Illegal Registering.  
A colored man, by the name of Wm. Jack-  
son, was arrested yesterday on the charge of  
illegal registering. It is alleged that the said  
Jackson has been absent from the city for  
several months past, working in another State  
and only returned here within the last day or  
two, and that his attempt to register under  
the circumstances was a violation of the law,  
for which the penalty is thirty days' imprison-  
ment or a fine of \$100. He was required to  
give security in the sum of \$50 for appear-  
ance before Justice McQuigg on Tuesday  
January 3rd.

Myrmidon.  
For the month of December just passed, as  
we learn from the records in the office of the  
Register of Deeds, there were 41 marriage  
licenses issued for parties in this county, of  
which number 18 were for white and 23 for  
colored couples.

Ladies' Benevolent Society.  
We are requested to ask that the Officers and  
Visitors of the Ladies' Benevolent Society will  
please attend the monthly meeting of the So-  
ciety on Tuesday next, the 3rd inst., at pre-  
cisely 4 o'clock, P. M., at the residence of Mr.  
John A. Taylor.

Remember, you cannot register on  
the day of Election.

Skating Assemblies.  
We learn that the Roller Skating Assemblies  
at Masonic Hall yesterday were well attended,  
especially by the ladies, and that all were de-  
lighted with this fascinating accomplishment.  
Of course it will take some little time to be-  
come proficient in skating, and new begin-  
ners will have some trouble at first.

Harbor Master's Report.  
The following is the report of B. J. Lawton,  
Harbor Master, showing the arrivals at the  
port for the month of December: Steamers,  
16; Barques, 1; Brigs, 7; Schooners, 25. Total,  
49, with an aggregate tonnage of 14,775 tons.  
Of these 1 barque, 4 brigs and 3 schooners  
were foreign. Not included in the above were  
19 small vessels.

Every Voter must register before  
the day of Election, or he cannot Vote.

Fayetteville.  
The municipal election in Fayetteville takes  
place to-morrow. The following is the "Peo-  
ple's Ticket," which will be supported by the  
Conservatives: For Mayor, M. McKinnon.  
For Commissioners, Joseph Atkins, Dr. W. C.  
McDuffie, M. A. Baker, J. B. Troy, A. A.  
McKethan, Jr., Wm. Overby, David Jones.

Colored Masons.  
We learn from the Fayetteville Eagle that  
the Grand Lodge of the colored Masonic Frater-  
nity for North Carolina met there on Tues-  
day, 27th inst. There were two delegates from  
Newbern, eight from Raleigh and twelve from  
Wilmington. They turned out in procession,  
with music, regalia, &c., in the evening, and  
made a good appearance, numbering some  
seventy-five or more.

The Township Tax.  
At a meeting of the Board of County Com-  
missioners, held last evening, a citizen having  
made complaint that the tax recently levied  
by the Township Trustees was illegal and op-  
pressive, it was ordered that the Township  
Trustees be notified to suspend the collection  
of said tax until the board shall take action in  
the matter, for which purpose a meeting will  
be held on Tuesday, Jan. 3rd, at 8 o'clock.

Burglary.  
The store of Mr. Martin Bohling, on Front,  
between Castle and Queen streets, was entered  
Friday night and robbed of bacon and some  
other articles. The entrance was effected  
through the front door, which had two locks,  
one of which was broken and a key used in  
the other. Suspicion attached to a certain  
party and a search warrant was issued, but  
none of the stolen goods had been found at  
last accounts.

Slowly Recovering.  
We learn that Dr. J. J. Ling, agent of the  
Wilmington, Columbia and Augusta Railroad  
at Timmonsville, S. C., who was attacked in  
his own house a few nights since by a negro,  
and badly wounded, is slowly recovering,  
though still in a condition of great suffering.  
The negro who committed the dastardly as-  
sault has been arrested, fully identified by the  
wounded man and committed to jail.

Registrary.  
For the month of December just closed, as  
we learn from the records in the office of R. J.  
Jones, Esq., Secretary of Oakdale Cemetery,  
there were 11 interments in said Cemetery, as  
follows: Diphtheria, 3; consumption, 3; pneu-  
monia, 1; dropsy of the heart, 1; lingering  
illness, 1; spinal disease, 1; accidental; not  
stated, 1. Of these 6 were adults and 5 chil-  
dren.

