#### The Wyatt Fund.

In Charleston and other places a subscription is being raised for the benefit of the father of Henry Wyatt, the first martyr to the Southern cause in the late war, who is represented to be in destitute circumstances and actually at this time an inmate of Pitt county Poor House. Being North Carolinians, our State should be foremost in this noble undertaking and cheerfully contribute to his relief. Who among the surviving defenders of the "Lost Cause" in Wilmington will take the matter in hand and solicit subscriptions for this praiseworthy object here?

#### Thalian Hall.

We learn that Thalian Hall has been leased for the next twelve months to Capt. E. J. Pennypacker, of this city, for \$750, of which sum \$600 is to be paid in cash and \$150 in repairs upon the Hall. We hope soon to see it open for the benefit of play-goers.

TO our many friends and patrons of Wilmington and Surfounding Country : Since our opening in this City, and the very liberal patronage that has been bestowed upon us we cannot but express our gratitude for the same. By fair and honorable dealing we hope to merit in the future, as in the past, a share of the patronage. . . ......

It has been admitted on all sides since opening our Clothing Store in this city the promise of tair dealing with our Customers, selling them goods by which their own interest and advantage shall be promoted, has been faithfully kept, and that on no occasion has the confidence reposed in our integrity been abused. On the same principle, with undimin-

ished honesty the business will henceforth be carried, and while expressing our gratitude for the liberal patronage we have been favor-ed with, solicit a continuance of the same, promising that we will strive to deserve the favor of the public.

Having removed to that large and elegant store, No. 30, South Side of Market Street, for-merly occupied by W. M. Stenvenson, as a Crockery Store, we will be pleased to have our friends to call and examine our new Fall and Winter Stock just received.

# The "Ocean House,"

Skat

Wy stated in our State news column a day or two since that Mr. J. M. Blair had become proprietor of the Ocean House, Portsmouth, Va. Those who patronized the Yarborough House, in Raleigh, while under his control, will remember Blair as one of the most accommodating genial and landlords who ever "kept a hotel," and we are persuaded that they

## Temperance Mali.

We learn that Mount Olivet Council No. 9, Friends of Temperance, and the new temperance organization known as the "Temple of Honor and Temperance," have rented a hall (to be designated as above) on Front street, in Lippitt's Block, three or four doors South of "Eclectic Hall," where these organizations will hereafter hold their meetings, the Council having occupied it on Friday evening last.

## Masonic Hall.

The Masonic fraternity of this city, after frescoeing, repainting, recarpeting and otherwise improving their Lodge Room on Market street, by which it has been made attractable and altogether one of the handsomest halls in this city, have recently formed a choir, which, with their splendid organ, furnishes delightful instrumental and vocal music for their meetings.

## Our Approaching Fair.

## The time for our Agricultural Fair is rapidly approaching and we trust that the people of this city as well as elsewhere will do all they can towards making it a grand success, by exhibiting articles of their handiwork, &c., whether a premium shall be offered for the same or not; and, in this connection, we would suggest to those living on the seashore that shells and rare specimens which are to be found so plentifully in the neighborhood of the various Sounds would be not only gratifying but also a curiosity to many of our upcountry friends.

Wanted His Picture Taken.

Agentleman from the rural districts, not familiar with the mysteries of photography, having been "fixed up" at one of the firstclass barber shops a few nights since, was exceedingly anxious to have his "pictur" taken. He repaired to the gallery of friend Yates for that purpose, where he insisted upon its being done; but, after a long persuasion, accompanied with excuses of night, darkness, cloudiness or something of the sort, the man of pictures finally succeeded in convincing our friend that it "couldn't be did," just then.

## City Court.

The following cases were disposed of yesterday :

Wm. Wescott, charged with drankenness, &c., was found guilty. Judgment for the penalty and costs. Henry Williams, charged with fighting,

quarreling and throwing rocks, was found guilty. Judgment for the penalty and costs. Two cases were continued over for a future hearing.

County Commissioners. At an adjourned meeting of the Board of the arrest of Underwood and Maddox on County Commissioners, held yesterday, the precisely the same charges under which RED AND WHITE ASH OF BEST QUALITY.

We are glad to hear that Mr. Jackson Johnson has placed the fare by his hacks on the Fayetteville and Lumberton route at the very moderate sum of three dollars. And, although he is allowed twelve hours by his contract, he promises to make the trip in seven hours. We think this will secure for the "Air-Line" a considerable amount of travel. Jackson is a live man.

## Ladies' Benevolent Society.

Officers and Visitors will please meet for the usual monthly business next Tuesday (October 10th), at the house of Mr. John A. Taylor, at 4 o'clock, P. M. Let none fail to be there.

### RIVER AND MARINE NEWS.

- The steamer Murchison Capt. Garrison, arrived last evening, and at last accounts she was taking in a large cargo for the return trip, upon which she expected to enter during the night. Heavy rains are reported in the upper Cape Fear, and the Murchison expects to reach Fayetteville without any difficulty.

## Star Book Bindery.

The attention of the public is called to the superior facilities we now have for executing cheaply, promptly and skilfully all kinds of Binding and Ruling. Our business in this department has steadily increased, an evidence that we have not labored in vain in our effort to establish a Book Bindery equal to the demands of our growing city. But we are determined to do still more; and as our business grows so will our facilities be increased. Give us a trial. 2taw2w

#### Arrests for False Imprisonment.

We learn from the Sentinel that U. Marshal S. T. Carrow and Deputy Marshal R. T. Bosher were brought before W. E. Pearce, Esq., at the Mayor's office, on Thursday afternoon, on a warrant charging them with the arrest and false imprisonment of Nathan Underwood and John Maddox, of Moore county, about 10th September. After a hearing the parties were bound over in the sum of \$500 each at the next term of the Superior Court.

## COUNTER MOVEMENTS.

Immediately, on the conclusion of the foregoing, Marshal Carrow and Deputy Bosher sued out warrants against 'Squire Pearce, Sheriff Lee and Josiah Turner, Jr., for assault and battery in having them illegally arrested, the warrant under which they were arrested at the instance of Underwood and Maddox being without a seal-Pearce for issuing, Lee for executing, and Turner for, it was alleged, writing the warrant. This new process was served, and the case set for hearing vesterday morning at 11 o'clock A. M. In the meantime a warrant was issued, on the affidavit of Detective Hester, for

## SPECIAL NOTICES.

THE WARNING HAS BEEN HEEDED. Since the exposure of the attempts made by certain unscrupulous local dealers, to palm off their coarse astringents, made from cheapand impure materials, in the place of the great national tonic, Hostetter's Stomach Bitters, public opinion has set strongly against these empirics and their preparations. Their occupation is gone, or soon will be. When the light is let into deception it soon wilts down. Persons who trifle with their own health, by using unknown preparations, with no guarantee to sustain them, when an established specific, proven by twenty years experience to be exactly what it is claimed to be, is within their reach, are sure to repent their temerity. Many have done so in this instance, but it is hoped that the truth plainly spoken has arrested the evil. In the meantime the demand for the leading protective an ( restorative medicine of America was never so great as 1 has been this season. From the fever and ague districts of the west, south-west and south, it is literally overwhelming, and it may be said of the advices from all parts of the country of the cures it is effecting in dispepsia, bilious complaints, and chronic constipation, that "their name is legion." Everywhere the sick and feeble seem to have realized the importance of "holding fast that which is good," and of avoiding what is spurious and dangerous. [oct. 8-cod1w Su We Fri NEW ADVERTISEMENTS.
