We would respectfully call the attention of our patrons to the fact that we are required to settle promptly for our papers every Saturday, and to enable us to do this requires like promptness on the part of our subscribers.

We beg, therefore, that the city subscribers to the STAR will have the money ready for the collector when called for. Having so many to call on, it is a serious inconvenience and loss for us to have to send more than once for sosmall an amount.

Mt. Olivet Council.

We are glad to learn that Mt. Olivet Council Friends of Temperance, of this city, is continually increasing in numbers and influence and those who are connected with the Council evince a disposition to remain firm. The meetings are well attended and the prosper is in every way encouraging.

Hymenial.

The number of marriages for September, compared with that of the mouth preceding, shows a considerable decrease. From the records in the office of Register of Deeds, we find that there were issued during the month just past sixteen licenses, of which number 8 were for white and 8 for colored couples, During the month of August there were 7 issued for white and 27 for colored couples.

#### Arrested for Profanity.

Peter Gray, colored, charged with gross profaulty and other disorderly proceedings on the public streets, was taken to the Guard House yesterday. He informed Capt. Fitzgerald that one of his children lay dead at home, and begged permission to attend to it, which was granted on his promise of appearing this morning to answer the charge against him. He has a queer way of showing his grief for his deceased offspring.

By reference to our advertising columns it will be seen that Capt. David Pigott has succeeded to the proprietorship of the VanSickle's tobacco establishment on Market street, where he will dispense to the lovers of the weed in all all its various forms the best to be found in the market. Capt. Pigott has had long experience in the business and knows exactly how to cater to the public taste in this particular line of business.

#### City Directory.

We see by the Richmond papers that the excellent plan of designating the streets by transparent signs attached to the gas lamps, at the corners, has been partially carried out in that city. Not only for the information of strangers, but for the benefit of our own people, we think that the city authorities ought, at as early a (ay as practicable, to direct the placing of these or similar indices in every section of the city. They would really be more useful in remote localities than in the central parts of the city.

#### Mortuary.

From the records in the office of R. J. Jones, Esq., Secretary of the Oakdale Cemetery Company, we have the following statement of the number of interments in Oakdale for the month of September: Consumption, 2 drowned, 1; congestive fever, 1; diptheria, 1; cholera infantum, 1; inflammation of the bowels, 1; not stated, 2. Total, 9. Of this number five were infants under 1 year of age, one aged 2 years, and the other three aged 31, 35 and 39 respectively. One of the number died in South Carolina and another outside of the city limits. A good showing for September, one of the sickliest months in the year.

#### Ministers Returning.

Rev. F. H. Wood, Pastor of Fifth Street M. E. Church, reached the city yesterday after a long absence in the rural districts, and will occupy his pulpit to-morrow.

Rev. H. L. Singleton, of the First Presbyterian Church, who has been absent in Maryland for several weeks, will reach home to-day, and, of course, fill the sacred desk Sunday.

For some time many of the chusches have either been closed or services held irregularly; but most of the Pestors have enjoyed needed rest and recreation, and will no doubt now enter on their responsible duties with even more than ordinary zeal.

Change of Judges for Fall Courts. We learn from the Fayetteville Eagle that Judges Buxton and Russell have exchanged parts of their circuits with approval of the Governor. Judge D. L. Russell, of the 4th District, will hold the next term of the Superior Court in Anson, Richmond and Cumberland; and Judge R. P. Buxton of the 5th District will hold the Fail term in New Hanover, Sampson and Duplin.
