern Express Company in this city, has issued Call Cards, which are designed to be hung out in front of the stores of those who may have goods to ship by Express and the drivers of the Express, wagons, in their daily rounds, will see them and call for their articles without further trouble. The facilities of the Company are now such that it can afford to enlarge its sphere of usefulness to the business community, and the issuing of he Call Cards is a very good move in that direction.

THE THEATRE. - Those who visited the Theatre last night must have noticed its improved appearance since they were there last. There is still some room for improvement, but what has already been accomplished shows what a little carpentering and touching up with the paint brash can do towards adding to the attractiveness of a building.

But the main improvements were hidden to the view of the spectators, being behind the scenes, where the hands of the carpenter and plasterer and painter are visible on all sides, and neatnessland cleanliness have usurped the place of rotten, ness, dirt and filth.

- The Steamship Ashland, an occasional visitor in our waters, sailed for New York, yesterday, heavily freighted. Her appearance is the precursor of brisk times, as she only comes here during a season of more than usual activity.

A tew watermelons are still to be found in the market occasionally, but not many would risk the cating of them.

MARKET STALLS .- The Stalls in the Market will be rented to-day, at 10 o'clock, A. M., at Exchange Corner, by S. Van Amringe, Auctioneer.

- The Superior Court of New Hanover County meets in this city on next

SKIFF & GAYLORD'S MINSTRELS.— It was our pleasure to witness last evening the best minstrel performance which Wilconvinced that no itinerant company in the United States is capable of giving so varied and attractive an exhibition. The imitations given by Mr. Talbott and the excellent "Dissolving Views" at the close of the minstrel exhibition are the great features of the performance. Altogether the corps presents a very strong combina tion, and we cannot mention individual members, without doing injustice to other equally meritorious artists.

We would especily commend the performance as entirely free from vulgar allusions or indecencies of any kind. A lady can attend with entire impunity, which is saying a great deal for a minstrel

IMPORTANT TO PUBLISHERS. The subscriber has just received another supply of Robinson's Printing Ink, embracing No. 5 News, in kegs of 25 and 50 pounds, at 25 cents per pound, and Book and Card Inks ranging in price from 30 cents to \$2.00 per pound.

These Inks are sold at manufacturer's net cash prices, and are universally acknowledged to be unsurpassed by any, either in price or quality.

Out of dozens of recommendations received, attention is called to the follow-

OFFICE OF NICHOLS & GORMAN, ) Practical Book and Job Printers, RALEIGH, N. C., Sept. 6, 1869. W. H. BERNARD, Esq.,

Wilmington, N. C.: DEAR SIR :- We received in due time the keg of News Ink sent us. As we have no newspaper, we have been using it for Hand Bills and General Job Work, and it has given entire satisfaction. It works clean, distributes well, and is a good black. For the price, we have never used better-If you have any kegs of Book Ink, of about 25 lbs., send us one keg.

Very respectfully, NICHOLS & GORMAN.

[From the Wilson Plaindealer.]

"We have received from Mr. Wm. H. Bernard, Wilmington, N. C., a can of Printing Ink manufactured by C. E. Robinson, for the sale of which Mr. Bernard is agent for this section. We have tried it, and consider it SUPERIOR TO ANY INE WE HAVE EVER USED, costing so little money—25 cents per pound. We think the money-25 cents per pound. We think the printers of the State will do well to purchase their ink from Mr. Bernard, as we often have miserable stuff palmed off on us by Northern

[From the Charlotte Observer.] IMPORTANT TO PRINTERS .- The clear and beautiful impression we have been enabled to present to our readers for the last few days, was secured by using ink from the Agency of Mr. W. H. Bernard, Wilmington, N. C. Mr. B. furnishes this ink at manufacturer's prices, which makes it cheaper than if ordered from the manufactory direct. This Agency is con-venient, and a great accommodation to prin-ters in this State and a great portion of South Carolina. The inks are of a superior quality, as all can see who are in the habit of reading the publications from the office of Mr. B.—Several of our exchanges are printed with this ink, and without exception, show great improvement since commencing its use. We cannot say there is an improvement in the print of the Observer, for previous to using ink from Mr. B. we had been using a superior quality of book ink, which cost 60 cents per pound at the manufactory—but do not think there has been any falling off in its appearance, which speaks volumes for Mr. Bernard's news inks, which he sells at 25 cents per pound."

[From the Statesville American.] "SUPERIOR PRINTING INK.—We have received from Mr. Wm. H. Bernard, Wilmington, N. C., a sample of Printing Ink made by C. E. Robinson, of Philadelphia, and for the sale of which Mr. Bernard is Agent for the two Carolinas, which is superrior in Quality, as News INE, to any that we have ever used. The net cash price of this ink, in Wilmington, is only 25 cents per pound, put up in twenty-five pound packages, and larger."

I respectfully solicit orders, feeling assured that no printer who has once tried Robinson's inks will be willing to abandon their use. TERMS, CASH.
