tjuly1 A. ANHALT.

Special Police.

We learn that Mayor Martin has authorized and empowered the conductors of the various street cars to act in the capacity of special police. This is done to facilitate the arrest of parties who are in the habit of throwing rocks at the cars and otherwise disturbing and annoying passengers.

His Name.

The man who was killed on the Wilmington, Columbia & Augusta railroad on Saturday evening was Walter B. Campbell, from Chillicothe, Ohio. The deceased was in an intoxicated state, and had been walking up the track. It is supposed that he fell asleep upon it, and did not notice the approach of the train. His body, terribly mangled, was carried to Florence on the train, and an inquest held over it. The deceased was a soldier, and formerly a member of Company B, 7th United States Cavalry.

—Common sense is valuable in all kinds of business except love making.

Another Richest in the Field.

Duncan Holmes, otherwise known as the "Knight of the Thundering Lungs," expresses his determination to take the field against Convention. He will canvass some of the adjacent counties, including Sampson, in which latter it will be remembered that on one occasion he went there with the purpose of giving the denizens of that land of buckberries and imaginary Ku Kluxes a few crude remarks in favor of Republicanism, but, under the pressure of circumstances, finally changed his mind and treated his delighted auditory to a downright Democratic speech, calling on his colored brethren never to desert their old masters, but to vote with them every time!

City Court.

The following cases were disposed of yesterday morning, the docket being weightier than usual:

Calvin Blackwell, charged with cursing, quarrelling, &c., on the street, and insulting a public officer while in the discharge of his duty, was found guilty and fined \$100 and be imprisoned at the discretion of the Mayor not exceeding 60 days. The Mayor recommended not to enforce the imprisonment because the power is doubtful.

State and City vs. Calvin Blackwell, charged with striking a woman, Gilly. Judgment for the penalty and costs, defendant required to find security in the sum of \$100 for his appearance at the Superior Court.

John Turner, charged with fighting, quarrelling, &c., with Buck Powell, was found not guilty and discharged.

Two cases up for throwing stones in the streets with sling shots, breaking out windows and endangering passers by. Defendants submitted.

One case for disorderly conduct, in which defendant submitted.

A colored individual, whose name we are requested to withhold, was up in two cases for assault and battery and fighting, quarrelling, &c., in one of which he was required to pay the penalty and costs and in the other one penny and the costs.

# MORNING STAR.

Vol. VIII—No. 82. WILMINGTON, N. C., WEDNESDAY, JUNE 28, 1871. Whole No. 1,172

Local Notes.

—The Raleigh Telegram comes very irregularly. Can either of the Johns assign a reason for it?

—Two colored male patients were granted permission yesterday to enter the City Hospital for treatment.

—Calvin Blackwell alias Blackwell was sent to the Work House yesterday to serve out the sentence of the City Court.

—The display in the windows of various stores on Market Street indicates the near approach of the 4th of July.

—We are indebted to Mr. Heinsberger for a present of one of those indispensable articles to a reporter, a pocket memorandum book.

—The latest curiosity in the vegetable line was a cabbage in the market yesterday morning with eleven heads, all well formed and solid.

—We notice that the pump at the head of the Market has been put in order and will doubtless prove a great convenience in washing out the market, &c.

—The 1,500 colored excursionists who are to come here from Charlotte on the 3rd of July are expected to participate in the grand excursion to Abbottsburg on the 4th.

—We learn that the dwelling house of Mr. Alex. Southerland, who resided near Kenansville, Duplin county, was destroyed by fire a few days ago, together with its contents.

—Regular monthly communication of St. John's Lodge No. 1, F. and A. M., on tomorrow evening, the official notice of which will appear as usual in the columns of the STAR tomorrow morning.

—After the close of the meeting in the Second Ward last night, one of the white participants was heard expressing his disgust, in language both emphatic and profane, with the whole "d-d concern."

—Jesse Wilder, Esq., and not J. W. Wilder, as incorrectly published in our paper yesterday, was on Monday evening elected the V. P. of Stonewall Lodge No. 1, Knights of Pythias, for the ensuing term.

—Among the graduates of Trinity College at the late Commencement, we notice the name of Mr. Alex. Green, of Wilson county, son of Z. H. Green, Esq., formerly of this city. Mr. G. took the degree of A. B.

—Some miserable fellow, badly pushed for something to "gobble up," or intent upon keeping his hands in, pocketed a couple of our friend Gilbert's bagatelle balls on Saturday and he has heard nothing from them since.

—By reference to an advertisement in this issue it will be seen that the Board of County Commissioners will meet at their office in this city on Monday next, July 3rd, for the purpose of revising the lists and for hearing all complaints that may be made in regard to valuation.

Left for His Home.

