DON'T PRESUME UPON THEIR INTELLIGENCE.

The Cincinnati Enquirer, in advising against bogus Ku Klux reports sometimes set on foot, as a matter of fun, by our newspapers, says: "Southern editors must know that nothing is too absurd or preposterous in that line that will not readily be believed by the Republicans North."

CLOSE ELECTIONS.

DR. J. W. BRIGHT.

"Schnapps" is a remedy in chronic catarrhal conditions, etc.

I take great pleasure in bearing highly creditable testimony to its efficacy as a remedial agent in the diseases for which you recommend it.

Having a natural tendency to the mucous surfaces, with a slight degree of stimulation, I regard it as one of the most important remedies in chronic catarrhal affections, particularly those of the genito-urinary apparatus.

With much respect, your obedient servant, CHAS. A. LEAR, M. D., New York.

UDOLPHO WOLFE, Esq., Present: DEAR SIR: I have made a chemical examination of a sample of your "Schiedam Schnapps," with the intent of determining if any foreign or injurious substance had been added to the simple distilled spirits.

The examination has resulted in the conclusion that the sample contained no poisonous or harmful admixture. I have been unable to discover any trace of the deleterious substances which are sometimes employed in the adulteration of liquors.

I would not hesitate to use myself, nor to recommend to others, your medicinal purposes, the "Schiedam Schnapps" as an excellent and objectionable variety of gin.

Very respectfully yours, (Signed) CHAS. A. SEELY, Chemist.

The Great Medical Discovery!

DR. WALKER'S CALIFORNIA VINEGAR BITTERS, Hundreds of Thousands Bear testimony to their Wonderful Curative Effects. WHAT ARE THEY?

They are a genuine and powerful tonic, and are the only medicine of the kind that can be taken by the weak and delicate, and by those who are suffering from indigestion, or from any of the ailments of the stomach and bowels. Send for a circular.

FOR FEMALE COMPLAINTS, whether in the form of irregular menstruation, or of any of the ailments of the female system, these Bitters have no equal. Send for a circular.

THEY ARE NOT A VILE FANCY DRINK, Made of Pure Rum, Whiskey, Proof Spirits and Refine Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restoratives," &c., that lead the tippler on to drunkenness and ruin, but are a pure Medicine, made from the Native Root and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are cured by Vitified Blood, which is generally kept impure by derangement of the Digestive Organs.

HYPERPLASIA OR INDIGESTION. Indigestion, Flatulency, Colic, Constipation, &c., are cured by these Bitters. Indigestion of the stomach, that leads to the Mouth Blisters, Acidity, Pain in the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

The vigorous use of this Bitter stimulates the appetite and bowels, which render them of unequalled efficacy in cleansing the blood, of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Boils, Spots, Pimples, Freckles, Bells, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Itchings and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time, by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitified Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the Blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and expelled, without danger, by the use of
