At a meeting of the German Association of Wilmington, held at Runge's Hall on the evening of Thursday, the 3rd inst., the following officers were elected : President-E. Peschau.

Vice Preidents-P. Heinsberger, A. C. H. Pienken, A. Wronski. Recording Secretary-R. Ebecke.

tific nature, and of much importance to the community at large, occupied the attention of the members till a very late hour.

It was contended by the friends of this movement, that frequent meetings would prove the life and soul of the organization, and from the spirit evinced so far, it would seem to indicate the wisdom of this forward step towards medical progress and reform. The next weekly meeting will take place on

Thursday next, August 10th.

## WILMINGTON, N. C., SUNDAY, AUGUST 6, 1871.

A Disturbance Quelled. A disturbance occurred on Front between Market and Princess streets, last night, which promised at one time to result in serious consequences; but, fortunately, good counsels prevailed and the threatened riot was "nipped

in the bud." Too much credit cannot be awarded to the policemen for their efforts to preserve the peace and good order for which our city is so noted. Marshal Canaday was also prompt and decided in the performance of his duty.

Denies the "Soft Impeachment." We have received a communication from Mr. O. S. Hayes, of Shoe Heel, Robeson coun ty, stating that we did him great injustice in saying that he, as colonel in the militia service, had resigned because he was called upon to enter the field against the outlaws. He says he never was colonel or any other officer in the militia, and that he has been doing all he could to aid in the capture of the outlaws. We simply gave the information as we received it, and regret if we have unintentionally been guilty of injustice to Mr. Hayes.

An Interesting Pamphlet.

We are indebted to Heinsberger for a neat pamphlet, of 52 pages, entitled "The Thalian Association of Wilmington, N. C., with Sketches of Many of its Members," By a member of the Association. The work was executed at the office of the Journal, presents a very handsome appearance, and should be in the hands of every Wilmingtonian. For sale by P. Heinsberger, of the "Live Book Store."

Election Frauds and Informalities. The question of certain informalities and frauds, alleged to have occurred in some of the Wards and Townships in this county prior to and on the day of election, came up before the County Commissioners yesterday, but without coming to any definite action the matter was postponed until Monday morning, at 9 o'clock, when the charges will undergo a searching investigation.

Spot on the Sun.

The great spot now to be observed on the sun forms a striking object seen through a telescope. The spot can be seen without a telescope through a dark-colored glass, or when the sun is nearly

By passengers on the Wilmington, Charlotte and Rutherford Railroad, yesterday evening, we learn that Dr. Smith, who was waylaid and shot in Robeson, an account of which was published in our last, was still alive at last accounts.

NEW ADVERTISEMENTS.

BILIOUSNESS AND INDIGESTION. These two complaints are more general at this season of the year than at almost any other. They are closely akin; for biliousness always involves an impaired digestion, and indigestion is necessarily an accompaniment of a disordered or torpid liver. Happy the man or woman who can boast of a stomach that has never felt the horrors of dyspepsia, and to whom that great secretive agent, the liver, has never given pain or trouble. Not one in a thousand can lay claim to entire immunity from irregulacity in these organs .-How, then, shall they be regulated? Not by powerful catharties, alternated with ordinary stimulants, but by a medicinal invigorant, like Hostetter's Stomach Bitters, which combine in due proportion the tonic and alterative principle. Wherever there is a church, a school-house, and a general store, this famous medicine may be procured. No village merchant finds it prudent to be without it, for it is enquired for every day by every class. The workingman buys it because it increases his capacity for toll, and is followed by no reaction. The effect of the salubrious roots, herbs, etc., of which it is composed, diffused through his system by the pure stimulant which forms the basis of the Bitters, is most healthful and invigorating. The scholar, the merchant, and, in fact, all men whose minds or bodies, or both, are in constant exercise, will derive school-house, and a general store, this famous both, are in constant exercise, will derive benefit from its use. To persons of sedentary habits it supplies, in some measure, that activity in the circulation which is obtained by physical exertion, and is the best known remedy for constipation.

Ask for Hostetter's Stomach Bitters, and do not be coaxed into purchasing any of the imitations and frauds sometimes offered in its stead.
