THE CITY

The MORNING STAR is de-FIFTEEN CENTS per week. Subscribers North of the centre of Market Street will be supplied by Mr. WM. L. MARLOW; and those South of that line by Mr. JOHN B. BURCH. Only these Agents are authorized, in their respective Divisions, to collect city subscriptions.

THE CIRCULATION OF THE MORN-ING STAR IS LARGER THAN THAT OF ANY OTHER DAILY NEWSPAPER PUB-LISHED IN NORTH CAROLINA.

Contractors will not be allowed, under their contract, to advertise any other than their legitimate business unless by paying specially for such advertisement.

— The County Commissioners hold another meeting to-day.

- Spalding's Prepared Glue' -that's the Radical slogan now.

- Clifford is in the field. See his advertisement, and then see him! - A new medicine, for the

cure of political ruptures, is announced. It is called Rutherford's Ready Relief. - The Knight of the Thunder-

ing Lungs singeth low. What's the matter, Duncan?

-The Knight of the Lusty Yell scorneth the proffered bribe. Stand up to em, William.

- All crippled Repooblikins are advised to try Rutherford's Ready Re-

Армитер то Риовате.-Теп deeds were admitted to probate yesterday, by the Judge of the Probate Court.

- Col. Allen Deitton is men tioned as the candidate of the Ready-Relief-Prepared-Glue Republikins for Mayor.

- No session of the Special Court, yesterday, Judge Cantwell not having yet returned from the Capital.

-- The second " Hop " of the Dixie Pleasure Club came off last night at City Hall, and was doubtless the occasion of much enjoyment to all present.

-- Keep your eyes on your ecops, or else as Christmas advances the chickens and turkeys will retire-not without assistance, however.

- Mr. T. J. Cowan, in the Imsement of the Journal building, will guarantee a good shave, with all its necessary accompaniments. Try him.

--- It was common street-talk yesterday that Mayor Neff's Republican triends had "soured on him." It will Neffer do to gib up so, Joe! so, Joe!

- The "Chain-gang" is "growing small by degrees and beautifully less." It now only comprises, seven members,

three of that number being boys. - The "Cock-loft" is again

open for the transaction of business. All Jas. McD. French, Edward Kidder, Geo. open for the transaction of business. All fusionists and confusionists are invited to mingle.

Jas. McD. French, Edward Kidder, Geo.

THE PERSEVERANCE.—We are inport and New York, and for which Messrs. Barry Bros. are agents in this city. The new steamship will be built expressly for this trade, will be a great deal larger than the Regulator, and will be called the in about five months.

## HE MORNING

Vol. V-No. 66. WILMINGTON, N. C., FRIDAY MORNING, DECEMBER 10, 1869.

- We failed to hear of a single Police arrest yesterday.

-In the mending of shins now going on in the Radical camp, Mayor Neff seems to be like the little boy who was kicked by the calf-he "ain't got nothin' to say."

From Holden Township.—John McIntire (col.,) was brought to this city yesterday, and delivered into the hands of the Sheriff, on a commitment issued by Justice J. S. Hines, of Rocky Point; in Holden Township, on the charge of larceny. He was subsequently lodged in the county jail to await his trial before the next term of the Superior Court.

CARRIED BY STORM .- The Chapman Sisters, and the celebrated Comedian, Bishop, seem to have created a perfect furore in Charleston. In alluding to their opening night in that city, the Courier says: "A house filled from the floor to the ceiling, by the beauty and fashion of Charleston, greeted the debut of the Chapman Sisters, at the Academy, last evening, and the applause with which the entertainment was received, exceeded, in enthusiasm, any applause that we have ever heard in a Charleston Theatre." The fanciful Opera Bouffe, "Cinderella," was rendered to an equally large audience on Tuesday night. The Charlestonians evidently appreciate the Sisters.

CHAMBER OF COMMERCE, --- This body met in regular monthly session at noon yesterday, at the Commercial Exchange. But very little business came before the meeting.

Mr. S. D. Wallace was elected a member of the Arbitration Committee.

A communication in relation to regular daily telegraphic market reports, from the agent in this city, was considered and elicited quite a spirited discussion, but the resolution accepting the proposition of the agent, together with an amendment to the same, were laid on the table.

A very creditable display of parliamentary tactics was made on a motion to rescind the late resolution passed by the Chamber in relation to brokerage, which resulted in an adjournment without action.

A COSTLY SPREE, -A colored individual by the name of Fred. McKoy, having come into possession of a considerable sum of money, resolved on Tuesday last that he would indulge in a little frolic. Acting upon this determination he took several drinks of "tangle-leg" whiskey and forthwith became a fit subject for the sharpers; and it was not long before he was in the hands of one of these worthies, whom he charges with enticing him into a house of "ill-repute somewhere in the classic qoundaries of "Texas," where he was speedily "fleeced" of his hardearned " stamps " to the amount of \$93.50, quite a considerable sum for a poor laboring man to be deprived of at " one fell swoop," without any thing in the way of an equivalent to show for it. Upon the complaint of the aforesaid McKoy, a warrant was issued by Justice McQuigg and placed in the hands of Officer Capps, with instructions to arrest the "gay deceiver," who goes by the name of Cornelius Riddick, and yesterday afternoon he was captured and brought before the above named Magistrate, who committed him to jail in default of security to await an investigation, which will be had on Saturday morning, at 11 o'clock. Riddick is a short, thick set mulatto, and says he has been engaged for some time as a laborer at the depot of the W., C. & R. R. R., near this

