

# THE MORNING STAR

Vol. V - No. 82

WILMINGTON, N. C., THURSDAY MORNING, DECEMBER 30, 1889

Whole No. 710

**ORDER COUNTERMANDED.**—We learn that the order to admit Thomas Murphy (erroneously printed Smith in yesterday's Star) was countermanded, subsequently, and the unfortunate man taken back to the Work House. This was done in consequence of the fact that Murphy belongs in Columbus County. Dr. J. E. Winants, in charge of the City Hospital, informs us that Murphy's feet, which are terribly frost-bitten, will certainly have to come off.

**A LECTURE.**—We are requested to announce that Rev. J. C. Hiden will deliver a lecture at Thalian Hall on next Friday week, the proceeds of the entertainment to be devoted to the benefit of the new Baptist Church building in this city. Subject: Edgar A. Poe. All who have heard Mr. H.'s inimitable lectures will not need a reminder that they have a rich treat in store for them.

**A GOOD MAN GONE.**—The many friends of Rev. Jas. McDaniel, throughout the State, will regret to learn that he departed this life at his residence in Fayetteville on Saturday, the 25th inst. Mr. McDaniel was a prominent minister of the Baptist church, having for a number of successive years served as President of the annual Conventions of that body. He was also for several years pastor of the Baptist church in this city, but passed the latter part of his days in charge of the church at Fayetteville, where he was universally respected and esteemed. His name was familiar throughout the bounds of the State, and the intelligence of his death will call forth the exclamation from many, "A good man has fallen!" Mr. McDaniel was about 67 years old.

**CHIPS FOR THE LADIES AND OTHERS.**—A Western young lady, has exacted an editorial apology for an error of one hundred pounds in her weight.

**THE WOMEN OF WYOMING TERRITORY** recently granted the right of suffrage number about 700.

**FOUR GIRLS OF PITTSBURG, Pa.,** tempted by the prize of a gold ring, walked five hours on a stretch, and were taken home on a stretcher.

**THE MAN WHO CALLS HIS WIFE A BIRD** must not be disappointed if she asks him to buy her feathers.

**NEAL WARNER,** who is said to be in England what Edwin Booth is in America, will probably appear on the Wilmington boards during the present season.

**SUGAR WEDDINGS,** four weeks after marriage, are the latest device of married Vermonters to keep themselves happy.

**THE LADIES ARE TAKING ADVANTAGE** of the beautiful weather to show their beautiful faces.

**MAN DROWNED.**—Between 8 and 9 o'clock on Tuesday night, at the wharf near the foot of Dock street, a colored man by the name of Cetus Herring, belonging in Elizabeth township, Sampson county, and about 25 years old, fell from a raft and was drowned. It seems that the unfortunate man had just arrived at the wharf, accompanied by his father-in-law and others, when attempting to "take up" his raft at the wharf his head came in contact with the stern of a vessel and he was knocked into the river. Herring is represented to have been an expert swimmer, and he struggled manfully to reach the raft, but it is supposed that he became exhausted from his efforts to escape the suction of the vessel under the stern of which he had been drawn. His father-in-law endeavored to reach him with a pole, but he was too far off, and the poor fellow sank before any further efforts could be made to rescue him. At last accounts his body had not been recovered.

**THE THEATRE LAST NIGHT.**—The second appearance of the Chapman Sisters and Mr. Bishop, with their admirable company, last evening, was welcomed by a still larger audience than on the opening night, evincing the fact that their efforts to please our people is meeting with its just reward. Seldom have we seen a larger and never a more delighted audience, being kept, as it were, under one continued spell of enjoyment. Mr. Bishop, as on the previous night, was "brimful and running over" with humor, and of course his audience could not be otherwise, while the sprightliness and sparkling vivacity of the beautiful and accomplished Blanche and Ella Chapman was, as it received, the admiration and applause of every one present.

**BOTH IN THE RE rendition of the famous musical burlesque, "IXION,"** and in the amusing farce of "A Regular Fix," with which the evening's entertainment was commenced, the difference characters were admirably sustained by all parties, which was evinced by the frequent outbursts of applause which greeted them.

**THE VIOLIN SOLO,** by Mr. Wm. Withers, as on the opening night, was most pleasing as well as wonderful part of the entertainment, and the remarkable skill displayed by him in his performance on the violin drew forth most hearty plaudits from the large audience.

**TO-NIGHT,** the last appearance but one of the Chapman Sisters and Mr. C. B. Bishop, will be placed on the boards "Aladdin, or the Wonderful Scamp," and "My Precious Betsy." Go early, if you would secure seats.

**GONE GLIMMERING.**—Christmas, so long looked for and anxiously expected, is among the things that were, and the monotonous routine of daily life has assumed its quiet and unobtrusive way, only to experience a slight interruption on the close of the old and, it is to be hoped, the dawning of a "Happy New Year."

**ADMITTED TO BAIL.**—In consequence of the anticipated recovery of Mr. August Lessman, his physician having pronounced him out of danger, Jacob Richardson, col., who committed the assault on him recently, was admitted to bail, yesterday, in the sum of \$250.
