

W. C. & R. R. Road. The Eagle, published at Hickory Tavern Catawba county, has the following information about our great railroad :

certain that the W., C. & R. Railroad Company has procured the means to complete the road, and that no time is to be lost until It is finished. Mr. Brown, one of the principal engineers, told us a short time ago that he expected to jocate the extension of that road to this place some time during this winter. When this work is completed, Wilmington, on the coast, Charlotte, on the main line, and Hickory at the Western end, will be the three most important points in the Southern and Western portion of the State."

and the second party of the second The Tremaines. The Tremaine Brothers and Mr. John G.

Pierson will long be remembered by the musicloving portion of our citizens. As they have now a regular Troupe, and will doubtless visit us this season, the following description from the North Carolinian will be read with interest: The Tremaine Bros. and John G. Pierson. Operata Troupe and Oriental Bell Ringers will give two of their Musical Entertainments in Tucker Hall Tuesday evening, October 31st, and Wednesday, November 1st. The Brothers and Mr. Pierson were here season before last and made the best impression of any troupe of the kind that ever visited Raleigh. The Business Manager, Mr. Frank Barriss, informs us they have increased the troupe which now numbers eight people, with new attractions making it one of the strongest combinations of Musical and Barlesque Talent now traveling. Master Willie Kellog, the wonderful Soprano and female impersonator; Frank Inslee, Alonzo Tremaine; O. S. Robinson and Frank Barry, Jr., are the new places of this excellent organization. They are ringing a set of bells and producing a Burlesque Operetta each evening.

The following cases were disposed of yesterday :

James K. Davis, Susan Davis and Margaret Davis, were charged with quarreling and making a noise. James and Margaret were found not guilty and discharged. Susan was found guilty, but the Mayor was recommended to remit both penalty and costs, when the girl was reprimanded and discharged.

Frank Marsden was found guilty of fighting and quarrelling, was sentenced to pay the penalty and costs. The same person was charged with assault and battery, with a deadly weapon, was found guilty and ordered to give bond in the sum of \$200 for his appearance at the next term of our Superior Court. The following from the Fayetteville Eagle in reference to Rockfish cotton factory will be read with genuine pleasure by every friend of that town :

The work of build ng this cotton factory is now going on rapidly. 250,000 bricks have been purchased from the Arsenal property for the purpose, and contracts to supply timber, &c., are being filled. Mr. T. C. Oakman, of Patterson, N. J, is the proprietor and mover in the work. The building is to be 180 feet long and 56 feet wide and will have all modern conveniences. Much of the machinery is to be of the latest style and improvement, and part of some that has done service before. We are not informed as to how many looms will be run, nor the kinds of goois to be made, except domestic sheeting. The factory is to be in operation by next April. The saw mill and dam are being fitted up. The property embraces most of Rockfish village and 1,100 acres of land on Little Rockfish, 7-miles South of Fayetteville. W. D. Smith, Esq., is agent for Mr. Oakman in this enterprise, though Mr. Oakman is here frequently. There is talk of building a factory on Lower Little River, some 15 miles North of here.

- Davidson College has 94 students and more expected. The standard of admission is so high that quite a number of applicants were rejected.

- The Greensboro Patriot makes a correction as follows : In a personal notice, in last week's paper, we undertook to quote the old saying, "poets are born, not made," and were not a little disgusted to find the types rendering our manuscript thus : "fools are born, not made."

-- The following from the Greensboro Patriot is good : Some wool sent from here by Messrs, Sloan, last week, for some offour Guilford farmers, brought fifty cents a pound in Richmond. If our farmers did not think more of mangy curs than they do of sheep we would suggest that it might be profitable to thin the dogs out and raise more wool.

- The Sentinel thus refers to the cadets of the Bingham School, who appeared on the Fair grounds Thursday : At 10 o'clock, Col. Bingham's battalion of cadets entered the grounds and created quite a sensation, especially among the young ladies, who went into ecstacies over their handsome and manly faces and gray uniforms. These young gentlemen have only had their muskets some three weeks, yet they showed themselves very proficient in the manual.

- We take the following from the Battleboro Advance: We regret to hear of an unfortunate shooting affair, which took place at the circus at Rocky Mount on REASONABLE PRICES Wednesday. The particulars, as well as we have been able to ascertain, are as follows: Mr. Swep Harrison requested Mr. F. M. TO our many friends and patrons of Wilmington and Surrounding Country :, Since our opening in this City, and the very liberal patronage that has been bestowed upon us we cannot but express our gratitude for the same. By fair and honorable dealing we hope to merit in the future, as in the past, a share of the patronage.

It has been admitted on all sides since opening our Clothing Store in this city the promise of tair dealing with our Customers, selling them goods by which their own interest and advantage shall be promoted, has been faithfully kept, and that on no occasion has the confidence reposed in our integrity been abused. On the same principle, with undiminished honesty the business will henceforth be carried, and while expressing our gratitude

for the liberal patronage we have been invor-ed with, solicit a continuance of the same, promising that we will strive to descrive the favor of the public. Having removed to that large and elegant store, No. 30, South Side of Market Street, for-merly occupied by W. M. Stenvenson, as a Crockery Store, we will be pleased to have our triends to call and examine our new Fall and Winter Stock just received. Respectfully.

Respectfully. Bespectfully. SHRIER BROS. P. S.—Country merchants will do well, and certainly find it to their advantage.to exam-ine our large and well selected stock before purchasing elsewhere. All orders from coun-try promptly filled at New York prices. Oct 7:nacim S. B.