Capt. George Davies, late of the British Brig *Excel*, who attempted to kill the mate of his vessel by cutting his throat with a knife, and who was subsequently suspended from his command by a naval court which assembled in this city and afterwards sent to the Marine Hospital for treatment for insanity, was to leave here yesterday in care of Capt. Lemon, of the British Barque *Susie*, for Bristol, Eng., his home being but a short distance from that city. It is the opinion of Dr. Winants, in charge of the hospital, that Capt. Davies is hopelessly insane, caused by a softening of the brain. It was found expedient to keep a strict watch over him day and night during his stay in the hospital, and the same surveillance will be necessary during his voyage across the ocean. We understand that a comfortable room for his special benefit has been prepared for him on the barque and that he will be securely confined during the trip.

Excursion to the Blackfish Grounds Tomorrow.

Those who wish to take a very pleasant trip to the Blackfish Grounds will have an opportunity of doing so to-morrow. The steamer *Waccamaw* will leave her wharf, near the foot of Market Dock, at 6 A. M., will touch at Smithville, so as to give an opportunity to those who wish to stop there to do so and then proceed to the grounds, where the usual stoppage will be made to allow the fishermen to try their luck. Returning, she will again touch at Smithville.

It will doubtless be a very enjoyable affair, and participated in by a large number of our citizens. Fare, for the round trip, \$1.

The Excursion to Goldsboro.

As Mr. Oliver Connell, F. of T., of this city, accompanied by the "Band of Hope," propose to be present, they will be glad to learn that the Goldsboro' Council is making every preparation to render the demonstration and picnic announced for the fourth of July next, a grand success. The *Messenger* says several Councils have already consented to be present and participate and the Rev. W. W. Duncan, of Norfolk, Va., is expected to deliver an oration on temperance.

Complimentary.

The Rev. James B. Purcell, formerly of this city, but now Rector of St. Timothy's Church, Wilson, was ordained to the Priesthood in Newbern, on Sunday the 18th. The *Ledger* of Wilson says: "Dr. Purcell has won golden opinions since his coming into this community; and we trust, or we believe, that his pastorate amongst us will be productive of great good to our people."

Star Book Bindery.

The attention of the public is called to the superior facilities we now have for executing cheaply, promptly and skillfully all kinds of Binding and Ruling. Our business in this department has steadily increased, an evidence that we have not labored in vain in our effort to establish a Book Bindery equal to the demands of our growing city. But we are determined to do still more; and as our business grows so will our facilities be increased. Give us a trial.

Republican Ward Meetings Last Night.

The Republicans of the various Wards met last night and selected delegates to the County Convention which will be held in this city on the 8th of July. Prior to these meetings there had been no perceptible excitement manifested on the part of the Radical politicians of this city in reference to the question of nominations for the proposed Constitutional Convention, but last night it suddenly went up to fever heat, especially in the 2nd Ward. Passing in the direction of the Court House, where the meeting was in progress, shortly after 8 o'clock, our ears were saluted by loud cries, and upon going to the door leading into the Court room from whence they proceeded, we found one speaker on the floor vainly endeavoring to be heard, while a number of others were engaged in the efforts to drown his voice; while others still were urging him on and striving to put down his opponents. Altogether the scene presented was one peculiarly characteristic of Radical meetings, generally, but nowhere else witnessed outside of Pandemonium. Finally harsh words were indulged in and from that it came to blows, or attempts in that direction, and at one time a general row was imminent. At last, however, quiet was in a measure restored and we took our departure.

In most of the other Wards, we learn, there was no disturbance of any magnitude, and in some of them everything passed off quietly.

The following comprises the list of delegates chosen in the several Wards:

1st Ward.—S. T. Potts, white; Duncan Holmes, colored, and Henry Bruington, colored.

2nd Ward.—E. R. Brink, white; C. R. Mallett, Sr., colored; James A. Lowery, colored.

3rd Ward.—Charles Posner, white; Nathan G. Sampson, colored, and Allen J. Denton, colored.

4th Ward.—George W. Price, colored; R. S. Waldron, white; and Charles Southerland, colored.

5th Ward.—J. C. Hill, W. H. Thurbur and J. R. Russ, all colored.

In Harnett Township the following delegates were chosen: A. H. Morris, Deleware Nixon and John McCabe.

The Concert.

There was a tremendous crowd present at the Masonic Hall last evening on the occasion of the last Musical Soiree for the season of the Academy of Music, all the seats being full and a number being compelled to stand during the exercises. The concert was a decided success and the music was highly appreciated by all present. The pieces were all well rendered, but *Due Transmere*, with flute and organ, and *5th Md. Reg.* Gaillop elicited special encomiums from the audience. The feats of Master Sammy Carr on the Cabinet Organ attracted much attention. He is certainly a musical prodigy, being only about five years old. *Adelaide*, a Soprano Solo, was also deservedly applauded. Altogether it was a very interesting occasion, very creditable to Prof. Ruekert, the Principal, as well as to his pupils, and highly enjoyed by all present.