City Court.  
The following cases were disposed of yester-  
day morning:  
Walter Raney, charged with petty larceny  
in three different cases, in each of which he  
was found guilty and judgment rendered for  
the penalty and costs.  
Albert Fillmore, white, charged with va-  
grancy and committing a common nuisance—  
two cases—was found guilty. Judgment, for  
the penalty and costs in one case and a com-  
mitment for 30 days in the Work House in the  
other.

The Home Insurance Co. of New  
Haven.  
Immediately upon the appearance of the  
telegram in yesterday's paper, affecting the  
reputation of the "Home Insurance Company,"  
of New Haven, Connecticut, Messrs. W. L.  
Smith & Co., the Agents in this city, took im-  
mediate steps to protect the interests of policy  
holders in said Company by transferring their  
insurance into other companies, until definite  
information of the standing of the "Home"  
can be ascertained. As far as possible, policy  
holders were advised of their action in the  
premises; all others receive such notification  
through our advertising columns this morning.

Protracted Meeting.  
Rev. A. B. Earle arrived here yesterday  
evening to aid Mr. Hiden in a protracted  
meeting in the First Baptist Church. The very  
extraordinary success which has attended the  
preaching of this distinguished evangelist in  
New York, Richmond, Memphis, Raleigh, and  
various other places, is a sufficient intro-  
duction for the same. He promises to-day at 11  
A. M., at 3 P. M., and at 7 P. M. in the 1st  
Baptist Church, and will continue the meet-  
ing to night till further notice. He will also  
preach on Monday afternoon at 3 o'clock. We  
will publish his further appointments as soon  
as we are advised of them.

a daily or weekly newspaper, which will keep  
the donor in constant remembrance through-  
out the year?  
—The installation of officers of Stonewall  
Lodge, K. of P., takes place to-morrow night.  
This will be the first ceremony of the kind  
that has taken place since the organization of  
the Order here.

The mortality statistics of the city show  
that there were 116 deaths reported for the year  
1869; for the year 1868 there were 149 reported  
and for 1870 the number is 118. A somewhat  
noticeable coincidence is in the fact there were  
just two more deaths in 1870 than in 1868.

Register before the day of Election.

Tourism at South Washington.  
A correspondent at South Washington, in  
this county, informs us that that place was  
favored with the rare novelty of a Tourna-  
ment on Thursday last. Although the morn-  
ing was unfavorable, "old Mother Earth" be-  
ing clad in a white mantle of Heaven's man-  
ufacture," yet quite a number of the youth and  
intelligence of the surrounding country made  
their appearance in due time. The young  
knights acquitted themselves handsomely,  
the riding being easy and graceful. The result  
was as follows: The Knight of "No  
Hope," Mr. T. H. Pigford, proved to be the  
first most successful Knight and crowned Miss  
Lizzie H. Tate Queen of Love and Beauty.  
The Knight of "Reference," Mr. L. C.  
Powers, second successful Knight, crowned  
Miss Hattie E. Faison as 1st Maid of Honor;  
the Knight of the "Lone Indian," Mr. De-  
berney Smith, third most successful Knight,  
crowned Miss Della D. Hall as 2nd Maid of  
Honor, and the Knight of "Night Before Last,"  
fourth most successful Knight, Mr. John B.  
Love, crowned Miss Hattie Powers as 3rd Maid  
of Honor.

Our correspondent adds: "It has been a  
long time since the old time-honored and an-  
tiquated place has been rejuvenated by so much  
merriment and happy pastime, and we feel  
quite safe in stating that not a drop of ardent  
spirits was tasted, seen or smelt."

If you wish to Vote, you must reg-  
ister before the day of Election.

Storm Signals.  
The following circular has been issued, by  
which it will be seen that the signal station in  
this place will commence operations on the  
1st day of January, and that every facility will  
be afforded the public for procuring the re-  
ports:

TO THE PRESS.  
I am instructed by the Chief Signal Officer  
of the Army to inform you that, by direction  
of the Secretary of War, the Weather Reports at  
the station established in Wilmington, N. C.,  
under the act of Congress providing for the  
observation and report of storms by tele-  
graph and signals for the benefit of commerce  
on the Northern lakes and seaboard, will be  
furnished gratuitously to such papers as may  
desire to publish them, for the information of  
their readers. The Observer, Sergeant Robert  
Seiboth, stationed at Wilmington, N. C., has  
been instructed accordingly, and is directed to  
afford you every facility in procuring reports  
from his office. The regular Reports are or-  
dered to commence on January 1st, 1871.

