## RETEOROLOGICAL RECORD. March 6, 1872.

30:15 41 N Gentle |Clear 30:22 Mean Temp. of day, 48 deg.

ROBERT SEVENTH, Serg't Signal Service U. S. A.

The barometer continue rising on Thursday over the Middle and New England States, with clear and pleasant weather except northern New York and northern New England, dimin-ishing northwesterly winds and continued rise in the temperature. Pleasant weather from the South Atlantic coast to the Ohio valley, and thence northward to the upper Lakes.— Easterly winds and increased cloudiness; the pressure over and west of the upper Mississippi valley diminished during to-night, and on Thursday with increased cloudines, possibly threatening easterly winds and rising tempera-ture. Southerly winds continue over the Wes-

Gulf and Atlantic coasts this evening.
