by the "colonization" policy which has been practiced in that Ward.

The Radicals have determined to make the Fourth Ward the battle-ground; and with this object in view, negroes have been "settled" in that Ward in sufficient numbers, as their purchasers suppose, neutralize the white majority.

We do not make these assertions random. We simply state what we know to be true when we say that negroes have been "colonized" in considerable numbers in the Fourth Ward. And while we feel confident of defeating the enemy, we must say that our confidence arises from the belief that every Conservative in the will register, and vote for Ward SERGIZ A BILLY Grainger and Worth.

- It will be seen that a call is published in our advertising columns this morning for a meeting of the Conservative voters of the Fifth Ward, to be held at the Baptist Church on Castle, between Fifth and Sixth streets, on Monday night, Jan. 2nd, at 8 o'clock.

Roller Skating.

Skating Assemblies at Masohie Hall are now fully inaugurated, the Rollers inving arrived in goodly numbers. We bespeak for the Association a plentitude of success, which it evidently merits. See advertisement.

Died of his Injuries.

We regret to learn that Mr. Henry Graddick, the Engineer on the Wilmington, Columbia and Augusta Railroad, who was so badly scalded by an accident near this city on Sunday, the 18th instant, breathed his last yesterday morning, after intense and long-continued suffering. His remains were taken to Charleston last evening by his afflicted friends.

Alarm of Fire.

About 11 o'clock last night fire was discovered in the house on the corner of Front and Orange streets, occupied as a store and dwelling by Mr. John Cook. The fire originatedin the dining room, supposed from a stove, and was discovered by a member of the family who had not retired. The alarm being given,

The appual meeting of the Stockholde of the Wilmington N. C. Life Insurance Company will be held in this city on Thursday, the 12th day of January.

- News has been a scarce article here since the commencement of the holidays, and judging from the few State exchanges we get it is the same case elsewhere.

- The place of registering in the Third Ward is on Market street, next house East of the Lutheran Church and formerly occupied by Mrs. Lippitt. We mention this because Alley is.

- The two prisoners, Lewis and Parish, recently arrested at Fair Binff, Columbus county, and who are charged with committing murder in Virginia some time since, have arrived in Richmond and have been committed to jail in that city.

cial functionary of this State went to one of elegant suit, not forgetting the important matthe churches in Raleigh on Sunday last in a ter of parting the hair strictly in the middle. state of "deep inebriety," and conducted himself in such a manner as to attract the attention of the congregation.

- Subscribers to the capital stock of the Wilmington North Carolina Life Insurance Company, who have not paid the cash install ments ordered by the Board of Directors, are notified in another column thatsaid payments must be made on or before the annual meet. ing on the 12th of January or their stock will be subject to forfeiture

- A member of the fraternity in this city informs us that one of the most touching incldents connected with the late destructive conflagration in Richmond, Va., and illustrative of the strength of the brotherhood of Knights of Pythias, was the conduct of Capt. Hines, who, with a heroism and devotion unsurpassed, entered the burning hotel and perished in the flames rather than retreat from the task he had voluntarily undertaken : the rescue of a member of the Order whose principles he so grandly enforced and illuminated on that never to be forgotten occasion. All honor to his memory both as a man and Knight of Pythias.

Rev. A. B. Earle.

Mr. Hiden has been informed by telegraph that Mr. Earle, the distinguished evangelist, will be in our city to-day (Saturda7.) The appointments already made at the 1st Baptist Church are for services at 4 o'clock this afternoon, and at 7% o'clock to-night (Saturday.) some persons may not know where Blount's Mr. Earle will also preach three times on Lord's-day, i. e., at 11 A. M., at 3 P. M., and at 71% P. M. We will publish further appointments from time to time as we learn them.