Very respectfully,  
[Signed] H. M. HOGWATE,  
2nd Lieut. and Bvt. Captain U. S. A.,  
Ass. and Assistant.

### PAIN KILLER A Cure for Diphtheria!

All interested, please read the fol-  
lowing extract from a letter from Mrs.  
Ellen B. Mason, wife of Rev. Francis Mason,  
Toungoo, Birmah:  
"My son was taken violently sick with dip-  
theria, cold chills, burning fever and sore  
throat. I counted one morning ten little  
vesicles in his throat, very white, and his ton-  
gue, towards the root, just like a watermelon,  
all of which he refused to swallow. I tried  
as a knife blade. So many children have died  
around here, I was afraid to call a physician,  
and thought I would try your Pain Killer for  
a gargle with small doses inwardly. I did so,  
and found the gargle invariably cut off the  
vesicles, and he raised them up, after covered  
with blood. He was taken on Sunday, 4 o'clock  
Wednesday his throat was clear, and his ton-  
gue rapidly clearing off. I also used it as a  
nymph, with castor oil and hartshorn, for his  
neck. It seemed to me a wonderful cure,  
and I can but wish it could be known to the  
many poor mothers in our land who are losing  
so many children by this dreadful disease. So  
I have found your Pain Killer one of the  
most valuable medicines ever used in Birmah.  
Once I was stung by a very large black scorp-  
ion; the pain was indescribable. I imme-  
diately applied the Pain Killer, (for I never  
travel without it) again and again, and in  
half an hour my foot was well."

Dr. Walton writes from Cochecton: "Your  
Pain Killer cures this new disease—Diphtheria  
or Sore Throat—that is so alarmingly preva-  
lent here; and it has not been known to fall  
in any instance when used in time. This fact  
you should make known to the world." (It is  
used in this disease as a gargle and lotion, as  
well as a tonic and stimulant.)

In Halifax, where this disease prevailed  
for many months in its most malignant form,  
the use of FARMER DAVIS' PAIN KILLER was in-  
stantly successful in every case. It was used  
in the throat, in the chest, in the stomach, in  
the bowels, when it was used the disease had  
made too much progress to preclude the use  
of so powerful a stimulant.

THE BODY AND ITS NEEDS.  
Considering the extreme sensitiveness of  
the human body, and that it is unprotected  
except by artificial covering, from the action  
of cold, it is not strange that at this season it  
is liable to many disorders. The skin exer-  
cises a powerful influence over the stomach  
and bowels, and when its functions are in-  
terrupted by sudden chills that seal the pores  
and prevent evaporation from the surface, in-  
ternal congestion is apt to ensue. The diges-  
tive organs never perform their office prop-  
erly when this is the case, and the waste mat-  
ter of the system, which should be discharged  
in part through the perspiratory glands, hav-  
ing no other outlet than the bowels and the  
kidneys, constipation and a variety of renal  
diseases are more or less prevalent. Dyspep-  
sia, where it exists, is also aggravated by these  
causes. The most effective preventive of, and  
remedy for, disturbances of this nature is  
Hostetter's Stomach Bitters. Acting as a  
stimulant and tonic, it rouses the stomach  
and the intestines, imparting to those impor-  
tant organs both activity and regularity. It  
also operates as a sudorific, by toning the  
vessels of the skin and promoting the free  
passage of excremental matter through the  
natural sieve of the system. Being a mild  
diuretic, it gives a healthy impulse to the  
action of the kidneys, where there is a ten-  
dency to dropsy, and as a blood purifier and  
nourisher, it gives a beneficial effect in rheu-  
matic cases. It combines in happy propor-  
tions the tonic, alterative, aperient, antiseptic,  
diaphoretic and antispasmodic properties  
 requisite for the restoration of a system gen-  
erally disordered, and has no equal as a win-  
ter medicine.
