Thermometer. The following was the range of the Thermometer in this office, yesterday, at the different hours named :"9, 12, 3 and 6 o'clock :

Wiss McCulloch and Brignoli.

The following paragraph is going the round of our Northern exchanges: "Brignoli and Miss McCulloch are at Newport-unmarried yet, but going to be shortly, at Charleston, S. C., with "great festivity and celat."

Reverages.

Tea, in this weather, is one of the most refreshing beverages available. The most palatable and wholesome tea is made by steeping in a bright tin or porcelain cup, then pouring into a freshly scalded carthen teapot. Thus treated, it will never acquire the astringent quality so deleterious to the teeth and health. Found.

If you have found anything, advertise it in our new department, under head of "Lost and Found," at half our regular rates, for advertisements not exceeding five lines.

Unnecessary.

Our correspondent " Ben Ruel " is respect fully informed that we deem it unnecessary to publish his comunication in regard to the violation of certain city ordiances, as we are informed that the city authorities have already determined to take some action in the matters complained of.

Lost.

If you have lost anything, advertise it in our new department, under head of "Lost and Found," at half our regular rates, for adver tisements not exceeding five lines.

Counterfelt Currency.

A dangerous counterfeit fifty-cent fractiona currency note of the new issue has just been put in circulation. It closely resembles the gemine. The paper used in the genuine is pink tinted. The counterfeit is slightly greenish in color, and the face is somewhat blurred. The words "fractional currency" and stamps are darkly shaded, which is not the case in the genuine. There is also a difference in the back of the notes # BED TARE
