Post Office Money Orders may be obtained in all the cities, and in many of the large towns. We consider them perfectly safe, and the best means of remitting dry dollars or less.

Registered Letters, under the new system, which went into effect June 1st, are a great improvement over the old system where P. O. Money Orders cannot be easily obtained. Observe the *Register* as well as postage, must be paid in stamps at the office where the letter is sent, or it will be liable to be taxed at the Dead Letter Office. Postage and the stamp both for postage and registry, put in the money and seal the letter in the presence of the post-master and take his receipt for it. Letters sent in this way to us are at our risk.

THE MORNING STAR is delivered to City Subscribers at FIFTEEN CENTS per week. Subscribers North of the centre of Market Street will be supplied by Mr. W. L. MARLOW; and those South of that line by Mr. JOHN R. BURCH. Only these Agents are authorized, in their respective Divisions, to collect city subscriptions.

Police Arrests.
A colored man by the name of Joe Chancen was arrested by the police yesterday afternoon, on a peace warrant issued out by his wife. He gave security for his appearance this morning before the City Court.

A colored woman was also arrested by the police, but we were unable to learn the charge against her. She gave the necessary bail.

The Cemetery Walk.
We learn that parties in the vicinity of the plank walk leading to the cemetery have been in the habit lately of tearing up the planks and carrying them off, as suppose, for firewood. The walk was naturally getting into a dilapidated condition, and if the practices alluded to is continued for a little while it will soon disappear entirely.

Meeting of Mechanics and Laborers.
At a meeting of the Mechanics and Laborers of Wilmington, held at Thornton's Cart House in the First Ward, yesterday morning, Mr. Henry O'Brien, was appointed temporary Chairman and Mr. Geo. H. Zimmerman, Jr., was requested to act as temporary Secretary.

It was moved and adopted that a committee of three be appointed to secure a suitable place of meeting.

Adjourned to meet again on Monday evening at 7 o'clock, over J. G. Banham's store, corner Market and Front streets.

All Quiet in Robeson County.

Robeson county has been unusually quiet for some time past, as the local columns of the city papers have sufficiently attested. The Robesonian thinks the presence of the U. S. troops has something to do with this state of affairs, and that the present quietude is only the calm that precedes the storm, which will burst out with long and sudden violence. The troops shall have their work cut out. By that time the outlaws will have been so nearly starved out that their rapacity will cause them to commit worse outrages if possible than they have heretofore perpetrated.
