There was no meeting of the Chamber of Commerce yesterday, as announced, there not being a quorum of the members present, but an important special meeting will be held at the Commercial Exchange this morning, at 11 o'clock, when a full and punctual attendance is desired.

The Concert Monday Night.

Remember the grand concert is to come off at the Theatre on Monday night and go to Heinsberger's and secure your seat. It will be a splendid musical treat, and one richly worth the price of admission. Many of the reserved seats, we learn, have already been engaged, and the cry is, still they come.

A Fugitive.

A dispatch was received from W. H. Brimley, Special Deputy Sheriff of Halifax county, yesterday, directed to Chief of Police of this city, requesting the arrest of Jno. Jones, Distillery, a bright looking colored man, wearing a snuff-colored plush hat. He is a fugitive from Halifax, but his crime is not mentioned in the dispatch.

Grand Skating Festival.

The first Award Night Skating Festival of the Wilmington Skating Association comes off at City Hall, this evening. Several accomplished skaters from abroad are expected to be present, and altogether it will doubtless be a grand gala evening—one of the most enjoyable, in fact, in the history of Roller Skating in Wilmington. For full particulars, see the printed programmes which have been issued for the occasion.

La Rue's Equestrians.

Mr. Van Sickle, the advance agent of the celebrated La Rue's Equestrians arrived in this city last night and informed us that this splendid troupe will be in our city on Thursday morning next, and remain three days. The La Rue's visited our city years ago, and their performances were highly commended and highly appreciated, so our people say. Since then many attractions, we are informed, have been added to the troupe, and we look forward to a rich treat.

To Those Interested.

The contractors for the erection of the new building for the Wilmington Hook and Ladder Company have noticed the authorities that on the side where the structure is to be raised there are several stones erected to the memory of deceased persons who have been buried there. The friends of the parties are requested to adopt immediate steps for the removal of the bodies to some other place. The building is to be erected near the corner of Fourth and Dock streets, next to Mr. W. A. Wright's stables, on ground belonging to the city.

Appointment.

Mr. Jno. Dawson has been appointed General Freight and Ticket Agent for the Wilmington and Weldon and the Wilmington, Columbia and Augusta Railroads, to whom all matters of correspondence, claims and tariffs pertaining to the freight and passenger departments of their roads will hereafter be addressed. Mr. Dawson has had a great deal of experience in Railroad business in the Old North State, and is a gentlemanly, courteous, attentive and efficient officer. Mr. D. has entered upon the discharge of his duties.

Rev. Dr. Deems.

Much feeling was excited in the community yesterday afternoon, by a report in the Baltimore *Gazette* to the effect that Rev. Dr. Deems and his wife were among the victims of the terrible accident on the Hudson River Railroad on Monday last. It was reported as a fact in two distinct paragraphs, while in another it was contradicted, which left a doubt, and his friends knew not what to believe. Last night we received the *Herald* of Wednesday, which contained particulars of the accident, with a list of the killed in which no mention is made of Dr. Deems. Besides this, we have the best reason, otherwise, for stating that the report is *certainly untrue*.