Our Chip Basket.

—Generally speaking—women.

—Why are some women like facts? Because they are stubborn things.

—Of course when our better halves rise from the dinner table and leave us, we are "half gone."

—It is said that "marriages draw better than theatres, and the interest felt in them by ladies never grows cold."

—A new American prima donna, Miss Stetson, is winning golden opinions in London, where she has just made her debut.

—Iowa contains a venerable couple who were married in 1798, and who are nearly two hundred and five years old collectively.

—A Saratoga belle who dresses nineteen times a day has gone into a decline. So has her father. He declines to pay his notes.

—"What are you doing?" said a father to a son, who was tinkering an old watch. "Improving my time," was the witty rejoinder.

—It has rained so hard in Milwaukee for four months that the *Chicago Republican* asserts all the children born there are web-footed.

SPIRITS OF TURPENTINE.

—Halifax town has a Thespian corps in full blast.

—The Rev. Mr. Earle preached in Goldsboro on Friday last.

—Crops in the Newbern section have now all the rain they will need in some time.

—Rev. John Powell has been nominated for the Convention in Caldwell county.

—R. K. Clanton, of Warren county, had cotton squares in his field on the 11th inst.

—The First National Bank of Charlotte has declared a semi-annual dividend of five per cent.

—Mr. W. C. Rencher, of this State, is editing a paper at Santa Fe, New Mexico, called the *Democrat*.

—The Flat River Baptist Association will meet on the 8th of August next, at Mt. Zion church, in Granville county.

—Another unsuccessful attempt was made on Wednesday night, by a prisoner, to break out of the Warren county jail.

—Cadet Henry Kingsbury, of Oxford, was graduated at West Point a few days ago. He will enter the cavalry service as Brevet Second Lieutenant.

—The convention campaign in Warren county is getting lively. Messrs. D. R. Goodloe and W. R. Montgomery, the conservative candidates, are earnestly at work.

—Rev. C. C. Dodson, of Wilson, delivered the Alumni Oration at Trinity College on last Wednesday evening.

—The Governor has ordered a Special Term of Mecklenburg Superior Court to be held for two weeks, commencing on the third Monday in July.

—The *Salisbury Examiner* says it is currently reported that the radical assessor of internal revenue of that district, (Billy Henderson,) has been assessed in the sum of six hundred dollars towards the support of the *Office-Holder's Organ*, of Raleigh.

—The *Democrat* says: The late term of Mecklenburg Court cost the taxpayers \$803 for jurors alone, including the pay of three attendants or assistant officers of the Court. Let us have a Convention. Reform must be inaugurated, no matter who it pleases or displeases.

—On Saturday last the celebration of the completion of the A., T. & O. Railroad from Charlotte to Statesville, took place at Shepherd's X Roads in Iredell county. The Charlotte *Democrat* says there were five or six thousand persons present. Speeches were made by Hon. F. E. Shober, Wm. Johnston, Esq., J. E. Brown, Esq., and Gen. J. A. Young. The close Railroad connection between Charlotte and Statesville was a theme of congratulation by all, and we are sure it marks a new era in the increasing prosperity of the two places.

PROSPECTUS OF

"The Southern Appeal."

A WEEKLY JOURNAL OF NEWS, POLITICS AND LITERATURE.

If the requisite number of subscribers can be obtained, a Weekly paper, with the above name, will be published at

OXFORD, N. C.,

on or before the 1st of July, under the Editorial Management of T. B. Kingsbury.

It will be the constant effort of the Editor to make "THE SOUTHERN APPEAL" an excellent NEWSPAPER—a repository of current events—a sort of weekly map or record of a busy world.

Recognizing but two National parties, the Republican and Democratic, "THE SOUTHERN APPEAL" will advocate and defend the doctrines and principles of the latter, as the Editor is in hearty accord with all the living issues of that great patriotic party. It will fight no questions that are settled, but will expose and denounce in proper terms corruption, speculation and fraud, whether in high or low places, whilst strenuously advocating reform and retrenchment in the administration of Government, State and National.

Whatever of taste the Editor may have, will be brought into requisition in the LITERARY selections of the paper, although the literary element will be subordinated to the other leading features—the News and Political Departments.

"THE SOUTHERN APPEAL" will be found the faithful ally of virtue, good government, and pure literature, and a true sentinel guarding vigilantly the rights and interests of the Southern people.

It will be a handsome twenty-eight column paper, and will be furnished to subscribers at \$2 50 for one year, \$1 50 for six months or 75 cents for three months.

Every friend of the enterprise is urged to bestir himself at once in its behalf. Send on names of such subscribers only, as can be relied upon for prompt payment.

There will be a Henderson Local Department that will be complete in its appointments.

The Editor will be under special obligations to those of his personal friends who have control of newspapers, if they will give this Prospectus a few insertions.
