Special Notice.

We would respectfully call the attention of our patrons to the fact that we are required to settle promptly for our papers every Saturday, and to enable us to do this requires like promptness on the part of our subscribers.

We beg, therefore, that the city subscribers to the STAR will have the money ready for the collector when called for. Having to send or call on, it is a serious inconvenience and loss for us to have to send more than once for so small an amount.

Ordination.

The ordination of a Deacon will take place in the First Baptist church this morning, the ordination sermon to be preached by the Pastor.

Good Idea.

It has been suggested that the poor and destitute, in order to give thanks, should have a good dinner on Thanksgiving Day. A citizen proffers $20 towards that object. We suggest that some of the benevolent contribute to the object and raise a respectable fund.

Dramatic.

The Chapman Sisters and Bishop, with the excellent corps of actors and actresses who make up the star company, concluded their engagement in this city Saturday evening. The "Forty Thieves," a clever burlesque, with the farce "Your Life's in Danger," made up the "bill of fare," and those present appreciated and enjoyed it. The company leaves behind a splendid reputation after a season of brilliant success.

A Paper Walking Stick.

A walking stick made by Mr. L. B. Lyons, of this city, of different colored paper, cut in small round pieces, which were pressed down upon a ramrod which passed through the centre until they became a solid mass, attracted considerable notice at the Fair. The stick is a very fine one and bears the appearance of having been handsomely varnished. About 12,000 pieces of the paper were used in making it, the larger end being surmounted with a handsome ivory head, and the smaller with a brass ferule.

Heroic Action.

Mr. Edward Pomeroy, who was a rider in one of the races at the Fair Grounds on Thursday, performed a deed of heroic daring which we have seldom if ever seen excelled. His horse was on the home stretch and going at full speed when his reins broke and the animal became unmanageable. Seeing that there was imminent danger of his breaking through the crowd which lined the track in the vicinity, he, at the risk of his own life, leaped from the sulky on the horse's back and then, grasping the animal tightly, crawled out on his neck sufficiently far to grasp him by the head and turn it from the direction of the crowd. This action on the part of Mr. Pomeroy, besides showing extraordinary agility and presence of mind, was evidence of his possession of that high and noble impulse of the human heart which would sacrifice self to save the life of others from danger and perhaps death.

It would be proper to state that the above article was prepared for our last issue, but was crowded out.

Thanksgiving.

His Honor, Mayor Martin, has issued the following proclamation in relation to Thanksgiving Day:

MAYOR'S OFFICE,
City of Wilmington, N. C.,
Nov. 20th, 1870.

WHEREAS, The President of the United States and the Governor of the State of North Carolina have each appointed Thursday, the 24th inst., a Day of Thanksgiving and Praise for favors received from our Heavenly Father during the year just past:

I, Silas N. Martin, Mayor of the city of Wilmington, do hereby recommend to the citizens that they suspend business upon that day, as far as practicable, and do meet in their respective places of worship to render thanks to God for all His blessings and pray for a continuance of the same.

I further recommend that, in consideration of the many blessings received by our people during the past year, that the good and charitable people of the city of Wilmington do see to it, that the destitute and afflicted among us are provided with such substantial evidence of God's bounty that their hearts may be made to rejoice and be filled with thankfulness.

Special Premiums.

We are able to publish the following among the Special Premiums offered at the late Fair:

Mrs. H. M. McNair, of Edgecombe, received Mr. Edward Kidder's premium ($20) for the best loaf of bread made without soda, salaratus or shortening.

Mrs. Wm. Larkins, of Wilmington, received Mr. Alex. Oldham's premium (a barrel of flour) for the best loaf of bread made from the Cape Fear Mills.

Mrs. Alex. Oldham, of Wilmington, received the [illegible] premium (a dozen silver desert knives) for the largest exhibition of preserves, jellies, pickles, jams, &c., &c.

Mrs. A. D. Moore, of Wilson, received the Association premium (handsome silver tete-a-tete set) for the largest number of meritorious articles made and exhibited in the Household Department. Mrs. Moore exhibited upward of a hundred and thirty articles of her own manufacture.

The Committee recommend also a handsome silver premium to Mrs. Dr. H. F. Murphy, of New Hanover, for the large and creditable display in this department.

Dr. E. J. Ashe, of Anson, receives the silver cup offered by Messrs. Williams & Murchison for the best bale of cotton. This gentleman also receives the special premium offered by Messrs. Sprunt & Hinson for the best bale of cotton raised in Anson.

The Committee decided that the bale presented by Mr. Alford, of Robeson, was the second best on exhibition.

Mr. Peterson, of Sampson receives the ton of Navassa Guano offered by the Company for the best bale of Cotton raised by the use of that fertilizer.

Mr. Baldwin, of Columbus, receives the ton of Starr Phosphate, for the best bale of Cotton raised by the use of that fertilizer, offered by Messrs. Vick & Mebane.

We will, of course, publish the entire list of premiums as soon as it is complete.

Fire at Goldsboro—The Democrat Office Destroyed—Heavy Loss.

