

W. M. H. BARNARD, Editor and Proprietor.

THE CIRCULATION OF THE MORNING STAR IS LARGER THAN THAT OF ANY OTHER DAILY NEWSPAPER PUBLISHED IN NORTH CAROLINA.

TO BE ABOLISHED.

A recent freak of Radicalism is the decision of the Senatorial caucus...

At a period of almost universal official rottenness, when Federal corruptions are so glaring and undisguised...

Radicalism proposes no surrender of its grasp upon the pocket of the nation. Confident of a brief career...

Upon its entrance into power in 1873, the Democracy will encounter a heavy task in the line of reform.

Statistics show that one out of every fourteen marriages in Rhode Island is annulled.

An old lady in Massachusetts who "remembers Washington," has rather overdone it.

Palmetto Leaves.

Bishop Lynch has gone North.

Alston postoffice, in Fairfield county, has been re-established.

Mr. Patrick Flynn, an old resident of Columbia, died Saturday.

Mr. Paul Tamplet, a prominent citizen of Georgetown, is dead.

The Irish Societies are making great preparations for the celebration of St. Patrick's Day in Charleston.

The Yorkville Enquirer contains a number of cards from various persons giving notice of their abandonment of the party of moral ideas.

Rev. S. J. Prime, the distinguished editor of the New York Observer, is traveling South for the benefit of his health.

The Courier says Dean Thompson, a colored pilot belonging to the steamer Emily, was lost overboard at Santee Bar Saturday.

The Charleston News says: It is stated that a number of our citizens will go to Columbia this morning to confer with the Governor on the subject of the troubles in the upper country.

TRouble WITH THE PROTECTIONISTS.

The Washington correspondent of the New York Tribune tells of the tribulations of the Radical party in manipulating the Committee of Ways and Means.

WILMINGTON AND WELDON RAILROAD.

In the course of his testimony before the Railroad Investigating Committee, at Richmond, a few days since, Mr. R. R. Bridgers thus explained the manner in which the gentlemen irreverently termed the "Baltimore Ring" became connected with the Wilmington and Weldon Railroad.

PHYSICIANS USE THEM IN THEIR PRACTICE.
