Look Out For Them.

We learn that intelligence was received in this city, yesterday, to the effect that an ex tensive robbery was committed in a panwabro ker's shop in Norfolk, about 12 o'clock on Tuesday night. The articles stolen consisted of watches, jewelry, clothing, &c., and it was supposed that the perpetrators of the robberg had come in this direction. Our police should be on the alert.

City Court.

Wm. Winfield, arraigned for disorderly conduct, was found guilty and required to pay the penalty and coats.

John Dyer, charged with being disorderly, was found guilty and required to pay the penalty and costs.

The Case of Perjury.

The case of Anthony Bawes, colored, charged with perjury in the prosecution of the case against Maj. Engelhard, of the Journal, for slleged intimidation in the late election, came up before U. S. Commissioner McQuier, yes-The defendant waived an extion, and was thereupon required to give security in the sum of \$500 for his appearance at the next term of the U. S. Dietrict Court.

sonal collision on the Wilmington, Columbia and Augusta Railroad, one day last week, the cause of which it has not learned, between a prominent Railroad official and a citizen of South Carolina. The argument was a "knock down one," soon followed by a challenge. The friends of both parties in Augusta have been

trying to prevent the "dernier resort."

Incendiarism.

The Gin House of Dr. J. E. Byrd, of Timmonsville, S. C., was discovered on fire about 5 o'clock on the morning of Tuesday, the 24th inst. The alarm was given and the fire fortunately extinguished, with the loss of only a small lot of seed cotton and slight damage to the house. No one had been in the gin house, for a week previous, and the house is not within a hundred yards of any other buildings, which marks it as clearly the work of au incen-THE REDAY, WOTH MICES I

Sire is a larger stauncher built, three-masted schooner, with double decks, splendid cabin, with staterooms handsomely and conveniently

ful craft, as all the half been on board of her will attest. She was built by J. S. Ellis, at Tottenville, Staten Island, for Messes. Will iams & Murchison and others of this city, is commanded by Capt. W. C. Jones, formerly of the Schr. Beu, who is as gallant a tar as ever trod a quarter-deck, and is intended expressly for this trade. She is besides being one of the handsomest—one of the largest vessels that ever sailed rout of this port, being 148 feet from stem to stern, 128 feet in length of keel, 38 feet in width of beam, 151/2 feet in depth of hole, and registers 213 tons. She is built entirely of oak on the entside and of pitch pine in her "internal arrangements," and was very recently launched, this being her first trip. entodo remisias resport

We wish the noble craft and her enterprising owners the most abundant success:

The Lecture Bant brauer

Notwithstanding the threatening appearance of the elements, and the sudden change of the temperature from the realty spring like weather which we have experienced for several days past to an almost freezing point, there was quites languessemblage at Thalian Hall last evening to hear the lecture of Rev. Dei Poudleton uponstim aubject, of d'figni B. E. Lee in Retirement, his Jest Days, his Illness and Beath & The distinguished lecturer was introduced to the andience by Gen. R. E. Colston. It was not our good fortune, owing to a press of other business, to hear but a replete with interest from the commence-ment to the close. The character of the Innertest Chieftain in all the selections of life, but more especially in the family circle, in his college among his students, in the house proper and in the quiet white of their life, were so feelingly and faithfully portrayed, that all inetinctively felt, as the speaker showed that he felt, that train it might be said, when Gen, Lee passed from earth; a great and gar

None could be found better sole to speak with a perfect knowledge of his character than Gen. Pendleton. Intimately associated with him in the army, and afterwards as his pastor and friend at his home in Laxington, seeing was adopted, that the Replication by reand conversing with him daily and being frequent visitor around the demestic hearthbetter and certainly no one was propingly appropriated either the greatness of his phillies

The amendment was opposed by Messrs. Graham, of Orange, Robbins, of Rowan, Cowles and others. On motion of Price, colored, further

consideration of bill and amendments made special order for to morrow at half Mr. Linney, a bill concerning jurisdiction of Justices of the Peace in certain

Mr. Norment, a resolution in favor of B. A. Howell, late Sheriff of Robeson Mr. Graham moved to take up bill to

incorporate the Warrenton Railroad Company, and put it on its third reading .-Was taken up, and passed. HIGH COURT OF IMPEACHMENT.

Chair announced the hour for the organization of the Court of Impeachment, and directed Committee to wait on the Chief Justice and conduct him to the Court. Chief Justice was conducted to the Chair, and called Court to order.

Mr. Sparrow, for Managers, arose and said: Mr. Chief Justice, I am charged by the Managers to submit the replication of the House of Repsesentatives, to the answer of the Respondent, W. W. Holden, Governor of North Carolina, to the articles of Impeachment preferred against him by the House of Representatives, and ask that it be read by the Clerk of the Court. The Clerk read the following:

Replication by the House of Representatives of the State of North Carolina, to the answer of William W. Holden, Gov-erner of the State of North Carolina, to the articles of impeachment exhibited rainst him by the House of Representa-

The House of Representatives of the State of North Carolina have considered the several answers of William W. Holien, Governor of North Carolina, to the several articles of impeachment against themselves and all the people of said State, and reserving to themselves all advantage of exception to the insufficiency and irrelevancy of his answer to each and and irrelevancy of his answer to each and all of the several articles of impeachment exhibited against the said William W. Holden, Governor of said State, do deny each and every averment in said several answers or in either of them, which denies or traverse the acts, intents, crimes, misdemeanors, offences or misconduct charged against the said William W. Holden in said articles of impeachment or either of them: and for replication to said answer do say that the said William W. Holden, Governor of said State, is guilty of the high crimes, misdemeanors and offenses mentioned in said articles, and that the House of Representatives are ready to

was adopted, that the Replication be re-ceived and filed, and that an authentica-ted copy be furnished to Respondent and

Mr. Sparrow mmounced on part of Manappreciated sither the greatness of his intellect agent, that the Board would be prepared or the goodness of his heart. This was plain. to proceed with the trial on Monday next.

all possible dispatch.

Mr. Robbins, of Rowan, offered a substitute that the Benate adhere to the order heretofore adopted, that the trial proceed on the 30th inst. Upon call of ayes and mays, the substi-

tute was adopted.

Mr. Norment submitted an order that the Managers on the part of the House of Representatives, together with their counsel, and also the Respondent and counsel be requessed to take notice of the hour of the sitting of the Court of Impeac the proceedings of the Legislature from and regulate their attendance according

> On motion of Senator Moore, the Court of Impeachment adjourned until Monday pext at 12 m.

Mr. Jones resumed the Chair, and called the Senate to order 79 to and the M Mr. Gilmer moved to take up bill which was laid over this morning and made spe-cial order for to-morrow at 10:80 o'clock, a.m. (Bill to consolidate the N. C. and
