THE ADVERTISEMENTS

THE ADVERTISEMENTS. We learn that Judge Cantwell issued an order to Mr. S. VanAmringe, Superintendent of the County Work House, yesterday, for the release from imprisonment of all convicts confined in that institution who have served the term of one month. This action is taken, of course, under the recent decision of Judge Burton, in the case of Jacob Richardson and Louis Shaw, who, the powers that be, had committed to the City Court. We learn that this action of the part of Judge Cantwell will relieve about fifteen persons from their irksome confinement, and we hope that they will sufficiently appreciate the proffered boon of freedom by availing themselves of it. It is a pity that they will be better men and women in the future than they have been in the past. They should certainly be very thankful to Judge Burton for his interposition.