We regret to learn that quite a destructive fire occurred at Goldsboro Thursday night, and that among the sufferers is our esteemed friend M. D. Bates, of the *Weekly Democrat*. We gather the following particulars from the *Observer*:

"On Thursday night, about 12 o'clock, fire was discovered issuing from the roof of the building belonging to Messrs. A. R. Nisbet & Bro. At the time of the discovery, the roof over the room occupied by the *Democrat* office was in a sheet of flame.

The losses are heavy, but from what we can learn, a portion is covered by insurance. Messrs Nisbet & Bro.'s loss is, as near as we can learn, about $10,000, with an insurance of about $8,000. Mr. W. J. Yates, of the *Democrat*, lost everything. The material connected with the office, valued at $5,000, was partly covered by an insurance of $1,000, but his subscription books, papers, &c., were invaluable. Messrs. Morriss & Davidson's furniture sustained considerable damage in moving out. Drs. Smith & Hammond's drug store was considerably torn up and damaged. Wade & Gunnel's book store, the Express office, D. M. Rigler's and the *Bulletin* office were also damaged to a certain extent, and Mr. A. Hales, jeweller, was damaged to about the amount of two hundred dollars; but the heaviest loss falls on Messrs. Nisbet and Bro. and Mr. W. J. Yates.

The fire is supposed to have originated from a flue in the chimney which was in the centre of the building. We understand that Mr. Yates was in his office about 10 o'clock, and there was no fire in the stove at that time."

We deeply sympathize with Mr. Yates, but he is not the man to be overcome by ordinary difficulties. He announces that he will resume the publication of the *Democrat* as soon as new material can be obtained, and requests the subscribers to send him their names, as his books were all burned, and he has no means of ascertaining their addresses except in the manner indicated.

The Lecture.

The Lecture of Ex-Gov. Vance, at the City Hall, last evening, was listened to by a large, fashionable and appreciative audience, and the theme of his able and interesting discourse—"The Boys"—was handled in a masterly manner. We should conceive that we were doing the distinguished speaker a gross injustice were we to attempt to enter into a criticism of the subject matter of his lecture, or attempt to give the substance of it in the short space of an ordinary newspaper report. Suffice it to say, that the large audience manifested their appreciation by the intensity with which they seemed to listen to every word that fell from the lips of the speaker, as well by the frequent applause with which they greeted his effort. Gov. Vance has the happy faculty of so intermingling good humor with the most touching pathos that, either on the hustings or in the character of a public lecturer, he is certain to captivate and enchain the attention of his hearers. His remarks last evening in regard to parental discipline, were generally conceded to be sound and logical, and if carried out in every household in our land there would be less misery around the domestic hearthstone.

Arrest of a Watch Thief.

Frank Wing, colored, was arrested by officers Sellars and Carr, on Thursday, charged with stealing a watch, chain, &c., from a lady of this city at the Weldon depot. He was committed to jail, in default of security, to await his trial before Justice McQuigg, on Tuesday. Officer Sellars informed us last night that he had recovered the watch and chain.

REGULAR MEETING MONDAY EVENING NEXT, at 7 o'clock.

C. W. OLDHAM,

SHALL NATURE BE SUSTAINED?

To give debilitating medicines to the weak is about as sensible as it would be to try to help a man to his feet by kicking him when he was down.

That sort of practice is going out of fashion. It has filled so many graveyards that people no longer believe in it.

If those who are not strong by nature expect to avoid the attacks of disease, they must endeavor to acquire the vigor necessary to resist it.

How is this to be done? Common sense suggests by the use of invigorating medicine.

The great object is to strengthen the system without exciting it.

This object is accomplished by the judicious use of the most potent and genial of all vegetable tonics and alteratives, Hostetter's Stomach Bitters.

Many valuable properties are combined in this preparation. It improves the appetite and renders digestion easy and perfect.

It gives steadiness to the nerves, induces a healthy, natural flow of bile; prevents constipation without unduly purging the bowels; gently stimulates the circulation, and by promoting a vigorous condition of the physical system, promotes, also, that cheerfulness which is the truest indication of a well-balanced condition of all the animal powers.

Summer leaves both the body and the mind more or less exhausted. Now is time to recruit them, and thus forestall the malarious fevers and other complaints which prostrate so many thousands every Fall.

The great increase in the sale of our instruments, has enabled us to reduce our prices for

FIRST-CLASS PIANOS,

from ten to twenty-five per cent. less than any other house offering the same class of instruments in the United States.

While we act upon the maxim of "quick sales and small profits," we make it, at the same time, a special object, to furnish our customers with instruments in no way inferior to the

Best in the Market.

EVERY INSTRUMENT FULLY GUARANTEED FOR SIX YEARS.

Many families have had a desire to obtain a Piano, but could not afford to pay the dealers a profit of from $100 to $300, neither do they wish to purchase a cheap made instrument, that would cost more to keep in repair than it is worth, hence a large class of our music loving people have been obliged to do without.

We can furnish New Seven-Octave Piano Fortes from $175 to $300. Second-hand Pianos from $40 to $250. New Cabinet Organs, $45 to $1,000.
