-Only two deeds were admitted to probate yesterday. .

- The County Commissioners meet again to-day.

- There was one case for disorderly conduct and one for drunkenness before the Special Court yesterday.

--- The regular monthly meeting of the Chamber of Commerce takes place on Thursday next at 12 M.

THE PRESIDENT'S MESSAGE.—This document is printed in full under the telegraphic head on our fourth page.

-Mr. Wm. R. Singleton, of Washington, N. C., will deliver an ad dress to the Masonic fraternity of this city on St. John's Day.

-The colored fire companies were out yesterday with their engines, for the purpose of regular monthly prac-

- Read the advertisement of the United States Fire Extinguisher in this issue. It is highly recommended by those who have tried it.

- Rev. S. S. Ashley, Snperintendent of Public Instruction for the State, has been in the city for several days past, and delivered an address Sunday on the subject of education.

KAISING A STEAMER.—We learn that the Messrs. Beery are engaged in raising the iron blockade running steamer North East, which was sunk a short distance below the "Dram Tree" during the late "oppleasantness."

-The delegates from this city to the National Labor Congress, to convene in Washington City, left for their destination Saturday evening. They are Rourke, Sampson, Taylor and Denton,

NAVASSA GUANO. The Schr. Louisa Smith, Capt. Orcutt, arrived at this port yesterday, from Navassa Island, W. L, with 225 tons of guano, being the first instalment from that Island for the Navassa Guano Company of this city.

A. AND B .- Two colored individuals by the name of Wright Simmons and John Haggett were before the Special Court yesterday on the charge of mutual assault and battery. They were adjudged guilty and fined \$20 and costs, with a recommendation that it be reduced to one-third of that amount.

A HARD CASE TO MANAGE.-A colored individual by the name of John Jackson, who was fighting drunk and was cursing and abusing the clerk in the store of Mr. Bremer, on the corner of Market and Second streets, yesterday afternoon, was taken in charge by the police, who, after some difficulty, succeeded in conveying him to the lock up. He was very obstinate, the services of four policemen being necessary to manage him, and they were compelled to carry him "hog fashion."

Vol. V-No. 63. WILMINGTON, N. C., TUESDAY MORNING, DECEMBER 7, 1869.

QUEER VERDICT .- The coroner's jury in the case of Randal Shepard (col.), who was found dead in front of his fireplace at his house on the sound a few mornings since, returned a verdict that he came to his death from "accidental burning and old age."

U. S. CNMMISSIONERS' COURT .-The mate of the Schr. Louisa Smith, from Navassa Island, was arraigned before U. S. Commissioner Rutherford, yesterday, through the complaint of a seaman, on the charge of ill treatment on the high seas. An examination into the case resulted in the discharge of the defendant.

DISCHARGED.—The four colored boys, mentioned in our last as having been arrested on the charge of stealing locks from freight cars on the W. & W. R. R., were before Justice McQuigg, yesterday, who, on account of their youth, and from the fact that no felonious intent was shown to have existed, discharged them from custody.

A SARAH-NADE. - We tender our acknowledgments to the members of No 3 String Band" for the compliment of a serenade last evening, which was very inspiriting to our force, who were 'dragging out" on the President's Message. The music was excellent, and balls and parties in want of a good band should count No. 3 "in the ring."

DRUNK AND DOWN .- A white man from the country was discovered laying in the gutter in the street opposite St. James' Church yesterday, atternoon taking comfortable nap. Fearful that he might take cold in such an exposed situation, he was given a softer and more pleasant berth in the Guard House. When taken in charge by the police, the old gentleman seemed to think he had fallen into the company of friends who were going to stand treat," and never 'discovered his mistake until he had arrived at the quarters designed for him.

A RUNAWAY .- Yesterday afternoon, in front of the Post office, on North Water street, a horse attached to a dray, in which was a quantity of hoop iron, got frightened at something and dashed off at full speed in the direction of Market street, strewing the iron in all directions and finally upsetting the dray. Water street is a dangerous place for runaways, as the street and sidewalks are so narrow and generally in such a crowded condition, that pedestrians have to do some tall "skedaddling" to get out of the way.