MARSHALING THEIR FORCES.—The Republicans are marshaling their forces for the approaching municipal contest. At the meeting Wednesday afternoon, we learn, an Executive Committee, to consist of ten members from each of the four Wards of the city, and one from each of the twelve townships in the county, was appointed. The following are the names of said committee:

Henry Taylor, col., L. E. Rice, Hezekiah Reed, col., Owen Dove, col., Allen J. Denton, col., Geo. M. Arnold. col., Robert Sweet, col., W. P. Canaday, J. P. Rourke, col., from the First Ward. Jas. Wilson, Sol. W. Nash, col., E. M. Shoemaker, Geo. Z. French, Jas. McCumber, Geo. W. Price, col., Wm. Kellogg, col., S. VanAmringe, Jas. Lowrey, col., J. P. Sampson, col., from the 2nd Ward. James H. Chadbourne, J. G. Bulchen, Wm. Avant, col., Edward Davis, col., Wesley Avant, col., Jos. C. S. D. Thurston, Brunswick, G. S. Bearer. Hill, col., Chas. I. Grady, J. W. Schenck, J. Jr., Anthony Howe, col., Jos. H. Neff, from the 3rd Ward. Henry Jones, col., Thurbur, col., Wm. McLaurin, col., H. S. Servoss, from the 4th Ward. The followformed that another splendid steamship is ing were selected from the townships namin course of construction at Chester, Pa., ed: Lincoln Township, John Bell; Harnett, intended to run in connection with the Benj. Galloway; Columbia, Wm. T. Mor-Lorillard line of steamships between this ton; Cape Fear, H. E. Scott; Holly, Henry Moore; Masonboro', J. J. Orrell. A committee was appointed to select members

from the other townships. The Executive Committee, as above constituted, will meet at the Court House Perseverance. It is expected that she will | this evening, at 71 o'clock, when, we learn, be ready to assume her place on the line arrangements will be made for the calling of Ward meetings, &c.

A TREAT.-We never yet had the heart to deny that we were fond of oysters. In fact, we confess to a sort of monomania in regard to them. It was, therefore, without the least hesitation that we accepted a kind invitation from Mr. James M. Puckett, last evening, to form one of a party to participate in a "stew" of the luscious, finely flavored "New Rivers," at the Saloon of Mr. R. F. Eyden, on North Water street. The oysters were certainly put up in a style that fully established his claim as a caterer, and, with their accompaniments of champagne and other refreshments, were highly enjoyed and duly appreciated by all present. Those who patronize Mr. P., we are fully assured, will not come away disappointed.

DOMESTIC MARKET.-We give below the state of the city market yesterday, Apples(good quality) were selling at 70 @80 cents a peck; sweet potatoes 70@\$1 a bush; Irish potatoes 40 cents a peck; onions 75 cents a peck; eggs 30@35 cents a dozen; poultry 50@75 per pair ducks \$1.25 a pair; beet 121@16 cents per pound; mutton 15@20 cents per pound; pork 16% cents per pound; veal 16@20 cents per pound; fresh mullets 50 cents per dozen; cabbage 10@15 cents a bead; salt mullets 60 cts, a doz.; oysters (Sound) 20 cts, a quart; turnips 30 cents per peck; coleworts, 5@10 cents a head; clams 20 cts a pck.; New River oysters \$1.25@\$1.50 per bushel; crabs 20 cents per dozen; venison 15@20 cents per lb; new rice 10 cts. a lb; ground peas (new) 1.10a1.25 pr bu.; sausages 25 cts. per pound; mullet roe 50 cents a doz; hogs-head cheese 20 cents per lb. - A grand Catholic Fair opens on Monday night. The Sentinel says: Preparations on a most extensive scale have been made, and this Fair promises to outstrip anything of the kind ever attempted in Raleigh. - The Roanoke News gives the

that the following case has been disposed of in the U. S. Circuit Court: United States vs. Wm. D. Rayner, charged with having tobacco in his possession without proper stamps. N. McKay and T. C. Fuller for defendants, submitted, judgment suspended on payment of costs.

The Washington Intelligencer has the following: A man in Chocowinity district by the name of Ferney Edwards, having, on last Friday, incautiously approached a wounded buck, was attacked and almost instantly killed. Our young friend, James H. Hodges, of this place, killed the same deer late on the evening of the same day.

- Says the Times: "Wilmington has the Cape Fear River, but we learn that they have very little conception what a grand thing a beautiful river is, if they have not seen the Neuse, at and below this city, from one to two and a half miles wide, and studded with ships. It is a grand sight." We have seen it-that is, the river. It is a grand sight. We have never seen it "studded with ships," though. That must be a grand sight indeed! Rosadalis!

There are diseases which cannot be classed under any particular head: such as Debility' Lowness of Spirit, Loss of Appetite, Fain in the Side and Back, Palpitation of the Heart, Yellowness of the Skin and Eyes, little or no Relish for Food, Bad Taste in the Mouth, &c. These symptoms indicate that the Blood is impure, and the functions of the body in a morbid state. Nature will exert herself to remove these disor ers, and often with the assistance of good nursing, much will be accomplished. But, in the majority of cases, it is powerless to avail much unassisted by the proper medicines. In this condition of system, Rosadalis acts as a perfect charm, by purifying the Blood, changing the sec etions and giving tone and strength to the system.