RETURN OF THE ROBESON COUN-TY PRISONERS .- Yesterday four of the Robeson County prisoners lately taken to Lumberton, were returned to this city, hand-cuffed and under a strong guard .-Their names are Cs lvin Oxendine, Henderson Oxendine Stephen Lowrey and Geo. Applewhite, all colored, and charged with the murder of the late Sheriff King, of Robeson. It seems that their cases were not disposed of by the Superior Court held last week, and are returned to con finement in this city to await their trial at the next term of the said Court at Lumberton. The prisoners were under the charge of Deputy Sheriff W. N. Gibson.

DANGEROUS .- There ought to be, if there is not, an ordinance of the city prohibiting the carrying of more than one or two kegs of powder through the streets at one time and in the same conveyance. In the most of cities it is an offence punishable by a fine of \$100 to be guilty of this thing. Yesterday morning, we are informed, a dray passed along Water street with as many as fifteen or sixteen kegs of powder in it; that it was halted in front of one of the stores, and while in that position a person came along with a lighted pipe and being curious to know what the kegs contained, stooped over and examined them, actually going so far as to knock the fire out of his pipe on the wheel of the dray. A number of gentlemen witnessed the dangerous experiment and made excellent time in getting away from that vicinity. Had a particle of fire come in contact with the powder, the destruction of life and property which would have followed is horrible to contemplate.

COUNTY COMMISSIONERS .- This body met at the Court House in thiscity yesterday. The following resolution was

Resolved, That the Clerk of the Board instruct the County Treasurer and the Clerk of the Superior Court to pay no witness tickets issued by the Clerks of the courts until further orders from the Chairman of the Finance Committee, to whom this subject is referred with power to act and report at the next meeting of this

Order, that the accounts of the Sheriff be left to a Committee of one (Mr. James Wilson) with instructions to report to a meeting of this Board to be held on Friday, the 10th inst.

A. B. Horrell was appointed Constable for Caswell township.

John B. Beasley was appointed Con-

the School fund. J. L. Rhoades was appointed county

REGISTER YOUR LICENSES.—It will be seen by reference to an advertisement in another column, that all persons who practice trades and professions without having their licenses registered, are liable to a penalty of \$20 per day for every day they neglect to do so, and that the Board of County Commissioners have instructed the proper officers to enforce the

MURDER IN BRUNSWICK COUNTY-ONE BOY SHOOTS ANOTHER-THE MUR-DERER BROUGHT TO THIS CITY-HIS SUB-SEQUENT REMOVAL TO SMITHVILLE, &c .-On Sunday morning last a white boy by the name of Jos. W. J. Scott, aged about eighteen years, was brought to this city from some point in Brunswick county, by a colored constable, and lodged in the county jail for safe-keeping. The charge against him is that of murdering a small colored boy in that county a few days since, and the circumstances of the case, as far as we were able to ascertain them, are as follows: It seems that he and the colored boy got into a quarrel about some trivial matter, when the latter called the tormer some hard names, upon which he was told by Scott that if he persisted in such language he would shoot him. Suiting his action to the words he seized a musket standing near, and upon the offensive words being repeated he shot and killed him. The accused says he did not intend to shoot the boy, but merely thought to frighten him. Yesterday he was taken from the jail in this city and conveyed to Smithville, where he will be confined until his case is disposed of by the proper tribunal.

BOARD OF ALDERMEN .- This body met last night, Mayor Neff in the

Petition of A. P. Bridgman for the position of Clerk of the new market, was laid on the table.

An act to empower the Mayor of the city of Wilmington to remove obstructions from the sidewalks of the streets of the said city. Ordered to be forwarded to the Legislature with power to act.

The following resolution was passed: Resolved, That this Board respectfully recommend the General Assembly to continue the Special Court on the basis of the bill recently reported by the Judiciary Committee of the Senate, with the modifications and amendments thereto suggested by the citizens of Wilmington and endorsed by the members of this Board. And they urther recommend to the General Assembly the memorial of the citizens upon this subject in favor of such Court.

Aldermen Arnold, Kellogg, Wilson, Rumley and Howe, being present, voted aye. Not present, and not voting, Aldermen French and Servoss.

Alderman Kellogg gave notice that he would call for the report of the committee on the opening of Bladen street at the next meeting.

The Board then adjourned.
